Ray D. Molo Magnet Middle School believes highly in parental involvement. We focus on providing teaching and learning opportunities for all stakeholders, including faculty, staff, students, parents/families, and our community. In order to implement strong parental involvement, our school has set up the following:

- Open House
- Parent/Teacher Conferences
- School Newsletter
- Parent Volunteer Opportunities
- Parent Night
- School Web-Page
- School Messenger
- Muffins with Mom Program
- Grandparents Day Program
- Donuts with Dad Program
- We provide each parent an individual student report about the performance of their child on the state assessment in at least mathematics, language arts, and reading.

Ray D. Molo Magnet Middle School implements these activities to encourage parental involvement through our PTO. The activities are in compliance with the Calcasieu Parish School Board Parental Involvement component and the Department of Education of the State of Louisiana. All activities will ensure that parents of students attending Ray D. Molo will be sufficiently informed and will be given the opportunities to participate in all circuits of parental involvement activities.
