Registration Information & Maintenance Requirements

DETERMINATION OF AVAILABLE SPACES

Beginning in March, we collect information for Kindergarten French Immersion students for the upcoming school year. If you are interested in your child testing for the Kindergarten French Immersion Program, information will be posted on our school website and Facebook page. Deadlines and specific information will be available on the French Immersion application.

REGISTRATION ADVERTISEMENT

Notices are posted on our school's website and social media outlets to advertise the registration dates. Flyers are also sent home and information is in our front office.

REGISTRATION PROCEDURES

When registering, or entering school for the first time, all children shall present the proper documentation for immunizations and a certified birth certificate. Required information forms provided by the district must also be on file for each student.

PROMOTION

Promotion to the next grade level is based on the policies and regulations of the Calcasieu Parish School Board.

Attendance Requirements

All students are expected to attend class every day that school is in session.

ATTENDANCE

We believe that regular attendance is vital to the learning process of each student. Once a student arrives at school, he/she is expected to remain and attend class throughout the day.

ARRIVAL

The school day begins at 7:40 AM. Students should arrive at school between 7:10 and 7:40 AM. A child shall be considered tardy if they are not in school by 7:40 AM. It is the responsibility of the parent or guardian to sign the child in at the office. After 3 tardies, a letter is automatically generated to notify the Child Welfare and Attendance Department. A student may be referred to the Truancy Court if a child has five or more unexcused tardies in a semester.

All car riders must be dropped off in the car rider line. Bus riders will be dropped off in the bus circle area. Walkers will enter through the glass doors at the bus rider area.

Your child should be informed on how he/she gets home before the start of the school day. You are highly encouraged to establish a consistent routine. Children often forget. A note to the teacher is crucial when there is a change in their regular routine. In emergencies, please call the office. We will notify your child of the change. Calling to change or communicate

transportation plans should be rare. Calling daily or almost daily creates unnecessary confusion. The deadline to change the mode of transportation for your child is 2:00 PM.

ABSENCES

Absences are excused for personal illness, death in the immediate family, Covid related quarantine. CPSB also recognizes religious holidays and absences are excused. Please notify the school prior to religious holidays.

Elementary students may not miss more than 5 days during a semester, 10 days during the school term. A child not in attendance for the required days per year will not be given credit unless there are documented extenuating circumstances.

Half-Day Attendance: A student is considered to be in attendance for one-half day when he/she is present for more than 25% but not more than 50% of the instructional day.

Full-Day Attendance: A student is considered to be in attendance for a full day when he/she is present for more than 50% of the instructional day.

Students are responsible for all work missed due to absences. Please call the office by 9:30 to request missed work. Inform the office if a parent/guardian will pick up the work or if it should be sent home with another student. Work may be picked up in the office after 1:30 PM.

When a student returns to school from an absence, he/she must bring a dated note from the parent or a doctor's excuse stating the reason for the absence. This note must be turned in to the office.

Family trips are recorded as unexcused absences as a school system policy. All work will need to be requested prior to the absence and completed according to the guidelines stated in the Parent and Student Responsibilities. No exceptions.

Choir students are expected to participate in all performances. Absences on the date of a choir performance require a doctor's note or advance approval.

EARLY CHECKOUT

Any student leaving school early must check out through the office. Only those persons listed on the emergency card will be allowed to check out that student unless other arrangements have been made with the office. Any student signed out prior to 2:30 PM will receive an early checkout. A student may be referred to the Truancy Court for excessive early checkouts.

DISMISSAL

Dismissal begins at 2:45 PM, depending on the grade level. Siblings dismiss with the youngest child in your family. All students not attending our Extended Day Program should be picked up by **3:20 PM**. A parent/guardian must sign the late pick-up log in the office for any student picked up after 3:20 PM.

All car riders must be picked up in the car rider line. **Parking anywhere on campus and walking to the car rider line is not permitted. Parents may not drive through the front circle for dismissal.** Parents may park in approved lots surrounding the campus if they wish to walk to the designated walker area.

In case of inclement weather, children will be kept indoors during dismissal and called to the pick-up point upon arrival of the parent/guardian.

Discipline Policy

Prien Lake Elementary follows the Calcasieu Parish School Board discipline policies as outlined in the Student Code of Conduct Handbook.

