**September 5, 2019**

## Key Components of Our School Improvement Plan

- Implementation of approved Tier I curriculum and assessments aligned to the Louisiana State Student Standards.
- Extensive training for our teachers in the use of the curriculum and assessments being implemented.
- Implementation of the Teacher Advancement Program (TAP) to support our teachers in their efforts to improve their instruction and professional practice.

# School Performance:

## Understanding LEAP Achievement Levels

LEAP 2025 is divided into five levels of achievement. Our goal over the next several years is for every student to reach at least “Mastery” which signals readiness for the next grade level.

<b>LEVEL 5</b>		<b>ADVANCED</b>	<b>Exceeded Expectations</b>
<b>LEVEL 4</b>		<b>MASTERY</b>	<b>Met Expectations</b>
<b>LEVEL 3</b>		<b>BASIC</b>	<b>Approached Expectations</b>
<b>LEVEL 2</b>		<b>APPROACHING BASIC</b>	<b>Partially Met Expectations</b>
<b>LEVEL 1</b>		<b>UNSATISFACTORY</b>	<b>Did Not Meet Expectations</b>

# LEAP Trends Over Time

Ralph Wilson/JJ Johnson Elementary School

Subject - % Basic and Above	2016-2017	2017-2018	2018-2019
ELA	41%	46%	46%
Math	40%	46%	33%
Social Studies	20%	17%	24%
Science	33%	N/A	N/A

## Our School Redesign Goals

- The number of our students scoring Mastery or above on LEAP 2015 assessments will increase by 3% yearly.
- Our school's letter grade will rise to a "C" or higher by the end of our three year plan.
- At least 90% of our teachers will be certified in the subject in which they teach each year.
- The average daily attendance rate for students will be 93% or higher.

# Working Together for School Improvement

We are committed to providing families with meaningful, two-way communication about our school's plan and your child's academic progress throughout the year. Here are ways you can partner with us to meet our plan's goals:

- **Communicate with us:** Contact your child's teacher or principal with questions about your child's progress, learning needs, or school events/programs through the Remind app.
- **Support learning at home:** Visit our Parent Center or attend an upcoming parent workshop to learn more about supporting your child's learning at home.
- **Promote Good Attendance:** Poor attendance results in loss of valuable instructional time.
