

What is a Family-School Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan compacts:
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Moss Bluff Elementary School developed this School-Parent Compact for achievement. Teachers suggested we share more strategies to assist parents with completing homework, related to learning strategies in the classroom. Parents suggested more information be shared about classroom instructional strategies and curriculum expectations. The students shared how they feel about learning and what they like about school. Meetings are held each year to review the compact and make changes based on student needs. Parents can contribute comments at any time.

Activities to Build Partnerships

- Meet and Greet
August 8, 2019 1:00-4:00
- Open House
(K-1) August 26, 2019 5:30-6:30
(2-3) August 27, 2019 5:30-6:30
(4-5) August 28, 2019 5:30-6:30
- Book Fair and Reading Night
October 8, 2019 (K-2nd)
- Veteran's Day Program
November 7, 2019
- STEM Night
November 21, 2019 (3rd-5th)
- 100th Day of School
January 27, 2020

Communication about Student Learning

Moss Bluff Elementary is committed to effective communication with parents about their children's learning. Some of the ways we communicate with parents are:

- Weekly parents every Wednesday
- IPR reports and report cards
- Student Progress Center
- Monthly Newsletters
- Remind 101
- School Messenger
- Parent Conferences
- Blackboard

Teachers, Parents, Students – Together for Success

Our Goals for Student Achievement

District Goals

To increase % of students scoring proficient in ELA and Math, K-12

We will get there by:

The district will support school leadership teams as they analyze data from District Common Assessments (DCA), LEAP 2025, LEAP 360 and other assessment tools, to develop a greater understanding of student needs while creating Student Learning Targets (SLT).

The district will provide professional development for teachers and administrators in best practices at all levels (K-12).

District leaders will monitor and support the Professional Learning Communities (PLC) focus of schools to ensure alignment to the district goals.

School Goals

To increase % of students scoring proficient in ELA and Math, K-5

We will get there by:

The administrative team will support teachers as they analyze data from District Common Assessments (DCA), LEAP 2025, LEAP 360 and other assessment tools, to develop a greater understanding of student needs while creating Student Learning Targets (SLT).

The administrative team will provide professional development for teachers in best practices at all levels.

School administration will monitor and support the Professional Learning Communities (PLC) focus to ensure alignment to the school goals.

In the Classroom

Moss Bluff Elementary teachers will ensure students are successful in math, reading, science, and social studies.

Teachers are committed to providing a quality education for each child in the following ways:

- Protect the safety, interests, and rights of all students in the classroom.
- Plan and implement lessons that are aligned with the Tier I curriculum in all subject areas.
- Provide current academic feedback to students and their parents.
- Ensure that correspondence between home and school is sent in a timely manner in a variety of ways.
- Analyze classroom assessment data to provide students instruction, based on their needs.

At Home

Moss Bluff Elementary parents will join teachers to ensure students are successful in math, reading, science, and social studies.

Home Activities:

- Review and sign weekly papers every Wednesday.
- Read and discuss the student's library and AR books each week.
- Ensure students are completing their nightly homework.
- Study with students each night,
- Communicate with teachers about questions, regarding their students learning.
- Attend Family Nights and utilize instructional strategies shared by staff members.

Students

Moss Bluff Elementary School students, along with staff members had a meeting to develop ideas about how they can succeed in school. They discussed being successful in math, reading, science, and social studies. Students thought of the following ideas to make connections between learning at home and school:

- Read every night at home with my parents.
- Study multiplication facts at home with my parents.
 - Do my homework every day.
 - Study.
- Bring home all materials I need to do my homework.