PBIS

Prien Lake Elementary uses **Positive Behavior Intervention Support** throughout the school. PBIS provides a positive and effective alternative to the traditional methods of discipline. PBIS methods are research-based and proven to significantly reduce the occurrence of problem behaviors in the school, resulting in a more positive school climate and increased academic performance. PBIS is consistent with the Individuals with Disabilities Education Act, which advocates the use of positive behavior interventions and school-based disciplinary strategies that reduce or eliminate the need to use suspension and expulsion as disciplinary options.

EXPECTATIONS

Prien Lake Elementary focuses on positively stated and easy to remember behavioral expectations called the "Law of the Paw".

"Law of the Paw"

- Be Respectful
- Be Responsible
- Be Safe
- Be Kind

RECOGNITION SYSTEMS

Students are recognized for following the Prien Lake expectations. Students are recognized with positive praise, "Law of the Paw" tickets, Positive Office Referrals, and "O" in Conduct nine-week incentives.

OFFICE DISCIPLINE REFERRALS

Prien Lake teachers are constantly teaching and reinforcing appropriate behaviors. Should a student choose to violate school behavior expectations, a specific procedure is followed:

1st minor offense: Student gets a verbal warning. Teacher re-teaches expected behavior and clarifies consequences.

2nd minor offense: Teacher fills out the School Discipline Referral Form and sends a copy home. Student receives a consequence. Parent signs and returns form.

3rd minor offense: Teacher will call parent, fill out School Discipline Referral Form and send a copy home. Student will receive a consequence. Parent signs and returns form.

4th minor offense: Teacher fills out the School Discipline Referral Form and sends the student to the office to see an administrator. Offense will be entered into the system. A follow-up course of action/consequence is taken.

Grade Reporting

GRADE REPORTING

All schools in Calcasieu Parish adhere to a nine-week grading period. Report cards for all students will be sent home following the end of each nine-week period. Progress reports are sent home at three-week intervals. Parents/guardians are encouraged to access their child's Student Progress Center account to view current grades. The front office and counselors can give student PSN numbers needed to create accounts.

EVALUATION

Students are evaluated both formally and informally. Data collected is used to provide diagnostic information, assess individual student performance, assess program effectiveness, and provide information for curriculum planning. Evaluations may include informal tests, projects, products, daily class work, classroom observations, student work portfolios, and activities designed and administered by teachers to diagnose and assess student performance.

Cheating on any assessment will result in an automatic failing grade for that assessment.

RESPONSE TO INTERVENTION (RTI)

Students who struggle to meet expectations in core content areas may be placed in small and/or individual settings for the purpose of receiving research-based interventions designed to focus on academic areas of weakness. Participation will be flexible, depending on a student's ability to show adequate progress.

CONFERENCES

Conferences are held frequently throughout the year to discuss the progress of students. Parents are encouraged to contact their child's teacher at any time to arrange a conference. To ensure adequate instructional time, conferences must be held at a time other than the teacher's scheduled class periods.

Health Services

MEDICATION AT SCHOOL

Absolutely no medication is dispensed at school without the proper documentation. Forms are available in the school office. All medications must be signed in by the parent/guardian in the office. Medication will not be accepted from a child.

If medication is required at school, a parent/guardian may:

- Come to school and administer the medicine, or
- Secure a form for medication to be given at school. This form requires the signature of a physician. The medication must be properly labeled.

*Aspirin and other over-the-counter drugs are considered medication and will be handled in the same manner.

Health Services

ILLNESS AT SCHOOL

Parents/guardians will be notified if a student becomes ill at school. Fever, vomiting, loose stools, or other such symptoms demand that students be removed from school. Students must be symptom-free for 24 hours before returning to school. Decisions concerning notification of parents/guardians requires a judgement based on the student's statement of feelings and the observation of appearance and behavior.

COMMUNICABLE ILLNESSES

A student with any condition that is contagious must be excluded from school and may return as noted:

- Measles: 7 days after appearance of the rash.
- Chicken Pox: 7 days after the appearance of the vesicle or when the vesicles are healed.
- Mumps: when the swelling has subsided.

Students with skin diseases, including scabies, ringworms, impetigo, or unidentified rashes, must secure a note from a physician stating the child can return to school.

Parents/guardians are notified if head lice are found on a student, and the student will be excluded from class immediately, according to the guidelines set by CPSB. Students should be treated with a medication that kills lice and eggs, and all nits must be removed from the hair. Proof of treatment is required before returning to school. School office personnel shall be responsible for checking the student to be sure he/she is free of nits before the child may return to the classroom. All students must be checked in through the office with the parent present before being cleared to return to class.

Please communicate Covid related illnesses to our office staff. An administrator will explain the quarantine process and explain return to school dates.

