Announcements

College Oaks Elementary Student of the Year

We are very proud and excited to announce the student to represent College Oaks Elementary as Student of the Year in district level competition is Carman Ledoux. Carman is a hard worker, a natural born leader, and an enthusiastic learner. She always shines bright as a star with the sweetest smile that you can still sense is there behind the mask. Way to go Carman!

Our runner-up student is Jayden Ryan. The other student of the year nominees were Jayme Williams, Marcos Juarez, and Everett York.

Check with your child's teacher to receive the access code information for the classroom Remind.

Twas the Week Before Christmas

As the excitement builds from anticipating Christmas and our winter break, the COE Staff decided to provide a special treat for all of our families each night next week. So, are you ready for some quality family time? Check out our COE Facebook page each night around 6:00 PM to see teams of staff members share some of their favorite Christmas books with you. And to really make your time together as a family even more special, we plan to send home packets of hot chocolate and candy canes with students on next Monday so that you can make mint flavored hot chocolate to enjoy as you view and listen to these special recordings from our COE staff. All recordings will have close-caption capability.

Schoolwide Pajama Day

Friday, December 18th is schoolwide pajama day. Students and staff may choose to wear school appropriate pajamas to school with or without robes. If you add slippers, they must have closed backs and closed toes to prevent injuries. This will also be our class party day. All parties will not take place until after 12 noon and each teacher or grade level has put together specific information to be sent home regarding their parties. Just a reminder, due to COVID safety protocols, we will not be able to allow any visitors on campus. The parties are for students only. We thank you in advance for your understanding and how well you all have been doing in helping us adhere to safety measures that we have put in place to ensure our students and staff are as safe as possible.
