SCHOOL IMPROVEMENT
FAMILY MEETING
9/9/21

WELCOME & OVERVIEW

Welcome, **Oak Park Elementary** Families!

Here at **Oak Park Elementary**, our students are just as capable as any students across the US.

Every day, we are committed to ensuring that our students have the opportunity to grow and thrive so they can reach their potential.

To do this, we need a plan in place to ensure every teacher is prepared to provide every student what they need to be successful.

Creating a Plan for School Improvement

Therefore, as required by state and federal laws and regulations, we submitted a plan to the Louisiana Department of Education in the winter of 2021 to support our school's improvement.

We received approval of this plan from the Department in spring of 2021.

The key components of our plan that will lead to school improvement include:

- High quality curriculum and assessments in all grades
- High quality professional development for all teachers
- A teacher preparation partner to address our schools' greatest workforce needs
- Building school-based expertise through leadership roles (Content Leaders, Literacy Coaches, Mentor Teachers)
- A Professional Development Plan to ensure teachers are preparing for units and building content knowledge

Commitment to **Oak Park Elementary** Families

Our goal is to keep you informed, today and throughout the year, on the implementation of our school improvement plan.

Today, we'll provide information on:

- our school and student performance data that caused the LDOE to identify our school as being in need of improvement;
- an overview of our plan;
- timelines for implementation of our plan and attainment of performance goals; and
- implications of our plan for students, families, and educators.
