October 10, 2017

On motion by Mr. Tarver, seconded by Mrs. Ballard, it was recommended to approve the 2017-2018 General Fund Budget Revision #1 as presented.

On behalf of the committee, Mr. Dellafosse offered the motion to approve the staff recommendation. A second was not needed and the motion carried on a vote.

Next, Wayne Foster Director of Internal Auditing, presented an update on the School Fees for the 2017-2018 school year. A comparison fee schedule indicated Additions, Change or No Change from 2016-2017 for each school in Calcasieu Parish. There was much discussion about the necessity of several office/administrative fees and staff was asked to look at ideas on how to consolidate them. A motion was made by Mr. Hayes and seconded by Mr. Smith to accept the report.

Blue card submitted:
Ken Stratton

On behalf of the committee, Mr. Dellafosse offered the motion to approve the staff recommendation to accept the report, but also have staff look at ideas to consolidate fees. Mr. Breaux asked for staff to look into a breakdown of fees and how each school spends the fees. A second was not needed and the motion passed on a vote.

Mr. Bourne then gave a brief update on the Out-of-State Travel policy and procedures that CPSB has been using since October 2014. Mr. Duhan made a motion to amend the original policy to expand the travel area to nationwide outside the 6-7 hour driving distance once every three (3) years, up to three (3) times in their tenure with CPSB for an individual and no more than four (4) members from one site at any one time. recommendations to accept the Textbook Adoption Committees and it passed unanimously.

On behalf of the committee, Mrs. Ballard offered a motion to approve the staff recommendation. A second was not needed and the motion carried on a vote.

Mr. Campbell then submitted a request for permission to accept School Redesign Grant for schools identified as “Persistently Struggling”.

Mr. Campbell introduced the School Redesign Grant first, by the viewing of a PowerPoint which describes the fundamentals of the Grant. Upon completion of the PowerPoint, Mr. Campbell explained the benefits Calcasieu Parish School Board would receive from approval of this Grant.

The School Redesign Grant would allow the recruitment of highly effective teachers and administrators to these persistently struggling schools. Increase teacher retention rates at each school. Help implement a set of research-based strategies across an entire zone made up of schools with similar challenges. Assign a single zone leader who will focus solely on the schools within the zone and monitor to ensure full implementation of the grant initiatives, holding each school and zone as a whole accountable for growth toward their identified goals.

This Redesign Grant will provide millions of dollars to implement our district school improvement plan for persistently struggling schools.

If unsuccessful, a State approved plan will need to be implemented without financial assistance.

A motion was made by Chad Guidry and seconded by Fred Hardy to grant permission to accept School Redesign Grant and it passed unanimously.

On behalf of the committee, Mrs. Ballard offered a motion to approve the staff recommendation. A second was not needed. After much discussion and more explanation by Mr. Campbell, Mr. Dellafosse called the question to cease discussion. There was one nay vote. On the vote to approve the recommendation to accept the School Redesign Grant the motion carried with one nay vote.

All Bonds delivered upon any registration of transfer or exchange of Bonds shall be valid obligations of the District, evidencing the same debt and entitled to the same benefits under this Bond Resolution as the Bonds surrendered. Prior to due presentment for registration of transfer of any Bond, the District, and the Paying Agent, and any agent of the District, or the Paying Agent may deem and treat the person in whose name any Bond is registered as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary.

SECTION 3.2. Bonds Mutilated, Destroyed, Stolen or Lost. All Bonds so surrendered shall be delivered to the Paying Agent for cancellation pursuant to Section 3.4 hereof. If any Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the District may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof any such duplicate Bond issued pursuant to this Section shall constitute an original, additional, contractual obligation on the part of the District, whether or not the lost, stolen or destroyed Bond be at any time found by anyone. Such duplicate Bond shall be in all respects identical with those replaced except that it shall bear on its face the following additional clause: “This Bond is issued to replace a lost, canceled or destroyed Bond under the authority of La. R.S. 39:971 through 39:974.”

