Other Board Members Present: Mack Dellafosse, Ron Hayes, Eric Tarver, Damon Hardesty, Chad Guidry, and Billy Breaux.

The C&I Committee Meeting was called to order at 5:00 pm. by Annette Ballard, Chairman. A quorum was present. The prayer was led by Mr. Hayes and Mr. Guidry led the pledge of allegiance.

Mr. Campbell introduced the first item on the agenda, which was a recommendation to create a K-5 STEM Magnet School at E.K. Key Elementary. After a brief description of the events leading up to the recommendation, Mr. Campbell introduced Ms. Laura LeDoux, Principal of E.K. Key Elementary, who then presented a PowerPoint presentation to the committee explaining how the school would be structured and the academic advantages a K-5 STEM Magnet Academy would provide for its students.

Following the presentation, a motion was made by Mr. Guidry and seconded by Mr. Hardy to accept staff’s recommendation to create a STEM magnet school for grades K-5 at E.K. Key Elementary that would serve students meeting the enrollment requirements from all elementary schools that feed Westlake, Sulphur, Vinton, Starks, and DeQuincy High Schools.

After a lengthy discussion, a motion was made by Mr. Dellafosse and seconded by Mr. Duhon to amendment the motion as follows:

All students across Calcasieu Parish, provided they meet testing guidelines will be allowed entry into the K-5 Magnet School at E.K. Key. After much discussion, a call for question was asked for by Mr. Dellafosse and seconded by Mr. Tarver. The amendment failed as follows:

The next item on the agenda called for the approval of a tuition funded option for all ineligible Pre-K applicants for the 2018-2019 school year as well as permission to hire a fiscal officer for collection and recordkeeping of tuition payments. Mr. Campbell gave a brief overview of action taken by the Board pertaining to Pre-K enrollment the previous year and their request for staff to present a tuition-based option for ineligible Pre-K students for the 2018-19 school year. Mr. Campbell then introduced Dr. Joubert, the CPSB Early Childhood Director, who presented a PowerPoint presentation that gave an overall analysis of the current Pre-K enrollment. Dr. Joubert also presented to the Board the cost per classroom to serve ineligible students and the amount of tuition per student it was projected to take to fund a tuition-based program at no cost to the district. The enrollment criteria and procedure for the 2018-2019 school year was also explained as well as the need to hire a fiscal officer for bookkeeping and collections.

A motion was made by Mr. Hayes and seconded by Mr. Dellafosse to approve staff’s proposal to create a tuition funded option for ineligible Pre-K applicants for the 2018-19 school year at a cost of $650 per month and for permission to hire a fiscal officer for collection and recordkeeping of tuition payments.

After a lengthy discussion, Mr. Guidry said he would like to withdraw his amendment and let Mr. Breaux’s amendment stand. By unanimous consent the Board agreed to withdraw Mr. Guidry’s amendment in favor of Mr. Breaux’s amend to set the tuition at $550 per month.

After a great deal of discussion, a motion was made by Mr. Tarver and seconded by Mr. Dellafosse to further amend the original motion by limiting the number of ineligible Pre-K students to 400 seats across the district, where room is available with a minimum of 16 students in each classroom. Mrs. Ballard offered the motion to approve, on behalf of the committee. A second was not necessary. Mr. Castille, with a second by Mr. Guidry, made a motion to amend the original motion to state that we should revert back to the way it was done this past year and that CPSB would open the program for 400 students and pay the school board’s price of $1,800,000, based on

Dr. LaFargue discussed Lunching with Law Enforcement.

Recently, the District Attorney’s Office, the Calcasieu Parish School Board, and local stakeholders announced new local initiatives regarding the targeting of youth violence. With this in mind, staff is recommending another layer of support to these initiatives. Our recommended initiative is called Lunching with Law Enforcement. This new initiative is a partnership between CPSB’s School Nutrition Program and local law enforcement agencies.

Lunching with Law Enforcement will bring law enforcement officers into school cafeterias twice a month to eat lunch with our students. Each agency is invited to send up to two (officers/deputies) per campus on the first and third Thursdays of each month during the school year. Lunch will be provided to (officers/deputies) at no cost. All they will need to do is show up and spend time with our students.

People and agencies working together is what builds a better community. The School Board’s goal through Lunching with Law Enforcement is to further strengthen the existing relationship between the community we serve and local law enforcement agencies. We are truly better together.

It’s been said more than once that raising a child takes a village. We are part of that village for over 33,000 students in our community, and so are the members of the (law enforcement agency).

There was much discussion on the subject.

On a motion by Mack Dellafosse and seconded by Damon Hardesty, it was recommended to approve Lunching with Law Enforcement as presented.

Next, Andrea Matte, Bus Driver Association, spoke on a blue card.

Then, Dr. LaFargue discussed Transportation - Leasing buses and maintenance services vs.
purchasing buses and maintenance services.

At the November 14th, 2017, Board meeting, staff was given permission to look into outsourcing maintenance options for the transportation department. This request by staff and subsequent board approval followed an A to Z look at the Transportation Department which was presented at the October 27, 2017, A & P meeting. After examining current trends in the industry and other parishes utilizing leasing programs, staff would like to discuss leasing buses and maintenance services.

There was much discussion on the subject. This item is for informational purposes only and did not require a vote.

Then, Dr. LaFargue discussed Coaching Supplements – Add one Assistant Coaching Supplement to each High School’s allotment.

It is the recommendation of staff that one full-time assistant coaching supplement be added to each high school in the parish.

On a motion by John Duhon and seconded by Damon Hardesty, it was recommended to approve adding one Assistant Coaching Supplement to each High School’s allotment as presented.

