Library News:

Thank you all so much for your support for Camp Read-A-Lot. We had a wonderful turn-out and the students had a great time.

Remember the last day for students to take AR tests for the 3rd nine weeks is March 11th.

Be on the lookout for information regarding Storybook Character Day.

Administrator's Corner:

We loved seeing all of our students and their families at Camp Read-A-Lot. We hope you enjoyed reading with your students. We are steadily preparing for state testing in April. As we continue through this school year, please continue to support your child in their learning. Praise them for good behavior, help them with homework, and tell them to try their best each day. Doing these things lets your child know that you care about them and their education. Go Stingers!

If your student purchased a Rabbit Festival T-shirt, those shirts can be worn on Fridays with uniform bottoms.

Back to Family Challenge: TIME

Time is not a renewable resource. There's no credit system for time. Once it's gone, it's never coming back. It can't be stockpiled, saved for later, or stretched out. Time, as the old proverb goes, "waits for no man." Back to Family Challenge: Plan a warm meal together and let each family member help from the table decorations to the actual food preparations and cleaning up.
