

Dear Parents,

We know this is a trying time for everyone right now but please know that the 1st grade teachers and everyone at Henry Heights Elementary are here to support you and your child! Included in these learning packets are skills for your child to practice their reading fluency, comprehension, math fluency, and math skills that we have already learned. Answer keys are included for your support. The work included in these learning packets are not required, but we hope it will help bring structure to your daily routine.

Throughout this time, please don't hesitate to email us if you have ANY questions or concerns! We've got this!

We love you and miss you! Stay safe!

Love,
1st Grade Teachers