John Duhon offered a motion to amend to add one Assistant Coaching Supplement at each middle school. Damon Hardesty seconded the motion.

Next, Teri Johnson, Calcasieu Federation of Teachers, spoke on a blue card.

After much discussion it was recommended to approve adding one Assistant Coaching Supplement to each High School and Middle School allotment. On a vote, the motion carried; there was one nay vote.

Then, Dr. LaFargue discussed Perfect Attendance Incentive Program Update. This item is for informational purposes only. For the first semester, 303 (up from 240) teachers qualified for the perfect attendance incentive of $200. This is a 26% increase in teachers from last year’s qualifiers.

Next, Dr. LaFargue discussed Bus Driver Employee Referral Program. This item is for informational purposes only. The Bus Driver Employee Program has produced 16 drivers and has paid referring employees in our district $10,000 with an additional $2,000 to be paid out once some of the drivers reach their 6 month mark on the job.

Then, Christa Foolkes, Deaf/Hard of Hearing Consultant, spoke on a blue card.

Next, Dr. LaFargue discussed the Consideration of Amendments to Interpreter Salary Schedules. The problem is the critical shortage of educational interpreters which leaves our students without service providers. The solution would be to provide a salary that will attract qualified interpreters.
On a motion by Mack Dellafosse and seconded by Ron Hayes, it was recommended to approve Consideration of Amendments to Interpreter Salary Schedules as presented.

Then, the next items presented were revisions to Calcasieu Parish School Board policies. Dr. LaFargue presented Policies DFN, Sale of Buildings and Land, ECA, Authorized Use of Equipment – New Policy, GBC, Recruitment, GBRIB, Sick Leave, IDCJ, Supplemental Educational Services – Recommended for Deletion, IDDH, English Learner Program, IFD, Parent and Family Engagement, IFDA, Parental Rights/Student Rights of Privacy, JR, Student Records, and DFAA, Industrial Tax Exemption – New Policy. There were minor revisions to the language.

On a motion by Ron Hayes and seconded by Mack Dellafosse, it was recommended to approve Policies DFN, ECA, GBC, GBRIB, IDCJ, IDDH, IFD, IFDA, JR, AND DFAA, as presented.

SALE OF BUILDINGS AND LAND

The Calcasieu Parish School Board may sell, or otherwise dispose of, at public or private sale, for cash or on terms of credit, any school site, building, facility, or other property which is not used and, in the judgment of the School Board, is not needed in the operation of any school or schools within the district. Any such sale, lease, or disposal of such school property shall be on such terms and conditions and for such consideration as the School Board shall prescribe.

Whenever the Calcasieu Parish School Board determines that any school lands or other immovable property under its control are no longer needed for school purposes and that the best interest of the School Board would be served by the sale of such lands, the School Board shall have authority to dispose of such lands at public auction, under sealed bids, or by a licensed real estate broker.

The School Board may obtain appraisals from up to three (3) Louisiana state-licensed commercial real estate
appraisers to ascertain the current value of the property.

The appraisals shall be obtained within six (6) months prior to conducting the sale of the property.

PROCEDURES

Real estate that has been declared as no longer needed for public school purposes shall be disposed of as outlined below:

1. **Sale Utilizing Public Auction or Sealed Bids**
   
   A. At least one (1) real estate appraisal shall be obtained reflecting the fair market value.
   
   B. Local governmental authorities shall be notified that such property is no longer needed for school purposes and invited to submit a proposal if there is a need for such property.
   
   C. Advertisement for sealed bids shall be published in the School Board’s official journal on at least three (3) separate days for at least thirty (30) days prior to the date the land is to be offered for sale, or as otherwise provided for in state law.
   
   D. Upon receipt and opening of bids at the time designated, all bids shall be considered by the School Board and the property sold to the highest bidder in accordance with such terms and conditions as the School Board shall determine. The School Board shall reserve the right to reject any and all bids.

1) The first time the School Board offers a particular property for sale, the minimum bid shall be eighty-five percent (85%) of the appraised value of the property.

2) If the School Board fails to sell the property because the maximum bid received was not equal to or greater than the minimum bid in item A D 1) above, the School Board may make a second effort to sell the property. The minimum bid for a second effort to sell the same property shall be eighty percent (80%) of the appraised value.

3) If the School Board has twice failed to sell property because the maximum bid received was not equal to or greater than the minimum bid provided above, there shall be no minimum bid at the third effort to sell the property, and the School Board may sell the property to the highest bidder.

2. **Sale of School Board Property Utilizing Real Estate Broker**

   A. In lieu of public auction or sealed bids, and when it is in the best interest of the School Board, the School Board may contract for the services of a licensed real estate broker to conduct the sale of the property. The licensed commercial real estate broker shall be selected utilizing a request for quotes/qualifications process based on the following minimum qualifications:

   - Licensed within the State of Louisiana;
   - Ability to provide substantial real estate-related analytical data and financial information; and
Well-established local and regional business relationships and partnerships
to promote effective business solutions.

B. The term of the contract shall not exceed six (6) months. A minimum sale price and a time period
within which the sale is to occur shall be specified by the School Board as conditions of the
contract. Payment to the real estate broker for conducting the sale shall not exceed five percent
(5%) of the sale price and shall be contingent upon completion of the sale in accordance with the
terms and conditions of the contract. The School Board shall have the right to cancel the contract

C. No member or immediate family, as defined in La. Rev. Stat. Ann. §42:1102, of the School Board
or legislature shall perform the services of appraiser or real estate broker authorized by this
Section.

