Let Us Lead by Serving Others

Well, we get to share more great news with you today. College Oaks Elementary has received another donation from a fellow school within the state, but this time, it is a monetary donation. A Jr. Beta Club out of Covington, Louisiana, led by sponsor Cheryl Holsten, recently held a "Pajama Day" at their school to raise funds to donate to our school. This event raised \$600! All proceeds will be placed in our PBIS funds and used to purchase individualized games and incentives to recognize our College Oaks students for exhibiting positive behavior throughout the year. We are so very thankful for our neighboring communities who have felt led to offer support to our school as we recover from Hurricanes Laura and Delta.

Remind

Check with your child's teacher to receive the access code information for the classroom Remind.

School Spirit Gear

Masks with the College Oaks Elementary school name and logo will go on sale starting Monday, November 30th. You can make your purchases using the online payment portal located under the Parents tab on the CPSB website. All masks are \$10 each and are available in small or medium size. Small seems to be most fitting for our Prek, K and possibly 1st graders. The medium size fits kids and adults. We only have one color option which is black.

Waterford & Successmaker Home Access

Flyers are being sent home today with information on how students can access two of our main remediation and supplemental computer-based programs that can now be used not only in the school setting but away from school too. Please check out the flyers for access information. Waterford is primarily use by our PreK through 2nd grade students and Successmaker is for our 3rd through 5th grade students. If you have any further questions about either program, feel free to email your child's teacher or our Computer Lab Manager, Ms. Roishetta Ozane at roishetta.sibley@cpsb.org.

Car Dismissal Tags

Please, if at all possible, we ask that when picking up your child at dismissal through the car rider line, use your car windshield hangtag. If we can see the names displayed on the tag, it helps the line move quicker and more efficiently. Feel free to let us know if you need another tag.
