# BlueCare

*The doctor will see you **anywhere, anytime!***

## BlueCare Online Doctor Visits:

BlueCare is Blue Cross and Blue Shield of Louisiana's telehealth service. It lets you have doctor visits online, without taking time off work or school. BlueCare is 24/7 – no appointment needed – and open to you and any dependents (children, spouse, etc.) who are covered on your plan.

BlueCare is faster and costs less than going to an ER or urgent care clinic. It's a good way to treat minor health conditions like:

- Sinus infections
- Cough or cold
- Flu symptoms
- Rashes
- Allergies
- Bladder infections
- Pink eye
- Mild stomach bugs

You can also use BlueCare to get a prescription, to check in with a doctor if you need a follow-up visit, or when traveling. BlueCare providers are available in all 50 states.

## How it works:

1. Visit **www.BlueCareLA.com** or **download the BlueCare (one word) mobile app** on your iPhone or Android device.
2. On your first visit, create a member account. Log into that account each time you use BlueCare online or with the app.
3. Select a physician and connect. All physicians are U.S. trained and board certified.
4. Blue Cross customers should plan to pay at the time of the BlueCare visit. Depending on your plan type and benefits, you may get a refund from Blue Cross later.

## IMPORTANT NOTICES

**Special Enrollment under HIPAA**-certain events that happen to employees or their dependents trigger a right to “special enroll” in your employer-sponsored group health plan. Special enrollment generally means that the employee or dependent will have 30 days from the date of the event to request coverage in your group health plan, regardless of your open enrollment period. Special enrollment rights under HIPAA arise out of:

- o The loss of other health coverage; or an employer terminating contributions toward health coverage.
- o A person becoming a new dependent through marriage, birth, adoption or placement for adoption.

**Loss of other health coverage**-to have a special enrollment opportunity as a result of losing other health coverage:

- o You or your dependent must have had other coverage when you previously declined coverage under the group health plan.
- o If the coverage was COBRA continuation, special enrollment can be requested only after the COBRA continuation coverage is exhausted.
- o If the other coverage was not COBRA continuation coverage, special enrollment can be requested when you lose eligibility of the other coverage.

**Examples of events related to losing health coverage** include divorce or legal separation, dependent no longer eligible due to age, death of employee covered by the plan, termination of employment, reduction in hours of employment, plan no longer offers benefits, etc.

**30 days to request special enrollment**- the plan must provide at least 30 days to request coverage after the loss of other coverage or termination of employer contributions.

## SPECIAL ENROLLMENT NOTICE

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

### Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

**Example:** You waived coverage under this Plan because you were covered under a plan offered by your spouse’s employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this Plan.

### Marriage, Birth or Adoption

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

**Example:** When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this Plan. However, you must apply within 30 days from the date of your marriage.

### Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children’s Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

**Example:** When you were hired, your children received health coverage under CHIP and you did not enroll them in this Plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this Plan if you apply within 60 days of the date of their loss of CHIP coverage.

## NEW HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

Beginning in 2014, there is a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

## What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. The 2021 open enrollment period for health insurance coverage through the Marketplace runs from November 1, 2020, through December 15, 2020. Individuals must enroll or change plans prior to December 15, 2020 for coverage starting as early as January 1, 2021. After the open enrollment period ends, you can get coverage through the Marketplace for 2021 only if you qualify for a special enrollment period or are applying for Medicaid or the Children’s Health Insurance Program (CHIP).

## Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

## Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.78 percent of your household income for the year (9.86 percent for 2019), or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution-as well as your employer contribution to employer-offered coverage-is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

## How can I get more information?

For more information about your coverage offered by your employer, please check your summary plan description or contact \_\_\_\_\_. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

## IMPORTANT NOTICE FROM ABOUT YOUR PRESCRIPTION DRUG COVERAGE & MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with \_\_\_\_\_ and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

## There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. \_\_\_\_\_ has determined that the prescription drug coverage offered by \_\_\_\_\_ Health Group Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current \_\_\_\_\_ coverage will be affected. See plan SPD for more information about your prescription drug coverage provisions/options. If you do decide to join a Medicare drug plan and drop your current \_\_\_\_\_ coverage, be aware that you and your dependents will be able to get this coverage back.

#### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with \_\_\_\_\_ and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

#### For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through \_\_\_\_\_ changes. You also may request a copy of this notice at any time.

#### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ✓ All stages of reconstruction of the breast on which the mastectomy was performed;
- ✓ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ✓ Prostheses; and
- ✓ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov)

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877- KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.** If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020.