The deed evidencing act of sale executed by the President of the School Board shall be full and complete
evidence of the sale, shall convey a good and valid title to the property sold, and shall have the force and
effect of a notarial act.

SIXTEENTH SECTION LANDS

The Calcasieu Parish School Board shall conduct all elections to authorize the sale of sixteenth section land and
the funds realized from the sale of such land, after deduction for necessary expenses connected with such

ECA – Authorized Use of Equipment

This new policy allows School Boards, with the use of a cooperative endeavor agreement, to share equipment with another public entity without expending funds for such use.

NEW POLICY

AUTHORIZED USE OF EQUIPMENT

SHARING OF EQUIPMENT BETWEEN PUBLIC ENTITIES

Notwithstanding any other provisions of law to the contrary, the School Board may share equipment with another public entity without having to expend funds for such use, provided that both entities have executed a cooperative endeavor agreement for the use of the equipment.

The cooperative endeavor agreement shall set forth in reasonable detail the obligations of the parties and shall:

1. Identify the equipment that will be shared.

2. Explain the use of the equipment and the approximate length of time for use of the equipment by the requesting public entity.

3. Address the responsibility for repairing or replacing the equipment when the equipment becomes inoperable for its intended use due to a mechanical or other breakdown while in the possession of the requesting public entity.

4. Include a hold harmless provision releasing the lending public entity from expenses, damages, or losses arising from the use of the equipment.

When an emergency situation is declared and public entities need to share equipment, the provisions above requiring a cooperative agreement shall not be required, provided the public entities share the equipment in good faith relative to the emergency situation.

PERSONAL USE OF SCHOOL EQUIPMENT

It is the policy of the Calcasieu Parish School Board that no School Board equipment shall be removed or taken home for personal use. Any employee who has a need to take equipment home or to another site for school-
related purposes shall obtain written permission from his/her principal, supervisor, or Superintendent. A copy of the approval shall be maintained on file in the appropriate office for three (3) years. Equipment used in this manner shall be returned to its assigned work location immediately upon completion of usage and the date of return shall be noted on the approval form.

**LOANING OF SCHOOL EQUIPMENT**

Principals may approve the loaning of items such as tables, chairs, and non-depreciating items to outside school organizations or groups that may be sponsoring a school-related activity on or away from the school campus.

The proper form shall be completed and kept at the school site specifying: item(s) borrowed, date item(s) borrowed, number of each item borrowed, signature of person receiving item(s), date item(s) returned, and signature of person verifying item(s) returned.

**TRANSFER OF SCHOOL PROPERTY**

When an employee leaves a work site, either through transfer, resignation, or retirement, only personal property items belonging to the employee may be taken from his/her work site. Materials and equipment purchased with School Board or school funds shall remain at the site for which they were purchased.

In the case of items of technology, the building administrator shall inquire to the School Board’s Technology Department to determine transfer eligibility for these items. The nature of funding source along with the scope of the project used to obtain this equipment shall determine whether or not certain items may be transferred to another School Board site along with the employee.

In any case, the employee must seek the permission of the building administrator before removing any materials from the site. As usual, should any item be transferred to any other site, the proper disposition sheet(s) shall be completed and forwarded to the inventory specialist for accountability.

Additionally, equipment and/or supplies purchased or fabricated and donated by auxiliary and/or support organizations become the property of the Calcasieu Parish School Board and are therefore governed by this policy.

Sick leave, when not used, shall be allowed to accumulate to the credit of the employee without limitation. However, upon initial employment, a teacher employed by the School Board shall not be allowed any sick leave until he/she reports for duty and actually performs work.

The minimum of ten days of sick leave for an employee shall be based on the employee beginning work at the beginning of the school year. In the case of an employee beginning work in the first month of the school year, ten days sick leave shall be allowed. If an employee begins work in the second month of the school year, nine days of sick leave shall be allowed, and the number of days of sick leave shall continue to be prorated for an employee who begins work until the eighth month of the school year, when only three days of sick leave shall be allowed. The Superintendent and/or his/her designee shall be responsible for developing and maintaining pertinent regulations and procedures governing sick leave.

All other employees (10, 11, and 12 month employees) will be given a minimum of 10, 11, or 12 days which will be based on the employee's hire date. If hired after the appropriate starting time, their sick leave will be prorated from a schedule established by the Personnel Department.

**TERMINOLOGY**

Statutes governing sick leave for School Board personnel include differing provisions for different categories of employees. For purposes of this policy, the following terminology shall apply:

*(Information in green moved from below)*

**Teacher:**

A teacher shall mean any person employed by the School Board who holds a valid teaching certificate issued by the Louisiana Department of Education and or any social worker, guidance counselor, or school psychologist employed by the School Board who holds, as applicable, a valid professional ancillary certificate in social work, guidance counseling, or school psychology issued by the Louisiana Department of Education.

**Bus Driver**

A bus operator shall mean any person employed by the School Board who operates a school bus transporting children under the supervision of the School Board.
School Employee:

A school employee shall mean any person employed by the School Board who is not a teacher or whose employment does not require the holding of a teacher's certificate or who is not employed as a bus driver operator.

The use of the term employee shall include all three categories of personnel.

An employee who is absent for six (6) or more consecutive days shall be required to present a certificate from a physician certifying such absence upon return to work. In the case of repeated absences of less than six (6) days because of illness, the School Board reserves the right to require verification of illness. Should a pattern of behavior so warrant, upon the request of the Superintendent or School Board, the employee shall be required, at the expense of the School Board, to provide a certificate from a physician specified by the Superintendent or School Board, in order to verify the existence of a medical disability, an illness, injury, or medical emergency.

