EDUCATION :

McNeese State University – Lake Charles, LA

M.ED in Educational Technology & Leadership, 2011

BA in Elementary Education, 2000

BA in Special Education (Mild/Moderate), 2000

EXPERIENCE :

I began teaching in 2001 and have over 20 years of experience that includes teaching students in grade levels ranging from 1st through 12th. I have also worked in roles as a Lead Teacher and Teacher Coach.

PROFESSIONAL MISSION:

- To sustain a safe, nurturing environment in which I meet the unique developmental needs of both teachers and students
- Collaborate freely to ensure every student develops confidence, competence, and independent capacity through appropriate instruction of the curriculum
- Provide students an opportunity to build a more productive future in a technology-based society.
