

Dolby Beta Club

Service Point Opportunity

Dolby Elementary School
817 Jefferson Dr.
Lake Charles, LA 70605

Beta Club students will create thank you cards for all Veterans that attend the Dolby Veteran's Day Program on November 9, 2023. For every 2 cards created, students can earn one service point. Cards must be done neatly and with quality to be counted toward service points. (You may be creative, but make sure the cards are legible and pleasing to the eye.) Sign each card from Dolby Elementary. Please send cards with service points slips so Beta Club sponsors know who to give points to. **Cards are due by Thursday, November 9th**. NO EXCEPTIONS. This is a REQUIRED service project for Beta Club students. *Failure to turn in at least 2 cards will result in loss of Beta Club privileges.*

We will also need Beta students to serve as ushers during the Veteran's Day program. Ushers will receive one service point on the day of the program. These students will greet Veterans and guests and walk them to their seating location. These students will also hand out the Thank You cards that are made for the Veterans. Students who are in Chorus will not be able to serve as ushers during the program. If you would like to serve as an usher, please complete the form below. Ushers will be assigned on a first-come, first-serve basis.

Veteran's Day Usher Application Form