Excuses for employee absences due to illness or injury must be provided on physician's letterhead containing the physician's name, address, and telephone number, typed, printed, or as part of the letterhead. The physician's typed or neatly printed name shall also appear beneath his/her signature. The letter must clearly state the reason for the disability, illness or injury, date of the disability, illness or injury, and the anticipated return-to-work date.

If an employee is absent from duty under circumstances in which he/she is not entitled to any kind of leave, such employee shall be considered to be in violation of his/her contract, and is not entitled to be paid for the days of unauthorized absence and non-performance of duties.

Sick Leave for Emergencies

Emergencies for sick leave purposes shall be defined by the School Board as:

1. serious illness or disability of immediate family (spouse or children);

2. serious illness or disability of the employee's parents or those to the spouse, brothers and sisters or those of the spouse; or

3. wedding of the employee.

Emergencies not listed shall be considered by the Superintendent.

Extended Sick Leave

The School Board shall permit employees to take up to ninety (90) days of extended sick leave in each six-year period of employment which may be used for a medical necessity at any time the employee has no remaining regular sick leave balance at the time the extended sick leave is set to begin. The initial six-year period of employment shall begin on August 15, 1999 for all teachers and bus drivers operators employed as of that date, on August 15, 2008 for school employees (not a teacher or whose employment does not require a teacher's certificate, or who is not employed as a bus driver) employed as of that date, or on the effective date of employment for those employees employed after the dates above. All decisions relative to the granting of extended sick leave shall be made by the Superintendent.

Unused days during any six-year period of employment shall not cumulate or carry forward into the next six-year
period of employment. The balance of days of extended sick leave available shall transfer with the employee from one public school employer to another without loss or restoration of days.

Interruptions of service between periods of employment with a public school employer shall not be included in any calculation of a six-year period, such that any employment with any public school employer, regardless of when it occurs, shall be included in any determination of the balance of days of extended sick leave available to the employee.

Any employee on extended sick leave shall be paid sixty-five percent (65%) of the salary paid the employee at the time the extended sick leave begins.

1. The employee can demonstrate that he/she will be working not more than twenty (20) hours a week in a part-time job that the employee has been working for not less than one hundred twenty (120) days prior to the beginning of any period of extended sick leave.

2. The physician who certifies the medical necessity of the leave indicates that such part-time work does not impair the purpose for which the extended sick leave is required.

Any violation of the provisions regarding gainful employment may require the employee to return to the School Board all compensation paid during any week of extended sick leave in which the employee worked more than twenty (20) hours and to reimburse the School Board all related employment costs attributable to such period as calculated by the School Board, without any restoration of leave days.
Application Process

The required physician's statement may be presented along with the request for extended sick leave subsequent to the teacher's or school employee's return to service. In such a case, the extended sick leave shall be granted for all days for which extended sick leave is requested, provided the request and required documentation is presented within three (3) days after the teacher or school employee returns to service. However, the School Board or the Superintendent reserves the right to question the validity of the medical certification after the three day period.

If the period an employee is on extended sick leave is anticipated to carry over from one school year to the start of the next school year, another application and physician's statement shall be submitted prior to the start of the next school year in order to be eligible for continued extended sick leave.

(Information in green moved below)

1. Upon review of the application, if the School Board or Superintendent questions the validity or accuracy of the certification, the School Board or Superintendent may require the employee, or the immediate family member, as a condition for continued extended sick leave, to be examined by a licensed physician selected by the School Board or Superintendent. In such case, the School Board shall pay all costs of the examination and any tests determined to be necessary. If the physician finds medical necessity, the leave shall be granted.

1. Schools shall provide for the review of student records by parents or guardians, or any student eighteen (18) years of age or older. Parents and students shall be given notification of their right to review the student records.
Access to school records shall not be denied to a parent solely because he/she is not the child's custodial or domiciliary parent.

2. The parent or legal guardian of a student shall be provided access to student records upon written request to the principal maintaining those records within the school system no more than forty-five (45) days after the date of receipt of the request.

The parent, legal guardian or student, if the student is eighteen (18) or over, shall, upon written request to the principal maintaining those records, have the opportunity to receive an interpretation of those records, have the right to question those data, and if a difference of opinion is noted, shall be permitted to file a letter in said cumulative folder stating their position. If further challenge is made to the record, the parent, legal guardian, or student if 18 or older, may request a hearing.

3. If, as a result of the hearing, the School Board decides that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall:
   A. Amend the record accordingly; and
   B. Inform the parent or eligible student in writing.

If, as a result of the hearing, the School Board decides that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the School Board or both.

4. The hearing shall be held within a reasonable time after receipt of the request for the hearing from the parent or eligible student.

The hearing shall be conducted by the Superintendent or his designee. The parent or student may, at his/her own expense, be assisted or represented by one or more individuals of his or her own choice, including an attorney.

The Superintendent or his designee shall make his/her decision in writing within a reasonable period of time after the hearing. The decision must be based solely on the evidence presented at the hearing, and must include a summary of the evidence and the reasons for the decision. The decision shall be communicated to the school and parent in writing within ten (10) working days following the date of the hearing.

5. The School Board is not required to provide to a parent or eligible student a copy of the student's education record unless failure to do so would effectively prevent the parent or eligible student the right to inspect and review the records.

If the record involves answers to a standardized test, the School Board will not provide a parent a copy of standardized test questions.

   A. Amend the record accordingly; and
   
   B. Inform the parent or eligible student in writing.

   If, as a result of the hearing, the School Board decides that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the School Board or both.

4. The hearing shall be held within a reasonable time after receipt of the request for the hearing from the parent or eligible student.

