

W.T. HENNING RETURN TO SCHOOL INFORMATION

1. **Rock & Roll on by** - In lieu of Meet & Greet we will host a Rock and Roll on by. You are encouraged to drive through the car line during your child's assigned date and timeframe based on grade level. We will collect your child's supplies from you and deliver to his/her homeroom. Please see our website or FB page to view the schedule for this event.
2. **Meet the Teacher** – In lieu of a face to face meeting, teachers will hand out a Meet the Teacher flyer during our Rock & Roll on by event, or teachers will post virtual Meet the Teachers via video on their Blackboard sites.
3. **Rosters** – Rosters will be posted on the front office windows August 14. Please use social distancing when walking up to view these rosters.
4. **New Student & Kindergarten Registration** – Please see our previous FB post or visit our web page for information regarding registration.
5. **First Day** – The first day of school is Monday, August 24. Parents will not be permitted to enter the building. Your child's temperature will be taken in their homeroom class, as this will be done daily.
6. **Masks** – Students will be required to wear a face covering during arrival, transitions, dismissal, and on buses. Students in grades 3-5 will be required to wear face coverings during instructional time. For elementary students, you are permitted to personalize your child's mask. Masks may have graphics on them; the graphics must be school appropriate and not an instructional distraction. All students will be provided with a breakaway lanyard to hold masks while they are not in use. Face shields are not permitted.
7. **Water Bottles** – Your child is encouraged to bring their own water bottle from home to avoid using the water fountains at school, if possible. The water bottles can be personalized as long as it is school appropriate and not a distraction to instruction. We will have a water refill station in place of water fountains.
8. **Visitor Lunches** – Due to COVID-19 precautions, visitor lunches are not permitted at this time.
9. **Conferences/Meetings** – Parents will not be permitted to go beyond the office area, unless they have a scheduled appointment with an administrator or their child's teacher. Prior to the scheduled conference, visitors will be asked precautionary questions, their temperature will be taken, and a mask must be worn. Masks will be worn by school personnel as well.

Thank you for your continued support and patience as we work to provide the safest return for our students, faculty, and staff. Please continue to check our Facebook page and webpage for updates.
