

SQUAWK TALK

A NEWSLETTER FOR THE R.W. VINCENT COMMUNITY

We are LEAPing into testing here at RW Vincent! Our students have been working very hard in class since October and now it is time for them to show what they all that they have learned. At home you can help your student be prepared to LEAP into success with a few simple habits:

- **Get a good night's sleep!** A well-rested brain works better!
- **Eat a healthy breakfast!** We can help with this, arrive before 7:40am and we'll be happy to feed your student!
- **Be prepared!** Pack your backpack, pick out your clothes, or pack your lunch the night before!
- **Arrive on time!** School starts at 7:40am. Rushing around makes you worry, so give yourself plenty of time!

We are very proud of all our Eagles! During the month of March, they were challenged to earn 10,000 PBIS points to reach a goal of 20,000 points by March 31st. On March 31st our Eagles had earned 20,290 points!!!! For reaching their goal all students earned a special treat (a fruit roll-up) on April 1, 2021.

Family Challenge

STEM-To-Geaux is our April Family Challenge, and it is in honor of Earth Day! On April 22nd, Earth Day, students will receive their STEM-To-Geaux bag to complete their experiment. Please post pictures on the RW Vincent Face Book page post related to Earth Day and the STEM-To-Geaux April Family Challenge!