   The hearing shall be conducted by the Superintendent or his designee. At the hearing the parent or student eighteen (18) or over shall be given a full and fair opportunity to present evidence relevant to issues raised. The parent or student may, at his/her own expense, be assisted or represented by one or more individuals of his or her own choice, including an attorney.

   The Superintendent or his designee shall make his/her decision in writing within a reasonable period of time after the hearing. The decision must be based solely on the evidence presented at the hearing, and must include a summary of the evidence and the reasons for the decision. The decision shall be communicated to the school and parent in writing within ten (10) working days following the date of the hearing.

5. The School Board is not required to provide to a parent or eligible student a copy of the student’s education record unless failure to do so would effectively prevent the parent or eligible student the right to inspect and review the records.
If the record involves answers to a standardized test, the School Board will not provide a parent a copy of standardized test questions.

Since all scenarios reduce unassigned reserves:

Assign $20,000,000 of reserves from 2015 1/2cent sales to future salary support in the event of reduction in state or local funding. *(MFP reduction predicted)*

This would leave an estimated $13,341,507 in restricted balance from 2015 1/2 cent sales tax.

SUBJECT: Request outside counsel approval

Our office was recently served with a Board of Tax Appeals Petition by Marton Roofing Industries, Ltd. In the past, taxpayer’s remedies were either to file suit or have their case heard by an arbitration panel. In July 2014, the legislature passed Act 640 which abolished the arbitration panel and gave taxpayers the right to file a petition for a redetermination of Assessment with the Board of Tax Appeals in lieu of filing suit.

The taxpayer filed the petition as a result of an audit. The taxpayer is not in agreement with the audit findings and has elected the option to file a petition. Rusty Stutes has been used by our office in the past as our legal representation, and we would like him to represent us in this matter.

It is customary for us to seek board approval for outside counsel to be engaged in tax office litigation. Therefore, it is requested that such approval be placed upon the next board meeting agenda.

The principal of the Bonds, upon maturity or redemption, shall be payable at the principal corporate trust office of the Paying Agent, upon presentation and surrender thereof, and interest on the Bonds shall be payable by check mailed by the Paying Agent to the Registered Owner at the address shown on the Bond Register. The person in whose name any Bond is registered at the close of business on the Record Date with respect to an Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) shall be entitled to receive the interest payable with respect to such Interest Payment Date notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date. Each Bond delivered under this Resolution upon transfer of or in exchange for or in lieu of any other Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond, and each such Bond will bear interest (as herein set forth) so that neither gain nor loss interest shall result from such transfer, exchange or substitution.

No Bond will be entitled to any right or benefit under this Resolution, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of registration,
substantially in the form provided in this Resolution, executed by the Paying Agent by manual signature.

SECTION 3. Redemption Provisions. (A) Mandatory Redemption. The Bonds maturing on March 1, 20___, shall be subject to mandatory sinking fund redemption on March 1 in the years and in the principal amounts set forth below at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption:

*Final Maturity.

The Bonds maturing on March 1, 20___, shall be subject to mandatory sinking fund redemption on March 1 in the years and in the principal amounts set forth below at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption:

<table>
<thead>
<tr>
<th>Redemption Date (March 1)</th>

</thead>
</table>

*Final Maturity.

(B) Optional Redemption. The Bonds maturing March 1, 20___ and thereafter will be callable for redemption at the option of the Issuer in whole or in part at any time on or after March 1, 20___, and if less than a full maturity, then by lot within such maturity, at the redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest to the redemption date.

(C) Partial Redemption. In the event a Bond to be redeemed is of a denomination larger than Five Thousand Dollars ($5,000), a portion of such Bond ($5,000 or any
multiple thereof) may be redeemed. If less than all of the Bonds of a particular maturity are called for redemption, the Bonds within such maturity to be redeemed will be selected by DTC or any successor security depository pursuant to its rules or procedures or, if the book entry system is discontinued, will be selected by the Paying Agent by lot in such manner as the Paying Agent in its discretion may determine. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate office of the Paying Agent; and there shall be delivered to the Owner of such Bond a new Bond or Bonds of the same maturity and of any authorized denomination or denominations as requested by such Owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered. Official notice of such call of any of the Bonds for redemption shall be given by the Paying agent by means of first class mail, postage prepaid, by notice deposited in the United States mail not less than thirty (30) days prior to the redemption date addressed to the Owner of each Bond to be redeemed at his address as shown on the Bond Register.

If on any occasion less than all of the Bonds then outstanding shall be redeemed pursuant to the optional or scheduled mandatory redemption provisions described above, then the principal amount of the Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the table above. The principal amounts required by the table above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional or mandatory redemption.

(D) **Notice of Redemption.** Notice of redemption shall be given by the Paying Agent by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than thirty (30) days prior to the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Bond Register.

**SECTION 4. Exchange of Bonds; Persons Treated as Owners.** The Issuer shall cause books for registration and for transfer of the Bonds (the “Bond Register”), as provided in this Resolution to be kept at the principal office of the Paying Agent, and the Paying
Agent is hereby constituted and appointed the Registrar for the Bonds. The Bonds may be transferred, registered and assigned, at the expense of the Issuer, only upon the Bond Register upon surrender thereof at the principal office of the Paying Agent and by execution of the assignment form on the Bonds or by other instrument of transfer and assignment in such form as shall be satisfactory to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds within three (3) business days after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds must be in the principal amount denomination of $5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent will be required to issue, register the transfer of or exchange any Bond during a period beginning (i) at the opening of business on the Record Date, or (ii) with respect to any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of mailing of a notice of redemption of such Bond and ending on the date of such redemption. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond and the Paying Agent shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, that the principal amount of outstanding Bonds of each maturity authenticated by the Paying Agent shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements, subject to the provisions of Section 18 hereof. The Issuer is authorized to prepare, and the Paying Agent shall keep custody of, multiple Bond blanks executed by the Issuer for use in the transfer and exchange of Bonds.

