

**2020-2021
Moss Bluff Elementary ATP**

What is ATP?

All schools in the National Network of Partnership Schools (NNPS) use an Action Team for Partnerships (ATP) to organize and sustain a program of school, family, and community partnerships. With an ATP, teachers, administrators, parents, community members, and others can work together to connect family and community involvement with school improvement goals. The ATP in each school aims to:

- Create a welcoming school environment for families
- Engage families and the community in ways that support student achievement and success
