

# Great FREE Apps

## for iPads purchased after September 1, 2013

If you received an iPad purchased after September 1, 2013, you are eligible for FREE productivity apps from Apple!

To get the apps free of cost, you must update the new iPad to iOS 7; then, go to the app store and search for the apps. Tap the "FREE" button to download.

If the app shows a cost instead of "FREE," that particular iPad is not eligible for the free app.
