Traffic Concerns

Due to the size of our school and our location, traffic is very congested. Doing the following will help the situation:

- Have your child ride the bus as much as possible.
- Get an early start in the morning.
- When dropping off your child have them ready to depart the vehicle as soon as it stops.
- When picking up your child, display the child's name card to the duty teacher.
- After you pick up your child in the afternoon, please exit west of the school. You will be able to turn east or west at HWY 378.
- Do not drop your student off at any business on School Street.

THANK YOU !

Thank you to our fabulous PTO for buying the large storage containers filled with footballs, basketballs, soccer balls, and latex free balls for the playground. Also thank you for the awesome updates made to the courtyard and pavilion areas. We have the best PTO!!!

CPSB District-Wide Elementary Dismissal Procedures

In order to protect our elementary students from any potential unsafe situations, CPSB has adopted a parish-wide dismissal procedure. We have so many new students, new parents, and various custody arrangements, that it was imperative we examine our needs and create a safety plan that would ensure students were dismissed and transported home safely.

- In order to decrease the added activities at dismissal and the communication issues due to timing, **schools will not accept phone calls after 2:00 p.m.** informing them how the child is to get home that day. **It is important that you let your child know in the morning how they will get home.**
- There will be **no check-outs after 2:30 p.m.** unless it is an **emergency situation**. In the event of an **emergency**, please contact your school principal. Otherwise, please wait in the car line for your child.

****Parents do not park in the Southern Heritage parking area at any time.**
