TO: Parents/Guardians of Students Attending S.J. Welsh Middle School

FROM: Administration, Counselors, & Office Personnel

If you are planning to send your child to S. J. Welsh Middle School for the 2018-2019 school year and would like to avoid the long registration lines, the following information is very important. The attached Information Form is to be completed and returned to the school during our Pre-Registration Period of April 9 through May 24. Our staff will be on hand to collect information forms and take registration money. Please make sure the front of the form is signed and the back is filled out. Only the parents/guardians listed on the front of the form and the names listed under the emergency information on the back of the form may check your child out of school. These forms will be kept in the main office. If any information changes, you must come and update the form. Please return the attached Emergency Form with your $45 registration fee before May 24.

Registration fee covers:
