Contact Information

Let's keep in touch

Saying in touch is very important! Please feel free to contact me via email if you have any questions or concerns. I can usually respond more quickly than if you call and leave a message at the front office. I want to work with you and your student so we can have a successful year! If you would like to schedule a conference, just call the counselors' office.

Supplies.

All I ask is that you come to class with EVERYTHING you need every day. This includes the following:

- ✓ A GREAT Attitude!
- ✓ Binder
- ✓ Dividers
- ✓ Paper
- ✓ Pencils Only

Please try to have supplies by Tuesday, August 17. If you need assistance see me privately.

Class Announcements

Students and Parents will receive emails and text messages from Students and Parents will receive announcements through email and text through Canvas and Blackboard Communications (BBCOMMs). I will send reminders of homework, quizzes, and other course information.

How much homework will we have? Persevere! Giving up is not an option.

You will have homework. It is important to learn the steps for solving math problems. This year we will practice some strategies where the answer is given, and your homework will be to determine the steps needed to get to the answer. Also, you will need to study for tests. **My promise to you is this:** You will not have busy work! Everything you do in this class will be graded or will lead to a grade. I respect your time.

School /Make Up Policy