Such duplicate Bond may be signed by the facsimile signatures of the same officers who signed the original Bonds, provided, however, that in the event the officers who executed the original Bonds are no longer in office, then the new Bonds may be signed by the officers then in office. Such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source and security for payment as provided herein with respect to all other Bonds hereunder, the obligation of the District upon the duplicate Bonds being identical to their obligations upon the original Bonds and the rights of the Owner of the duplicate Bonds being the same as those conferred by the original Bonds.

Bond certificates are required to be delivered to and registered in the name of the beneficial Owner under the following circumstances:

(b) The Issuer determines that continuation of the system of book-entry transfer through DTC (or a successor securities depository) is not in the best interests of the Issuer and/or the beneficial Owners.

The Issuer and the Paying Agent will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

Neither the Issuer or the Paying Agent are responsible for the performance by DTC of any of its obligations including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Bond Resolution of holding, delivering or transferring the Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to procure the same effect.

If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

SECTION 3.7. Regularity of Proceedings. The District, having investigated the regularity of the proceedings had in connection with issuance of the Bonds, and having determined the same to be regular, each of the Bonds shall contain the following recital, to-wit:

Subject to the above limitations, the Paying Agent, at the direction of the District, shall purchase Bonds at such times, for such prices, in such amounts and in such manner (whether after advertisement for tenders or otherwise) with monies made available by the District for such purpose, provided, however, that the Paying Agent shall not expend amounts for the purchase of Bonds of a particular maturity (excluding accrued interest, but including any brokerage or other charges) in excess of the amount that would otherwise be expended for the redemption of Bonds of such maturity, plus accrued interest, and, provided further, that the District may, in its discretion, direct the Paying Agent to advertise for tenders for the purchase of Bonds not less than sixty (60) days prior to any date for redemption of Bonds.

D. Approval of Resolution to hire special counsel for Sales Tax litigation

TO: Wilfred Bourne, CFO  
FROM: Kimberly Tyree, Director of Sales Tax  
DATE: October 5, 2017  
SUBJECT: Request outside counsel approval  
Our office was recently served with a Board of Tax Appeals Petition by Samson Exploration LLC. In the past, taxpayer's remedies were either to file suit or have their case heard by an arbitration panel. In July 2014, the legislature passed Act 640 which abolished the arbitration panel and gave taxpayers the right to file a petition for a redetermination of Assessment with the Board of tax Appeals in lieu of filing suit.

The taxpayer filed the petition as a result of an audit. The taxpayer is not in agreement with the audit findings and has elected the option to file a petition. Rusty Stutes has been used by our office in the past as our legal representation, and we would like him to represent us in this matter.

On a motion to approve by Mr. Dellafose and a second by Mr. Breaux, the motion carried.

Wetland Restoration through Aquaponics (WRTA)

Principal Investigators: Darrell McDaniel, CPSB STEM Educator Development Leader, Calcasieu Parish School Board, 600 S. Shattuck St., Lake Charles, LA 70601, (337) 217-4450 x2442, darrell.mcdaniel@cpsb.org; Nick Limberis, Science Teacher, Calcasieu Parish School Board, Lake Charles Boston Academy, 1509 Enterprise Blvd., Lake Charles, LA 70601, (337) 217-4390, nick.limberis@cpsb.org; Gary D. Kratzer, Ed.S, Naturelab Coordinator, McNeese State University, Box 91860, Lake Charles, LA 70609, (337) 475-5817, gkratzer@mcneese.edu.

Project duration: July 1, 2018 to June 30, 2020 (flexible).

Project objectives include: 1) Provide hands-on professional development to 16 teachers from CPSB high schools and middle schools; 2) Conversion of an existing freshwater aquaponics system to saltwater for the cultivation of wetland grasses that will be part of a wetland restoration and stewardship action project; 3) Provide students with outdoor field activities that support the Louisiana State Science Standards while bringing attention to wetland issues that are relevant locally; 4) Increase teacher content knowledge and awareness of environmental issues. 5) Increase student attitudes toward environmental stewardship.

