

Attention CPSB Students: Register for Virtual Camps!

hosted by the CPSB Technology Dept

REGISTER NOW - SPACE IS LIMITED!

Virtual Coding Camp for Grades 3-8

- **June 15-26** (Registration deadline June 10th)
- **July 6-17** (Registration deadline July 1st)

Virtual Minecraft Camp for Grades 6-12

- **July 16-30** (Registration deadline July 10)

CPSB Tech Department staff and CPSB teachers will facilitate all camp sessions through Blackboard and hold scheduled live daily lessons, facilitate activities and projects, and provide live office hours for support and assistance.

Virtual Coding Camp (This camp will be offered twice.)

CPSB students learn together in an online environment to develop programming, problem-solving and critical thinking skills. Campers need a computer with an internet connection to participate. Elementary grade campers will learn how to get started with visual programming to create interactive stories, design animations, and make mini-games. Middle to high school campers will get started with visual block coding to design games, animation, and music. They will then move to solving text-based coding problems in JavaScript and Python. There are 2 sessions of this camp from which to choose—each provides the same content. Campers will be placed in grade-level appropriate session groups.

Virtual Minecraft Camp

CPSB students engage in the world of Minecraft EDU to expand their engineering skills and learn together in an online environment. They'll learn how to use the power of Redstone to engineer and design mechanisms in the Minecraft EDU world. Campers will also create mini-games while learning the fundamentals of game design.

The cost to participate is \$50.00 per child per session. Completed forms for each participating student and payment must be received by the deadlines as indicated above to participate. Student slots at camp are limited. Camp enrollment is first come, first admitted. Once registered, a confirmation email with instructions for participation will be sent to parents/guardians and students through their CPSB email. If a student doesn't know their email address or CPSB username and password, contact phyllis.derise@cpsb.org or call 217-4357.

Mail or deliver \$50 check made payable to CPSB with the completed registration form before session deadline to:

CPSB Technology Department
ATTN. Nancy Rougeau
1724 Kirkman Street, Lake Charles, LA 70601
Call 337-217-4120, ext. 1030 with questions

Enrollment is limited—Be sure to return the completed registration form before the registration deadlines as indicated above.

CPSB Technology Department Virtual Camps 2020 Registration Form

The CPSB Tech Department will hold two Virtual Camps this summer, Virtual Coding Camp and Virtual Minecraft Camp. Both camps are open to CPSB students only. The cost to participate in each camp is \$50 per child.

Registration form and payment must be received by the deadlines to participate. Camp enrollment will be filled on a **first-come, first-admitted basis** with **limited registration**. Once registered, a confirmation email with instructions for participation will be sent to parents/guardians and students through their CPSB email.

Registration form and the registration fee are due no later than dates listed below. Checks or money orders (no cash accepted) should be made payable to CPSB.

Virtual Coding Camp

Session 1: June 15th – June 26th | Grades 3-8 | Registration deadline is June 10th
OR
Session 2: July 6th – July 17th | Grades 3-8 | Registration deadline is July 1st

Virtual Minecraft Camp

July 16th – July 30th | Grades 6-12 | Registration deadline is July 10th
