**A Word from Mrs. St. Mary**

Thank you, to our wonderful grandparents for your great participation in our Grandparent's Day parade! We had a great turnout, and we were so happy to have an opportunity to honor our grandparents for all you do for our students and our school! We love and appreciate all grandparents!

## Meet our Master Teachers

At Oak Park Elementary we are so happy to have two outstanding Master Teachers, Mrs. A. Bellard & Mrs. I. Simien. These ladies work with all students and teachers to help our school grow! Our Master Teachers lead teacher collaboration meetings with the teachers to help ensure we get the best results from every teacher and student at OPE!

Mrs. Bellard works with our Enrichment & K-2 teachers and students!

Mrs. Simien works with our 3-5 teachers and students!

In our teacher collaboration meetings for the next week, we will be discussing the importance of goal setting based on data. Your child should be coming home with their individual goals they have set for this school year soon. When you see the goal sheet, please have a conversation with your child about the importance of the goal and how you will help them at home to achieve their goals!
