

## 2<sup>ND</sup> ANNUAL W.T. HENNING

# Zearn-a-thon Fundraiser

W.T. Henning will be having a Zearn-a-thon again this year!

Please allow your child(ren) to join us the week of March 21-25 as we complete Zearn Math Lessons and raise money for our school!!! Students will complete Zearn digital lessons and earn fun treats along the way!

There will be prizes awarded for various levels of money raised:

- Gold (\$150) - Special Zearn-a-thon T-shirt, catered lunch with the principals, and the opportunity to win a new bike
- Silver (\$100) - Special Zearn-a-thon T-shirt and a pizza party
- Bronze (\$50) - Special Zearn-a-thon T-shirt
- All students who participate with at least a \$10 donation - popcorn treat

WAIT!! There's MORE!!

The class that raises the most money AND the class with the most lessons passed will be rewarded with an extra recess and ice cream!

AND...students who complete and pass 4 or more lessons during this week will earn a fidget toy or pop-it!

All money collected for this fundraiser will be used to support school programs, buy classroom materials and technology, and to keep our campus in top shape!

Collection envelopes will go home once the student's permission slip (the bottom of this form) is signed and returned to school.

All money for the Zearn-a-thon will need to be turned in by March 30

I give my child \_\_\_\_\_ permission to participate in raising money for the Zearn-a-thon at W.T. Henning Elementary. By signing below, you give your child's teacher permission to send home a collection envelope. Please return this permission slip by Wednesday, March 16

Student Shirt Size: \_\_\_\_\_ Teacher Name: \_\_\_\_\_

Parent Signature: \_\_\_\_\_

# What is Zearn?

Zearn is a digital platform with a mission to help every child learn and love math. In our classrooms, Zearn helps personalize learning for every student. It does this in a couple of ways. Our students learn and practice math with engaging digital lessons that challenge and support them precisely when they need it. Zearn also helps our teachers spend more time teaching in small groups, focusing on exact areas where their students need support. If you would like to learn more about Zearn, visit their website at [www.zearn.org](http://www.zearn.org), scroll down, and view their orientation video...or ask your child for all of the exciting details!!

# What is a Zearn-a-thon?

A Zearn-a-thon is a fundraiser where students obtain pledges from parents, relatives, neighbors, friends, businesses, etc. for completing Zearn digital lessons! The Zearn-a-thon will run for 1 week, and students are expected to complete at least 4 lessons during this week. Pledgers can pledge a certain dollar amount per lesson completed or they can donate/sponsor a student for a flat dollar amount. The more math lessons we complete, the more money we raise! What a great way to support math education and raise money for our wonderful school! Students will collect money for flat donations the week of March 21-25 and money for pledges when they complete their Zearn lessons.

All money will be turned in by March 30.

# Oh...and...it's a COMPETITION!

This year, we have turned the Zearn-a-thon into a friendly competition with other elementaries in the area. The school with the highest percentage of participation will be crowned the winner! Let's show off our math skills and raise some money for our wonderful school...oh...and earn some bragging rights along the way! 😊
