## Destiny Online Library Catalog (Grades K-12) |

Select School  | Help

*Destiny Quest engages students in a visually appealing and highly graphic online searching experience to help them easily locate and identify appropriate resources within the library catalog of their local school. With Destiny Quest, students can see the top ten books and new arrival titles highlighted on the homepage, search the library collection, browse the scrolling carousel of bookshelves, view book covers, and link to title details from any computer with an Internet connection. They can refine their search results by author, subject, series and more, and find the best titles for their interests or reading levels.*

## Gale Resources Grades (K-12) | Help

*Gale, part of Cengage Learning, has e-research and educational publishing resource databases of all kinds. Gale has wonderful reference content as well as full-text magazine and newspaper articles, maintaining more than 600 databases that are published online, in print, as eBooks and in microform.*

## Teaching Books (Grades K-12) | Help

*TeachingBooks.net is a licensed online database that can be used to explore children's books and young adult literature and their authors. The database provides access to educational materials and programs (short movies, audio book readings, book discussion guides, and more) that add a multimedia dimension to reading in the classroom, library, and home.*

## World Book Online (Grades K-12) | Help
