

Athletic Eligibility Report

This report will show the athletic eligibility for student athletes. The program will show the color red in the blocks and indicates that the data is possibly not in compliance with LHSAA guidelines. This report uses a 4.0 scale.

**The students need to be tagged with a sport using the Sports List for this report to be accurate.

On the left navigation panel, select **Grades > Lists > Athletic Eligibility**.

Setup Options

 A screenshot of a "Setup-12.02.2019" dialog box. It contains several fields and options:

- Year: 1920 (dropdown)
- District: 010 (dropdown)

- Grade: (text field)
- Gender: (text field)
- Ethnic: (text field)
- Sport: FTB Football (dropdown, highlighted with a red box)
- As Of Date: Dec 16, 2019 (date picker, highlighted with a red box)
- Sped: All (radio button selected), Sped Only, Non Sped
- GPA Type: Alpha Raw (dropdown, highlighted with a red box)
- Skip Codes: 02,48,18,06,66,17,62,03,6... (text field)
- From Date: Aug 13, 2019 (date picker, highlighted with a red box)
- To Date: May 21, 2020 (date picker, highlighted with a red box)
- OK button

Skip all D,
N, P codes,
18, 48

Use current
date

Use start
to the end of
school

Year - Defaults to the current year. A prior year may be accessed by clicking in the field and making the appropriate selection from the drop down list.

School - Default value is based on the user's security settings. If the user is assigned to a school, the school default value will be their school site code.

Grade - Leave blank or select all to include all grade levels. Otherwise, choose the desired grade.

Gender - Leave blank or select all to include both genders. Otherwise, choose the desired gender.

Ethnic - Leave blank or select all to include all ethnicities. Otherwise, choose the desired ethnicity.

Sports - Click in the field to the right of **Sports** to select the desired sport(s) to view.

As-of-date - Limits the list to those students who are actively enrolled as of the date selected.

Sped:

All - Select to view all students.

Sped Only - Select to view only Sped students.

Non Sped - Select to view only non Sped students

Skip Codes - Choose attendance codes to not use for the report.

Calcasieu skips D, N, P, 18 & 48.

From Date - The from date used to calculate the number of unexcused absences and discipline information.

To Date - The to date used to calculate the number of unexcused absences and discipline information.

Show Options - This limits Special Education information on the report.

OK - Click to continue.

Main Column Headers

	SIDNO	Student Name	GD	Gen	Eth	Age	New	CUE	GPA	BC	SSN	Att	P1	P2	P3	S1	P4	P5	P6	S2	F1	C G...	ISS	OSS	Det
1	<input type="checkbox"/> 9109969	ARDOIN, STEPHANIE C.	07	F	0	14	No	0.0	0.000	No	6884	7.0													1

SIDNO - Student's identification number

Student Name - Student's full name

iGear - Use the iGear to get a multitude of information for the student.

GD - Student's grade of enrollment

Gen - Student's gender

Eth - Student's race/ethnicity

Age - Student's age as of September 1st

New - New students to the school

CUE - Credits earned last year

GPA - This is last year's grade point average. The color red in the blocks would indicate that the data is possibly not in compliance with LHSAA guidelines.

BC - Birth certificate posted - yes/no

SSN - Last four digits of the social security number

Att - Total number of full day absences based on the setup box date range - It calculates the attendance for the student and shows the full day count (Full day + 1/2 day amount....12.5 for example)

P 1-6 - Current grading period GPA

S 1-2 - Current semester GPA. Only shows if grades have been calculated.

F 1 - Current final GPA. Only shows if grades have been calculated.

C GPA - Student's cumulative GPA of the current school year (not past years)

ISS - Total number of ISS suspension referrals - The From and To Dates filter the referrals using the actual Referral Incident Date from Referral Page 1 of [Discipline Posting](#).

OSS - Total number of OSS suspension referrals - The From and To Dates filter the referrals using the actual Referral Incident Date from Referral Page 1 of [Discipline Posting](#).

Det - Total number of detention referrals - The From and To Dates filter the referrals using the actual Referral Incident Date from Referral Page 1 of [Discipline Posting](#).
