Discipline Guidelines for Uniforms

All Pre-K – 12 schools in Calcasieu Parish will strive to achieve full compliance of the Dress Code Policy and should resort to discipline measures only when positive measures fail. The intent of this policy is not to prevent any student who is not in uniform from attending school. This policy is not intended to suspend or expel a student from class or from school or lower an academic grade as a result of not complying with the School Uniform Policy.

The following is a progressive disciplinary plan for students who are considered noncompliant with the Dress Code Policy and who have not been granted an exemption.

- 1st Offense Written warning
- 2nd Offense Phone call to parent/guardian
- 3rd Offense Administrator or designee, parent, and student conference

Students shall not be considered in violation of the Dress Code Policy in the following instances:

- While an appeal of an exemption from the School Uniform Policy is pending.

Parent(s) or guardian(s) may request an exemption from the School Uniform Policy by submitting a written request to the school principal. Exempt Parent(s) or

guardian(s) may request an exemption from the School Uniform Policy by submitting a written request to the school principal.

Exemptions may be granted for religious reasons, medical reasons, or other justifiable reasons.

- A written request shall be submitted in writing using the Exemption Form
- The Review Committee shall meet with the parent/guardian to discuss the School Uniform Policy and request exemption.
- The parent/guardian shall be notified in writing of the outcome of the conference.
- If the Review Committee does not grant the exemption, the parent/guardian may appeal the decision to the appropriate director.
- **Most common uniform errors: joggers, cargo pants, wrong colored socks, improper footwear, no belts, untucked shirts, and jackets worn all day that are not within the guidelines.**

DISCIPLINE:

One of the best things you can do for your children is to help them develop a good sense of self-discipline. **Children must learn that no one else is responsible for their actions.** At Oak Park, we believe that good discipline is essential to successful learning. Students who continuously break classroom and school rules will be sent to the office and will be disciplined by the principal. This may result in suspension. Parents of students with recurring discipline problems will be required to come to the school to meet with the teacher and principal in order to resolve the problem. Please discuss with your child/children the need and importance of good behavior and a good attitude while attending school each day. We want the very best learning environment for each student

One of the most important concepts a child can learn is responsibility-for behavior and possessions. We hope that you will work with us as we strive to develop in each child this standard of responsibility. **You help us when you label all of your child's possessions from coats/jackets to book bags and all other school supplies.** Remind your child to get things ready for school the night before.

PERSONAL ITEMS BROUGHT TO SCHOOL:

Students are not allowed to bring toys, games, electronics, cell phones or any other personal items to school unless instructed to do so by the teacher in writing. These items should remain at home. The school assumes no responsibility for personal items brought to school. Write your child's name inside all on all supplies and clothing that the child may remove and. (Jackets, book bags, etc.)

WEEKLY-PAPERS: Papers will be sent home **each week on Tuesdays-Take Home Tuesdays** for parents to sign, check over and discuss with their child. Please sign and return the papers back to school on the next day.

HOMEWORK AND CLASSWORK:

Students' class work and homework play a significant role in their learning. Refusing to work in class or complete homework will result in lower averages. (possibly failing grades) Teachers maintain records of all students work in their grade book. Please discuss the policy of school work with your child.

1. Students' work and a discipline report will be sent home every week to inform parents of progress.
2. If a student continually fail or refuse to do their work, the teacher will schedule a conference with the parents to discuss interventions to help the child.
3. If the problem continues, a required conference with the principal and teacher will be scheduled.
4. It is very important for all students to spend additional time studying each evening. All students are required to take home some type of school work. All teachers will assign homework daily. Please enforce the routine of doing homework. Never allow the excuse of "No homework tonight." or "I did my homework at school." Require your child to read a book or

write in their journals daily. It is so important to your child's success in learning if you check their school work daily.

PARENTS/TEACHER-CONFERENCES: Parents and guardians are encouraged to monitor their children's progress often. If at any time there are questions concerning your child, please contact your child's teacher by telephone or by sending a note. You may call the office during the day and leave a message to have your call returned. If you desire a conference with your child's teacher, please schedule an appointment prior to coming to the school. The office number is (337) 217-4850. All parents must have at least two conferences per year in person with their child's teacher.

PROGRESS REPORTS:

Progress reports are sent home to parents at the end of the third week in each nine -weeks grading period. If a student grades reflect below average at this point, this may be a great time to schedule a conference with your child's teacher. It may be determined what can be done to improve his/her performance before the end of the 9 weeks.

REPORT-CARDS:

At the end of each nine – weeks grading period, a report card is sent home for grades. ***Students working below grade level in subjects may be considered for retention even though their grades in those areas are slightly below average.***

GRADING SCALE:

A	93-100%	O	Outstanding
B	85-92%	S	Satisfactory
C	75-84%	N	Not Satisfactory
D	67-74%