SECTION 5. Registered Owner. As to any Bond, the Person in whose name the same shall be registered as shown on the Bond Register required by Section 4, shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of and premium, if any, and interest on any such Bond shall be made only to or upon the order of the Registered Owner thereof or his legal representative, and the Issuer and the Paying Agent shall not be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.
SECTION 6. Form of Bonds. The Bonds and the endorsements to appear thereon will be in substantially the following form, to-wit:

(FACE OF BOND)

The depository for the Debt Service Fund shall transfer from the Debt Service Fund to the Paying Agent at least three (3) business days in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest falling due on such date.
All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Resolution shall constitute secured funds for the benefit of the Owners of the Bonds, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

At the written request of the Issuer, all or any part of the moneys in the Debt Service Fund shall be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added only to the Debt Service Fund.

Immediately upon issuance of the Bonds, moneys paid to the Issuer by the Purchaser as accrued interest, if any, shall be deposited by the Issuer into the Debt Service Fund and utilized to pay interest on the Bonds on the Interest Payment Date next due.

SECTION 11. **Application of Proceeds: 2018 Project Fund.** The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Resolution. The proceeds derived from the sale of the Bonds, shall be deposited into a fund separate and apart from the general funds of the Governing Authority, namely, the “School District No. 31 Project Fund” (the “2018 Project Fund”) hereby created, and disbursements shall be made from the 2018 Project Fund solely and only for the purposes for which the Bonds are being issued and for which the principal proceeds are hereby appropriated.

Earnings, if any, upon the invested proceeds of the Bonds within the 2018 Project Fund shall be maintained within the 2018 Project Fund and utilized solely and only for (i) the purposes for which the Bonds are being issued and/or (ii) payment of any required rebate of excess arbitrage profits to the United States Treasury.

SECTION 12. **Bonds Legal Obligations.** The Bonds shall constitute legal, binding and valid obligations of the Issuer, and shall be the only representations of the indebtedness as herein authorized and created.
SECTION 13. Resolution a Contract. The provisions of this Resolution and the Bonds shall constitute a contract between the Issuer, or its successor, and the Owner or Owners from time to time of the Bonds and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the taxes pledged and dedicated to the payment thereof by this Resolution or reduce the percentage of the Owners required to consent to any material modification or amendment of this Resolution, without the consent of all of the Owners of the Bonds then outstanding.

SECTION 14. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with issuance of the Bonds herein authorized and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

“It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana.”

SECTION 15. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law,
neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 16. Notices to Owners. Wherever this Resolution provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 17. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already cancelled, shall be promptly cancelled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent. All cancelled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 18. Mutilated, Destroyed, Lost or Stolen Bonds. If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receives evidence to its, satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall, under the authority of Part XI of Chapter 4 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, execute,
and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Resolution equally and ratably with all other outstanding Bonds. Any additional procedures set forth in this Resolution, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 19. Discharge of Resolution; Decease. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the money, securities, and funds pledged under this Resolution and all covenants, agreements, and other obligations of the Issuer to the Owners of the Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Resolution to the Issuer.

Principal or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they
have been defeased pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto.

SECTION 20. Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution or Resolution giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank organized and doing business under the laws of the United States of America or of any state, authorized under such laws to serve as Paying Agent, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of such officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder.

SECTION 21. Non-Arbitrage Representations, Warranties and Covenants. The Governing Authority of the Issuer certifies and covenants that so long as the Bonds remain outstanding, moneys on deposit in any fund in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause such Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or ruling or regulations promulgated thereunder.

The Governing Authority hereby authorizes the Executive Officers of the Issuer to be responsible for issuing the Bonds to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be excludable from gross income for purposes of federal income taxation. In connection therewith, the Issuer and the Governing Authority further agree:
(a) through the Executive Officers to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by the Executive Officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Issuer in such compliance.

SECTION 22. Printing and Delivery of Bonds. The Executive Officers of the Issuer are hereby empowered, authorized and directed to cause the necessary Bonds to be printed or lithographed, and they are hereby further empowered, authorized and directed to sign, execute and seal all of the Bonds as herein provided and cause the same to be registered with the Secretary of State, all in accordance with the provisions of law and this Resolution.

SECTION 23. Preliminary Official Statement. The dissemination and distribution of and the disclosure material in the Preliminary Official Statement and the Official Statement in connection with the sale of the Bonds are hereby ratified and confirmed in all respects by this Governing Authority, and the Issuer and the Governing Authority hereby certify that such disclosure material is deemed final by the Issuer and Governing Authority as of its date for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934. The Issuer further authorizes, directs, and ratifies the execution by the Executive Officers and delivery of such final Official Statement to Stifel, Nicolaus & Company, Incorporated, as Underwriter.

SECTION 24. Execution of Documents. The Executive Officers of the Issuer are hereby authorized and directed to accept, receive, execute, seal, attest and deliver the Preliminary Official Statement, the Official Statement, the Tax Agreement, the Agreement, the Continuing Disclosure Certificate, the Bond Purchase Agreement with the Underwriter, and any and all such documents, certificates, and other instruments as are required in connection with the authorization, issuance, and delivery of the Bonds, in such forms as are acceptable to Bond
Counsel, or to take such further action as may be appropriate or required by law in connection with the authorization, issuance, and delivery of the Bonds. The acceptance, receipt, execution, seal, attestation, and deliverance of the Bond Purchase Agreement by the Executive Officers of the Issuer is hereby ratified in all respects.

