HAPPY BIRTHDAY!

Wishing the following OPE Eagles a very happy birthday:

- Brandon G.-12/2 D'Iyla A.-12/2 Karl J.-12/4
- Arianna K.-12/4 Angelea B.-12/4 Makynle E.-12/6
- Breonna L.-12/6 Kilynn J.-12/7

Welcome Back!

I hope that everyone had a wonderful Thanksgiving and is ready to get back to the task at hand-learning everything your teachers are teaching daily! We are working very hard every day to provide your child with the best education possible. Our motto at OPE is "Excellence is a way of Life!" we expect nothing but the best from our students every day and in turn we offer nothing but the best to our students! Parents make sure you are communicating with your child's teacher to ensure the best educational outcome possible! Please reach out to your child's teacher if you need to schedule a conference or have any concerns. Parents & Teachers working together equals great success for all students!

As the temperatures are colder please make sure your child has on a sweater or jacket in the mornings. If your child needs a jacket please contact the school counselor, Mrs. Jowanna Bellow so that we can find resources to assist our families.

Just as a reminder in the mornings please make sure you turn down the heater in your car as you are waiting in the car drop off line. Sometimes the heater is causing a false temperature reading.

Thank you, parents we appreciate you!!

****School Fees Reminder****

Parents please do not forget to pay your child's school fees. The fee is \$15 and can be paid online or you can send exact cash to your child's teacher.
