

Grading Updates for **Full-Time ONLINE Students**

- **How many Odysseyware assignments am I required to complete?**
 - As a full-time online student, you are required to complete all online courses on your schedule in their entirety to receive credit.
- **What are the deadlines for Odysseyware assignments?**
 - All online work for the 1st and 2nd nine weeks will be due at the end of the 2nd marking period.
 - All Odysseyware coursework for the 3rd and 4th marking periods will be due at the district's set deadlines for those marking periods.
 - The program-set deadlines in Odysseyware are not accurate since you have until the end of the 2nd marking period to complete any Odysseyware work from the 1st and 2nd marking periods.
- **When will I get my report card?**
 - There will not be a report card for the 1st marking period.
 - You will receive your first report card at the end of the 2nd nine weeks. This report card will have grades for both the 1st and 2nd marking periods.
- **Where do I go to see my current grade in the class?**
 - Check Student Progress Center for an accurate reflection of your grade.
 - Odysseyware does NOT reflect the correct average for your grade. It ONLY averages what assignments you completed and does not consider assignments that you did not do.
