Ethic**

# Vincent Settlement Elementary

## High Academic Achievement

**Objective: VSE will show two points growth in the School Performance Score.**

- Thinking Maps will be used as a research based strategy during ELA instruction.
- Exemplars will be used to teach problem solving skills and to reinforce the ability to create constructed response answers in Math.
- Promethean training for teachers will be provided and the use of Promethean boards as an instructional tool will be showcased.

## Stakeholder Satisfaction

**Objective: VSE will gather data from online parent surveys to determine level of customer satisfaction.**

- Administrators will become familiar with the website “Zoomerang”.
- Leadership Team will develop questions for posting on school website using Zoomerang service.
- Leadership Team will review survey results throughout the school year and make decisions accordingly.

## Safe, Productive Environment

**Objective: VSE will define school wide procedures and implement procedures in an aligned manner.**

- School wide procedures will be developed and will be shared, along with guidelines for implementation, at the Back to School in-service. A PowerPoint will be given to teachers to use when teaching students school wide expectations.
- VSE students will have the opportunity to participate in a contest to design our school money, Cowboy Cash.
- VSE students will earn Cowboy Cash for meeting behavioral expectations. Rewards will be given to those whose names are pulled in weekly drawings.

## Operational Efficiency

**Objective: VSE will communicate with parent stakeholders using electronic newsletters and emails.**

- Stakeholders will be given the opportunity to receive electronic versions of notes sent home/newsletters.
- Stakeholders will provide email addresses which will be put in a stakeholder distribution list.
- All notes and newsletters sent home will also be sent electronically to those stakeholders who have indicated that they want to be included in this form of communication.