SECTION 25. Publication. A copy of this Resolution shall be published immediately after its adoption in one (1) issue of the American Press, the official journal of the Issuer. For a period of thirty (30) days from the date of such publication, any person in interest shall have the right to contest the legality of this Resolution and of the Bonds to be issued pursuant hereto and the provisions hereof securing the Bonds. After the expiration of said thirty (30) days, no one shall have any right of action to contest the validity of the Bonds or the provisions of this Resolution, and the Bonds shall be conclusively presumed to be legal and no court shall thereafter have authority to inquire into such matters.

SECTION 26. Savings Clause. In case any one or more of the provisions of this Resolution or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Resolution or of the Bonds, but the Resolution and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date or dates of this Resolution and of the Bonds which validates or makes legal any provision of this Resolution or the Bonds which would not otherwise be valid or legal, shall be decreed to apply to this Resolution and to the Bonds.

SECTION 27. Reserved.

SECTION 28. Additional Parity Bonds. The Issuer hereby expressly reserves the right to issue from time to time additional bonds payable from and secured by ad valorem taxation on a parity with the Bonds.
SECTION 29. Continuing Disclosure Certificate. The Issuer has authorized the execution and delivery of a Continuing Disclosure Certificate pursuant to Section (d)(2) of the Securities and Exchange Commission Rule 15c2-12 (the "Continuing Disclosure Certificate"). The Continuing Disclosure Certificate executed and delivered by the President and Secretary of the Governing Authority as heretofore authorized by resolution providing for the sale and delivery of the Bonds to the Purchaser is ratified, approved and confirmed. The Issuer, acting through the Governing Authority, hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the Issuer or the Governing Authority to comply with the Continuing Disclosure Certificate shall not be considered a default hereunder. However, any Participating Underwriter, as defined in the Continuing Disclosure Certificate, or any Bond Owner may take such actions under Louisiana law as may be necessary and appropriate, including seeking a mandatory injunction, writ of mandamus or other order or judgment for specific performance by court order to cause the Issuer and/or the Governing Authority to comply with its obligations under the Continuing Disclosure Certificate and this Section and the provisions of this Resolution heretofore adopted authorizing the Continuing Disclosure Certificate.

SECTION 30. Further Acts. All acts and doings of the Executive Officers of the Issuer which are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved and confirmed.

SECTION 31. Administration of Bond Proceeds. In accordance with and pursuant to the provisions of Subpart A of Part III of Chapter 4 of Sub-Title II of Title 39 of the Louisiana Revised Statutes of 1950, as amended, the Governing Authority of the Issuer is hereby confirmed as administrator of the funds of the Issuer, and is further charged with the responsibilities of investing the proceeds of the Bonds in accordance with the terms of this Resolution and the Letter of Investment Instructions which is annexed hereto as Exhibit B. The Superintendent of Public Schools for the Parish of Calcasieu, Louisiana, and Ex-officio Secretary of the Governing Authority shall signify his acceptance of the responsibilities set forth herein.
and within the Letter of Investment Instructions by his execution of the Letter of Investment Instructions.

SECTION 32. Beneficiaries of the Resolution. The provisions of this Resolution are for the sole benefit of the Owners of the Bonds and beneficial owners of the Bonds, and nothing contained herein, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Resolution, and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Resolution or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell the Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO OWNERS OF THE BONDS OR BENEFICIAL OWNERS OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS RESOLUTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the Issuer in observing or performing its obligations under Sections 28 and 26 hereof shall constitute a breach of or default under this Resolution.

SECTION 33. Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.
SECTION 34. Repealer. All resolutions or Resolutions or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect from and after its passage.

SECTION 35. Effective Date of Resolution. This Resolution shall become effective immediately upon its adoption.

I am requesting Board approval on March 13, 2018, for the following Grant Proposal:

**Grant Title:** Redesign 2 for Eligible Persistently Struggling Schools  
**Funding Authority:** Louisiana Department of Education  
**Person Applying for Grant:** Margaret Goode, Grants Supervisor  
**Grant Amount:** $693,690 for SY 1 (2018-2019); $1,976,717 for 3 years  
**Grant Period:** July 1, 2018 – June 30, 2019 to be renewed each year through 2021

### Three Schools to Be Added to the Renewing, Reforming, Rebuilding: Calcasieu Parish R³ Zone

The Redesign 1 award approved by BESE in January 2018 provided funds for the establishment of the Zone Leader, the TAP Executive Master Teacher, and NIET/TAP for the Washington Marion High School group (Brentwood Elementary, Clifton Elementary, Combre Fondel Elementary, Johnson Elementary, Pearl Watson Elementary, Ralph Wilson Elementary, Molo Middle, and Washington Marion High Schools). Funds for LaGrange and Oak Park Middle have been committed through the Redesign 1 award; however, funding was not sufficient for TAP implementation at these schools.

Redesign 2 provides for the addition of three LDOE identified persistently struggling elementary schools in the LaGrange High School feeder group: College Oaks, Fairview, and Watkins. These schools will be added to the Transformation Zone, the **Calcasieu Parish R³ Zone**, which will target Calcasieu’s thirteen most persistently struggling schools in building a collective school turnaround plan. The CPSB will utilize proven solutions for school improvement, including LDOE approved contracted professional development focused on Tier 1 curriculum to support the teachers in developing effective practices based on content knowledge, assessment, and current school data, as well as provision for additional resources to the struggling schools. The Redesign grants will provide funding for onsite lead teachers and mentor teachers for each school and an Executive Lead Teacher who will work with the Zone Leader to be responsible for the development of the onsite lead and mentor teachers at the LaGrange feeder schools (College Oaks Elementary, Fairview Elementary, Watkins Elementary, Oak Park Middle, and LaGrange High).

