#### OUR MISSION

The mission of the Kay Doré Counseling Clinic is to provide affordable, confidential behavioral health counseling services for the Southwest Louisiana adult and child population, as well as to provide a training facility for counseling graduate students at McNeese State University.

#### OUR CLIENTS

We work with adults, adolescents and children. We offer individual, couples, family and group counseling.

#### COMMON ISSUES ADDRESSED

- anger and stress management
- anxiety, depression, grief and self-esteem
- communication and relationships
- adjustment and life transitions
- time management and work
- autism spectrum disorder
- and more
