Welcome back to another great year at LeBleu Settlement Elementary! We have so many fun and exciting activities planned for your child this year. Thank you for assisting in making this school year begin so smoothly! For all our new parents, the school-wide newsletter contains information about upcoming events, celebrations within our school, messages from our PTO, and lots of other information that will keep you aware of the wonderful things happening at LSE. I would like to take this opportunity to remind you about a few operational procedures that help the school function smoothly:

- All students should arrive at school between 7:00 and 7:45 a.m. The bell rings at 7:45. Any students arriving after 7:50 **must be signed in by a parent** in the school office and are considered tardy.
- Please adhere to the dress code policy. **Socks** (or stockings/tights for girls) are required and may be of any color **no emblem, logo or decoration** and must **cover the ankle and be visible**. **Belts** should be black, brown, navy blue, hunter green, or khaki with **no emblems, logo, or decoration**. Belts are required for students in grades 2-5. For the complete dress code policy, please visit our school handbook.
- If your child is a car rider, please place the name card where it is visible for all staff calling names and loading students in cars. This speeds up the process and allows everyone to know where each child needs to be placed. If you need a car tag, please email katie.hoffpauire@cpsb.org
- If you have a change in the way your child will be going home, phone calls need to be made no later than 2:00 pm. unless an emergency situation arises. It starts to get very busy during that time, and we need your help to ensure all our little ones are where they need to be.
- All students will be dismissed either in car line or bus line. For safety students are not to be picked up from the front doors. Students will not be dismissed from the front office or allowed to sign out between 2:30 p.m. – 3:15 p.m. We understand that circumstances do arise occasionally such as doctor appointments. In such situations, your child will be released. Our ultimate priority is the safety and well-being of your child. These measures have been taken to ensure that all students get home safely, and have been proven effective.

We look forward to working with you and your child and helping them reach their full potential. Every decision made at our school will be in the best interest of the safety and well-being of the students at LSE. We had a great turn-out for Meet and Greet and I just want to say WELCOME to what is certain to be an amazing school year. We look forward to working together.....united we can achieve great things!

In heartfelt service,
Melanie Brady,
Principal