IMMUNIZATIONS

As noted in the registration procedures, all children attending school must have evidence of being immunized. If such proof cannot be provided, the child will be restricted from school until validation can be given.

VISION AND HEARING SCREENING

CPSB nurses complete screening on students in grades K, 1, 3, and 5 each school year. A parent/guardian will be notified of any concerns in these areas after the screening.

SCHOOL NURSE

The school nurse is an employee of the Calcasieu Parish School Board. When school health problems arise requiring the advice of a physician, the nurse will consult the CPSB Medical Advisor. The health of a school age child is the responsibility of the parents, school administrators, teachers, and the school nurse.

Health Services

MEDICAL EXCUSE POLICY

An excuse is required if a student should be excused from recess, going outside, or Physical Education due to an injury or illness. A parent/guardian note is allowed for up to three consecutive days of excused participation. A doctor's note is required after the third day. Notes should be brought to the office and may be faxed to 337.217.4911.

Safety Regulations

EMERGENCY INFORMATION

The safety of all students is always of utmost concern. Regularly scheduled drills and evacuations are conducted to ensure a definite plan of action in the case of an emergency. These drills are held regularly at unannounced periods throughout the school year. The drills are conducted to teach self-control in times of emergency and to assure quick and orderly evacuation of the school building. You can assist your child by discussing the importance of such drills and the necessity of following the directions and guidelines for the drills.

Parents/guardians will be contacted through the automated school messenger system, and local media will be informed in the event of a dismissal due to an emergency.

*No child may be checked out when a school lockdown/shelter in place has been declared. An "all clear" must be approved from the CPSB Risk Management Dept. or law enforcement to release students.

STUDENT INFORMATION

It is extremely important that the school has accurate information on file concerning each child. Information should be updated in the Student Progress Center (online). Please complete ALL INFORMATION REQUESTED on the emergency card that is sent home at the beginning of the school year. Should any of the information change during the school year, it is the responsibility of the parent/guardian to update information in the Student Progress Center (online) and notify the office so that changes can be made on the child's card. It is imperative that the school can contact a parent or another adult who will take responsibility for a child in an emergency.

LEGAL CUSTODY

Where the legal custody of a student has been judicially assigned to one parent, to a legal guardian, or foster parents, a certified copy of the judgement shall be submitted to the school office. A copy of the judgement will be kept on file. In the absence of a legal document, a child can be released to either parent.

VISITORS

All visitors, volunteers, and substitutes must register in the office upon arrival at school and receive a badge. Visitor parking is available in the staff parking lot. Parking spots are labeled as "visitor parking." There are no visitor lunches at this time.

Parent & Student Responsibilities

It is the responsibility of each student to:

1. Respect the rights and privileges of other students, teachers and staff.
2. Arrive at school with the appropriate materials and assignments.
3. Obey all school rules and behave in an acceptable manner.

It is the responsibility of the parent/guardian to:

1. Ensure each student arrives at school on time.
2. Support the learning goals of the curriculum.
3. Establish open communication with school personnel to provide a team approach for success.

To effectively maintain an environment conducive to learning, the following guidelines are in place:

COMMUNICATION

It is important that all contact information for each student is always kept up to date.

Parents/guardians can update personal information through the Student Progress Center or contact the front office for assistance.

1. Important messages issued from the school will be sent periodically through the automated system. Contact the office to confirm the phone number(s) that will receive these messages if you have questions or concerns.
2. E-mail addresses requested on the student information cards will be used strictly for teacher communication and school business.
3. REMIND accounts are used by various teachers throughout the school to send reminders about dates and events. Parents/guardians are encouraged to sign-up.
4. Conveying Messages to Teachers: Teachers may be contacted most efficiently via their CPSB email account. If you are unable to email a teacher, please contact the office. Please respect the personal time of teachers. Conducting school business by contacting staff members through social media accounts or texting is not permitted. All school business should be conducted through CPSB e-mail.
5. Conveying Messages to Students: We value and protect instructional time. Immediate messages will only be relayed to students in the event of an emergency. Changes of transportation messages need to be called to the office before 2:00 to ensure the message reaches your child. Transportation changes should be a rare event.
6. Conveying Messages to Parents/Guardians: Students are responsible for relaying school notes and graded papers to their parents/guardians. Systems are in place in each classroom to assist with organization and efficiency of these materials.
7. E-mails and phone calls are expected to receive a response within 48 hours.
8. We encourage a team approach to ensure success for each child. Please feel free to set up a conference, contact our counselor, or meet with administrative staff at any time to address concerns or highlight accomplishments.

