Components and Requirements of the Early Graduation Program

Appropriate completion of high school shall not be withheld from a student if the student has met all academic and attendance requirements.

However, students must earn all required credits with appropriate documents signed by parents confirming an approved pathway to completion as outlined in graduation requirements (Bulletin 741) at the time of graduation.

In order to encourage and facilitate early graduation of students seeking such completion, the district has modified its own policies and practices in the following manner:

- Credits earned during the middle school years will be immediately counted in the credits required for high school graduation.
- The district will allow reasonable access to the following:
 1. New credit acquired in the summer
 2. High school credits in middle school
 3. Transference of credit from accredited/approved schools
 4. Advanced Placement courses opportunities
 5. Dual enrollment articulation from accredited/district approved post-secondary institutions

(Some access may require financial contribution on the part of the student in following an accelerated path.)
