Notes about Materials in Odysseyware

English- All texts are embedded in the English courses.

Science- Some experiment videos say you need supplies; however, you can complete all science assignments without any additional supplies.

Math- A calculator, protractor, compass, and ruler may be needed to complete assignments. You will find an electronic version of these here <https://www.desmos.com/> . For additional math video lessons, excellent resources are <https://virtualnerd.com/> and <https://www.khanacademy.org/math>.