HOMWORK

Homework is designed to support the learning process and reinforce subject matter taught at school. It is the student's responsibility to complete all homework and turn it in as assigned.

As stated in the absence policy, daily missed work and homework must be requested by 9:30 AM. Work may be picked up after 1:30 PM.

CHECKING SCHOOL BAGS/FOLDERS

It is important that student's book bags and folders are checked each day. Graded papers will be sent home each Tuesday and must be returned with a parent signature each week. Parents/guardians are encouraged to promptly respond to a teacher's request for signatures, conferences, supplies, etc.

TEXTBOOKS

Student textbooks are issued each year. It is the responsibility of the student to return the same textbooks issued in acceptable condition at the close of the school year. Lost or damaged books must be paid for at the close of the term.

MONEY ENVELOPES

When sending money to school for various purposes, please place the money in a sealed envelope or zippered bag with the child's name, teacher's name, amount enclosed, and the specific use intended.

LOST AND FOUND ARTICLES

Parents/guardians are urged to put names in all jackets, coats, etc. brought to school. The Lost & Found area is located near the gym. Students are encouraged to look for lost items on the hooks. Unclaimed items will be donated to charity at the end of the term.

Any item that becomes a distraction will be confiscated. **"Smart" watches/devices** that are a distraction and/or used inappropriately will be confiscated. Disciplinary action may be used at the discretion of the administration.

DRESS CODE

Sticker tattoos are not permissible. Henna tattoos done during religious celebrations are permitted. Parents must notify the school prior to the celebration and present a letter for their religious leader prior to the celebration.

CLASS FEES

Fees are designated for classroom supplies and are collected at the beginning of the school year. There will be a \$2 replacement fee for any lost ID tag.

FIELD TRIPS

Prien Lake students are afforded the opportunity to participate in numerous field trips. These trips are an extension of the curriculum for each particular grade level. The appropriate fees must be paid before a student is allowed to attend a field trip, including class fees, cafeteria bills, and extended day balances. The student must also have a permission slip signed by a parent/guardian. Permission Slips and payments must be made by the deadline shared. The school office cannot accept verbal permission over the phone for a child to attend a field trip. All students in the class must travel on the bus with the teacher to the field trip.

Chaperones for field trips are occasionally required. In this case, it is most often asked for parents/guardians to provide their own transportation. PTO

Our Parent Teacher Organization is active and open to all parents, grandparents, and supporters of Prien Lake. Multiple opportunities are available throughout the school year to volunteer in various areas around the school. Statistics indicate that children perform much better in school when their parents are involved in school activities. We appreciate the support!

District & State Policies

SEXUAL HARASSMENT POLICY

The School Board recognizes that peer sexual harassment is a form of prohibited discrimination and can contribute to an unacceptable educational environment. The Board, therefore, will not tolerate any sexual harassment on the part of any student towards another student. All reports of such behavior shall be received and properly and adequately investigated. Students in violation will be subject to disciplinary action. For more information or to report sexual harassment, you may contact Dr. Felicia Coleman, Title IX Coordinator.

PRAYER POLICY

CPSB shall permit school authorities of each school to allow an opportunity, at the start of each school day, for those students and teachers desiring to do so to observe a brief time in silent prayer or meditation.

Public schools shall be prohibited from adopting or using any official or standard prayer. Voluntary, student-initiated, student-led prayer in accordance with the religious views of the student offering the prayer may be permitted. No student attending the school shall be required to participate in any religious activity at school.

No law, rule, or policy shall deny to any student attending a public elementary or secondary school the right to participate in voluntary, student-initiated, student-led prayer during school or on school property, before or after school, or during free time. Athletic teams shall not be prohibited from engaging in voluntary, student-initiated, student-led prayer.

No law, rule, or policy shall prevent any student who attends a public elementary or secondary school and who is responsible for or presiding over a meeting of a school organization or assembly from calling upon a student volunteer to offer an inspirational quote or statement, offer a voluntary prayer, or lead in silent meditation, at the sole option of the student volunteer.

A student organization shall not be denied recognition or any privilege or benefit solely because it is religious in nature, has a religious affiliation, or has no religious affiliation.

When student volunteers are called upon to offer an inspirational quotation or statement, offer a prayer, or lead in silent meditation, such students shall be selected at random by a student from among student volunteers without respect to their individual religious beliefs or lack thereof. No student shall be called upon to offer an inspirational quotation or statement, offer a voluntary prayer, or lead in silent mediation unless the student chosen has volunteered to do so.
