

CPSB R3 Zone Goals

1. By the end of the third year of the Redesign Grant, the SPS of each zone school rated an F will grow a minimum of 16 points from their projected 2018 SPS and D rated schools will grow a minimum of 12 points.

Yearly SPS growth targets will be assigned to each zone school by dividing the total points of expected growth by the number of years remaining in the grant.

Example: School A has a current projected 2018 SPS of a 54.0 "D". When the 2017-18 letter grades are assigned, their SPS grows 2 points to 56.0. The 10 points of growth needed to reach the school's goal is divided by the three remaining years of the Redesign Grant which gives them a growth target of 3.3 points for the 2018-19 school year.

2. The percent of students scoring mastery or above on State standardized assessments will increase at the following levels over the three years of the grant:

The number of zone students in grades 3-8 achieving Mastery on LEAP Assessments will increase by at least 3% each year of the Redesign Grant.

High School zone students achieving Mastery on EOC Assessments will increase from 12% in 2017 to a minimum of 24% in 2021.

The combined ACT and Work Keys index of each zone high school will increase by at least 3 points each school year.

3. By 2021 the Cohort Graduation Rate at zone high schools will increase by the following amounts:

Washington Marion High School: 61.6% to 70%

LaGrange High School: 74.4% to 78%

4. Each zone school will earn the following composite scores on the Qualitative Indicators of their end of the year TAP School Review Summary Report conducted by NIET:

2018-19 school year – 3.0 or higher

2019- 20 school year – 3.5 or higher

2020-21 school year - 4.0 or higher

5. At the beginning of each school year, 90% or more of teachers in zone schools will be certified in the area in which they teach.

6. Attendance Goals:

- The average daily attendance rate each year for teachers in zone schools will be 90%.
- The average daily attendance rate each year for students in zone schools will be 93%.

7. Zone schools will score 90% or higher each year on the SWPBIS Tiered Fidelity Instrument.

8. Principals at each zone school will earn a rating of 3.5 or higher by their faculty members on the McRel Leadership Responsibilities Survey.