Summary: The premise of the grant proposal will be to switch an existing aquaponics system at Lake Charles Boston Academy (LCBA) from freshwater to saltwater, replace the catfish with Gulf killifish, and replace the current vegetation with coastal grasses. The project will include professional development for teachers (a summer workshop) that will allow them to understand how the aquaponics lab emulates the interdependence of animal and plant species in nature. They will learn how to perform water quality tests and interpret the results of the data that is collected. All of the following levels would be monitored to ensure that the system is operating optimally: Temperature, Salinity, Ammonia, Nitrite, Nitrate, pH, Iron (Ferrous & Ferric), Alkalinity, and Dissolved Oxygen. Throughout the training, teachers will learn how each of these quantities is affected by changes in the system and the parameters necessary to sustain life. Teachers will learn how to create miniature classroom aquaponics systems for their students to have hands-on experiential learning opportunities after they visit Naturelab and the LCBA aquaponics lab. Each of these classroom systems will consist of 3 aquaponic systems. One will exist as a control and the other two will be used to test an experimental variable. Beyond this, the LCBA aquaponics lab will be equipped with data logging sensors that will be able to share real-time data via the internet with any participating classroom in the district. Students and teachers can monitor changes in their own classroom systems and track changes in the LCBA system online.

The teachers who have been trained during the summer will take their students on a field trip that will include spending time at the McNeese Naturelab located in Tuten Park where they will learn about water quality from McNeese personnel by collecting samples and analyzing their data on site. The field trip will continue to Lake Charles Boston Academy where they will visit the aquaponics lab. Students will not only learn the workings of an aquaponics system but will also learn about coastal erosion and restoration. They will come to understand the importance of coastal wetlands and marshes in Louisiana. Ultimately, selected students from each school will participate in a culminating event where the grasses grown in the aquaponics system will be planted as part of a wetlands restoration project. All together these events will create a Meaningful Watershed Educational Experience (MWEE) as stipulated in the guidance for this project.

SUBJECT: Sales Tax Supplement
DATE: November 7, 2017

Each fall for the last several years the Calcasieu Parish School Board has been in the fortunate situation to consider a salary supplement for employees. Economic growth in our area has allowed the Board the opportunity to review surplus funds from the prior fiscal year and determine an appropriate total dollar amount to use to provide the supplements.

Issues that must be considered include funds availability, legality, structure, timing, history, long-term implications, financial effect, and payroll processing.

After consideration of all of the issues involved, it is recommended that full and part-time employees actively working on November 9th, 2017 based on the teachers' salary schedule shall be paid a gross supplement of $2,850 and all other personnel shall be paid a gross supplement of $2,000, with one-half of the appropriate supplement paid to employees that work part-time less than 4 hours per day. This supplement does not include substitute labor or board members.

While there has been rhetoric calling for using all surplus funds available for a supplement, staff has confirmed that Calcasieu will ultimately have an M.F.P. offset within the next two years because of excess sales tax collections last year and now. It is definitely not financially prudent to exhaust surplus tax collections knowing that State dollars will be reduced.

Attached are the resolution to be approved and a calculation of the estimated $16.3 million cost of the salaries and benefits involved in the supplement with approximately $14.5 million being paid by the general fund.
RESOLUTION

WHEREAS, the Calcasieu Parish School Board has specific sales taxes dedicated to employee salaries and benefits,

AND WHEREAS, it is the desire of the Calcasieu Parish School Board to use the excess sales taxes dedicated and accumulated in the General Fund to provide a salary supplement to active employees of the Calcasieu Parish School Board for services rendered in the fiscal year 2017-2018 and is to be paid on the November 30, 2017 regularly scheduled pay date,

AND WHEREAS, an employee is defined as an individual actively working full-time or part-time in their respective position and employed by the Calcasieu Parish School Board on November 9, 2017, (excludes board members and substitute labor),

AND WHEREAS, this supplement is being provided conditioned on employees completing their respective scheduled days to be worked for the 2017-2018 fiscal year and any employee not fulfilling this requirement is subject to having the supplement prorated by the Superintendent and surrendering any portion not earned,

THEREFORE BE IT RESOLVED, that all employees based on the teachers’ salary schedule shall be paid a gross supplement of $2,850 and all other personnel shall be paid a gross supplement of $2,000 with one-half of the appropriate supplement paid to employees that work part-time less than 4 hours, and that any exceptions to the preceding definitions and rules will be resolved by the Superintendent and that said supplement is to be paid on the November 30, 2017 regularly scheduled pay date,

This resolution having been submitted to a vote, the vote thereon was as follows:

Notes & recommendations:

Nov. 2017 sales tax supplement is recommended to be $2,850 for those employees tied to the teacher's salary schedule and all others to be $2,000; to be paid on Nov. 30, with employment determination date of November 9, 2017.

