

Office 365 Resources

Downloading the Office 365 Apps

<p>1. Go to http://office.cpsb.org and click Sign In.</p>	 A screenshot of a web browser showing the Office 365 login page for CPSB. The URL is http://office.cpsb.org. The page has a "Welcome to Office" header and a "Sign in" button highlighted with a yellow box.
<p>2. Sign in with your CPSB username and password. This is the same username and password used to login to CPSB computers at school.</p>	 A screenshot of the Microsoft sign-in page. It shows the Microsoft logo, the text "Sign in", and a field for "Email, phone, or Skype". There are links for "No account? Create one!", "Can't access your account?", and "Sign-in options". A blue "Next" button is at the bottom.
<p>3. Click the Install Office button</p>	 A screenshot of the Office 365 dashboard. It shows a "Good afternoon" greeting and a row of application icons: Start new, Outlook, OneDrive, Word, Excel, PowerPoint, OneNote, and SharePoint. The "Install Office" button in the top right corner is highlighted with a red box.
<p>4. Select Office 365 apps.</p> <p>Select Other Install Options if you wish to install a different language.</p>	 A screenshot of the Office 365 installation options menu. The "Install Office" button is at the top right. Below it, the "Office 365 apps" option is highlighted with a red box. It includes the text "Includes Outlook, OneDrive for Business, Word, Excel, PowerPoint, and more." Below that is the "Other install options" option, which says "Select a different language or install other apps available with your subscription."