As these schools have been struggling for several years, improving student achievement is the highest priority of the CPSB Redesign Plan for transformation in the eligible schools. All aspects of the transformation school improvement plan and all related decisions must contribute to the goal of making substantial, measurable academic gains for students and elevating school performance to higher achievement scores on an accelerated timeline to show significant progress by the end of school year 2021. We believe that improving our workforce talent significantly through focused, intensive, and aligned support specifically designed for the Zone schools will increase teacher effectiveness which, in turn, will increase student performance and the graduation rate.

*Subject to change

York's medical management services include a complete suite of all ancillary medical services, using multiple networks that address our clients' needs – including, but not limited to, pharmacy benefit management, diagnostics, durable medical equipment, transportation and translation, home health, physical therapy, and independent medical exams. These services are subject to the bill review rates as quoted above, plus the applicable percentage of network savings achieved below the fee schedule or usual & customary charges.

General Fees, Services, Terms and Conditions

- Outside Activity/Field Investigations will be billed at time and expense.
- Index / OFAC $9.00 per submission.
- During the term of a multi-year contract, except for items for which pricing for each year is explicitly listed above, pricing for each year after the first full year will increase by the greater of 2% or the percentage increase as reported by the U.S. Department of Labor - Bureau of Labor Statistics [http://www.bls.gov/cpi/home.htm](http://www.bls.gov/cpi/home.htm) for the Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average, All Items, covering the prior twelve month period, valued as of the month ending two months prior (to allow time for reports to be published) to the anniversary date of the contract. For all contracts, pricing at the end of the contract term and each year thereafter will increase by such amount, provided that (i) both parties agree and enter into a renewal contract, or (ii) the parties continue with the existing contract on a month-to-month basis.
Billing: York will issue an electronic invoice monthly, via e-mail. Payments shall be due and payable no later than thirty days from the invoice date.

Unless specifically identified, York's General Liability fixed fees are limited to Standard Commercial General Liability Coverage Form coverages A&C. Claims presented to York but excluded from the standard form coverages will be administered on a time & expense basis or on such other basis as agreed to between York and Calcasieu Parish School Board.

This proposal contemplates that York will be entering into a direct contract with Calcasieu Parish School Board. Should York be required to contract with any other party, different terms may apply.

Pricing has been developed based on provided loss data. In the event that the loss data is erroneous or otherwise incorrect, both parties agree to discuss an equitable adjustment of service fees.

Calcasieu Parish School Board may request that the services York performs be rendered in a particular or different way or additional services be provided, and York will make all reasonable efforts to comply. If such request increases York's cost of providing the services, York shall be entitled to an equitable adjustment in its compensation.

For WC Subrogation: York's fee per feature pricing includes placing parties that it deems responsible on notice. Pursuit of subrogation beyond this point can be performed at 25% of recovery** (exclusive of attorney fees and expenses related to litigation as well as expenses, such as locate searches, skip traces, cost and origin reports, copy service, etc. or any agreed upon contingency fees). ** York uses an external business partner to pursue third party WC claim recoveries.

For all other LOB: Subrogation: York's fee per feature pricing includes placing parties that it deems responsible on notice. Pursuit of subrogation beyond this point can be performed at 20% of recovery, plus costs, such as locate searches, skip traces, collection counsel fees and expenses, etc.

Claims and Allocated Loss Adjustment Expenses (ALAE) may be handled in two ways:

- Calcasieu Parish School Board may elect to fund an account established and maintained by York. In this case, Calcasieu Parish School Board will maintain and provide timely replenishment of funds to pay all Claims and ALAE and to avoid penalties and late payments. York will electronically provide a monthly recap of all deposits as well as Claims and ALAE payments. Calcasieu Parish School Board will be responsible for bank fees with respect to the account.

- Calcasieu Parish School Board may elect to maintain and fund a client-owned account from which York will issue all Claims and ALAE payments. In this case, Calcasieu Parish School Board will provide York with the facsimile signature of an officer, director, partner or employee of Calcasieu Parish School Board to print digitally on the checks. Calcasieu Parish School Board will be responsible for bank fees with respect to the account.

York's proposed fees will remain in effect for 90 days from the date of this proposal.

This proposal contemplates that York will be entering into a direct contract with Calcasieu Parish School Board. Should York be required to contract with any other party, different terms may apply.
Allocated Loss Adjustment Expenses

York will arrange for various services and other costs as agent for Calcasieu Parish School Board. These costs are referred to as Allocated Loss Adjustment Expenses (ALAE). A list of these expenses follows. Payment of ALAE is the responsibility of Calcasieu Parish School Board. York's fees do not cover ALAE, and York is under no obligation to pay ALAE with its own funds.

- Fees of outside counsel for claims in suit, coverage opinions and litigation and for representation at hearings or pretrial conferences
- Fees of court reporters
- All court costs, court fees and court expenses
- Fees for service of process
- Costs of undercover operatives and detectives
- Costs for employing expert for the preparation of maps, professional photographs, accounting, chemical or physical analysis, diagrams

Whereas, the Calcasieu Parish School System has respect for the Louisiana Association of School Personnel Administrators (LSASPA), including Calcasieu Parish Chief Operating Officer, Dr. Shannon LaFargue, and

Whereas, The Calcasieu Parish School System recognizes this as a concern among districts across the state of Louisiana; and