SI and CFO determined that there was sufficient funds available as Sales Tax Surplus funds from the 1995 tax and the 2015 tax combined at the end of fiscal year 6/30/17.

SI and CFO determined that approximately $14.5M could be used to pay supplement considering long-term concerns of diminishing MFP funding and future Sales Tax uncertainty.

Also considered was the payment of approx. $2.5M in COMPASS stipends in October 2017 from surplus ST funds.

RESOLUTION

A RESOLUTION OF THE CALCASIEU PARISH SCHOOL BOARD APPROVING PHILLIPS 66 FOR PARTICIPATION IN THE INDUSTRIAL TAX EXEMPTION PROGRAM DESCRIBED IN ADVANCE NOTIFICATION #20170273 AT 2200 OLD SPANISH TRAIL, WESTLAKE, CALCASIEU PARISH, LOUISIANA

WHEREAS, Article 7, Section 21(F) of the Louisiana Constitution provides for the Board of Commerce and Industry ("BCI"), with the approval of the Governor, to approve contracts for the exemption of ad valorem taxes of a new manufacturing establishment or an addition to an existing manufacturing establishment, on such terms and conditions as the board, with the approval of the Governor, deems in the best interest of the state; and

WHEREAS, Phillips 66 has applied for an Industrial Tax Exemption ("ITE") and seeks approval of the BCI and the Governor for a contract granting that exemption; and

WHEREAS, Governor Edwards, through Executive Order JBE 16-73, has set forth the conditions for his approval of ITE contracts, and affirmed that those conditions are in the best interest of the state of Louisiana; and

WHEREAS, Executive Order JBE 16-73 provides that ITE contracts should be premised upon job and payroll creation at new or expanded manufacturing plants or establishments, and that the percentage of exemption from ad valorem taxes, and length of the contract for such exemption, may vary depending upon the nature of the project and its economic development benefit in accordance with guidance received from the Secretary of Economic Development and concurred in by the appropriate parish and/or municipal council, school board, and sheriff; and

WHEREAS, Executive Order JBE 16-73 mandates that each exemption contract approved by the Governor shall include as Exhibit "A" a Cooperative Endeavor Agreement for the ITE between the State of Louisiana, the Louisiana Department of Economic Development, and the applicant for the ITE contract, which provides for the creation or retention of jobs, and provides for the exercise of the option in the Louisiana Constitution for the term or percentage of the parish ad valorem tax exemption granted in the contract, and provides for the reduction or loss of the exemption based upon the applicant’s compliance with the contract; and

WHEREAS, Executive Order JBE 16-73 further requires that this school board, together with the other required local governmental entities signify consent to the terms of the exemption by resolution and the sheriff of this parish shall signify consent to the terms of the exemption by letter. Executive Order JBE 16-73 further provides that the resolutions of approval and the sheriff’s approval shall be attached as Exhibit "B" to the ITE contract between the BCI and Phillips 66; and

WHEREAS, Phillips 66 and the Louisiana Department of Economic Development have advised that certain terms and conditions forming Exhibit "A" to the Industrial Tax Exemption Contract pending approval before the Louisiana Board of Commerce and Industry have been reached and have conveyed the
same to this school board, and thus this matter is now ready for a determination of approval of this school board as required by Executive Order JBE 16-73,

**THEREFORE, BE IT RESOLVED**, upon consideration of the foregoing and the public discussion held this day, that this school board approves the terms of the Industrial Tax Exemption contract based on the inclusion of the following terms and conditions into Exhibit “A” (the Cooperative Endeavor Agreement between the State of Louisiana, the Louisiana Department of Economic Development, and Phillips 66) to the Industrial Tax Exemption contract between the Board of Commerce and Industry and Phillips 66 with respect to its manufacturing plant located at 2200 Old Spanish Trail, Westlake, Calcasieu Parish, Louisiana:
