SECTION 3. Redemption Provisions. Any Bond which is to be redeemed only in part shall be

The principal amounts required by the table above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional or mandatory redemption.

(D) *Notice of Redemption.* Notice of redemption shall be given by the Paying Agent by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than thirty (30) days prior to the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Bond Register.

Such new Bond or Bonds must be in the principal amount denomination of \$5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor the Paying Agent will be required to issue, register the transfer of or exchange any Bond during a period beginning (i) at the opening of business on the Record Date, or (ii) with respect to any Bond called for redemption prior to maturity during a period beginning at the opening of business fifteen (15) days before the date of mailing of a notice of redemption of such Bond and ending on the date of such redemption. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond and the Paying Agent shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, that the principal amount of outstanding Bonds of each maturity authenticated by the Paying Agent shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements, subject to the provisions of Section 18 hereof. The Issuer is authorized to prepare, and the Paying Agent shall keep custody of, multiple Bond blanks executed by the Issuer for use in the transfer and exchange of Bonds.

SECTION 5. Registered Owner. As to any Bond, the Person in whose name the same shall be registered as shown on the Bond Register required by Section 4, shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of and premium, if any, and interest on any such Bond shall be made only to or upon the order of the Registered Owner thereof or his legal representative, and the Issuer and the Paying Agent shall not be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

SECTION 6. Form of Bonds. The Bonds and the endorsements to appear thereon will be in substantially the following form, to-wit:

SECTION 8. Reserved.

SECTION 9. Pledge of Full Faith and Credit; Tax Levy. The Bonds shall constitute general obligations of the Issuer, and the full faith and credit of the Issuer is hereby pledged to the punctual payment of the Bonds in accordance with the authority of Article VI, Section 33 of the Constitution of the State of Louisiana of 1974, as amended, Sub-Part A, Part III, Chapter 4, Title 39 of the Louisiana Revised Statutes of 1950, as amended, and constitutional and statutory authority supplemental thereto. The Issuer obligates itself and is bound under the terms and provisions of law and the election authorizing the Bonds to impose and collect annually in excess of all other taxes an ad valorem tax on all property subject to taxation within the territorial limits of the Issuer sufficient to pay principal of and interest on the Bonds falling due in each year, said tax to be levied and collected by the same officers, in the same manner and at the same time as other taxes are levied and collected within the territorial limits of the Issuer. The proceeds of such tax shall be devoted and applied to the payment of said interest and principal as such shall become due, and without further action on the part of the Governing

March 13, 2018

Authority, the proper officer or officers are hereby authorized and directed, for the year 2018 and each year thereafter, to include in the annual levy of taxes upon, and to extend upon the assessment rolls against, all taxable property situated within the territorial limits of the Issuer, a sum sufficient to pay the principal of, premium, if any, and interest on the Bonds becoming due the ensuing year. The Issuer shall deposit the avails of said tax in the “Debt Service Fund” herein provided for. Principal or interest falling due at any time when the proceeds of said tax levy may not be available shall be paid from other funds of the Governing Authority, and such funds shall be reimbursed from the proceeds of said taxes when said taxes shall have been collected. The Issuer covenants and agrees with the Purchaser and the Owner of the Bonds that so long as any of the Bonds remain outstanding, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the Issuer to levy and collect the foregoing tax levy, and the Issuer and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the Debt Service Fund established in Section 10 to pay the principal of and interest on the Bonds.

SECTION 10. Debt Service Fund. For the payment of the principal of and the interest on the Bonds, the Issuer will establish a special fund, to be held by the regularly designated fiscal agent of the Issuer (the “Debt Service Fund”), into which the Issuer will deposit the proceeds of the aforesaid special tax and accrued interest on the Bonds. The depository for the Debt Service Fund shall transfer from the Debt Service Fund to the Paying Agent at least three (3) business days in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest falling due on such date.

All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Resolution shall constitute secured funds for the benefit of the Owners of the Bonds, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

March 13, 2018

At the written request of the Issuer, all or any part of the moneys in the Debt Service Fund shall be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added only to the Debt Service Fund.

Immediately upon issuance of the Bonds, moneys paid to the Issuer by the Purchaser as accrued interest, if any, shall be deposited by the Issuer into the Debt Service Fund and utilized to pay interest on the Bonds on the Interest Payment Date next due.

SECTION 11. Application of Proceeds; 2018 Project Fund. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Resolution. The proceeds derived from the sale of the Bonds, shall be deposited into a fund separate and apart from the general funds of the Governing Authority, namely, the “School District No. 31 Project Fund” (the “2018 Project Fund”) hereby created, and disbursements shall be made from the 2018 Project Fund solely and only for the purposes for which the Bonds are being issued and for which the principal proceeds are hereby appropriated.

Earnings, if any, upon the invested proceeds of the Bonds within the 2018 Project Fund shall be maintained within the 2018 Project Fund and utilized solely and only for (i) the purposes for which the Bonds are being issued and/or (ii) payment of any required rebate of excess arbitrage profits to the United States Treasury.

SECTION 12. Bonds Legal Obligations. The Bonds shall constitute legal, binding and valid obligations of the Issuer, and shall be the only representations of the indebtedness as herein authorized and created.

SECTION 13. Resolution a Contract. The provisions of this Resolution and the Bonds shall constitute a contract between the Issuer, or its successor, and the Owner or Owners

March 13, 2018

from time to time of the Bonds and any such Owner or Owners may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Bonds.

No material modification or amendment of this Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the taxes pledged and dedicated to the payment thereof by this Resolution or reduce the percentage of the Owners required to consent to any material modification or amendment of this Resolution, without the consent of all of the Owners of the Bonds then outstanding.

SECTION 14. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with issuance of the Bonds herein authorized and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

“It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana.”

SECTION 15. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law,

March 13, 2018

neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 16. Notices to Owners. Wherever this Resolution provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 17. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already cancelled, shall be promptly cancelled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent. All cancelled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 18. Mutilated, Destroyed, Lost or Stolen Bonds. If (1) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that

March 13, 2018

such Bond has been acquired by a bona fide purchaser, the Issuer shall, under the authority of Part XI of Chapter 4 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, execute, and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Resolution equally and ratably with all other outstanding Bonds. Any additional procedures set forth in this Resolution, shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 19. Discharge of Resolution; Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the money, securities, and funds pledged under this Resolution and all covenants, agreements, and other obligations of the Issuer to the Owners of the Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Resolution to the Issuer.

Principal or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or

March 13, 2018

otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they have been defeased pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto.

SECTION 20. Paying Agent; Paying Agent Agreement. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution or Resolution giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank organized and doing business under the laws of the United States of America or of any state, authorized under such laws to serve as Paying Agent, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of such officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder. The Paying Agent is specially authorized to pay costs of issuance of the Bonds from proceeds of the Bonds deposited with the Paying Agent upon delivery and closing of sale of the Bonds.

SECTION 21. Non-Arbitrage Representations, Warranties and Covenants. The Governing Authority of the Issuer certifies and covenants that so long as the Bonds remain outstanding, moneys on deposit in any fund in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause such Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code or ruling or regulations promulgated thereunder.

March 13, 2018

The Governing Authority hereby authorizes the Executive Officers of the Issuer to be responsible for issuing the Bonds to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be excludable from gross income for purposes of federal income taxation. In connection therewith, the Issuer and the Governing Authority further agree:

(a) through the Executive Officers to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by the Executive Officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Issuer in such compliance.

SECTION 22. Printing and Delivery of Bonds. The Executive Officers of the Issuer are hereby empowered, authorized and directed to cause the necessary Bonds to be printed or lithographed, and they are hereby further empowered, authorized and directed to sign, execute and seal all of the Bonds as herein provided, all in accordance with the provisions of law and this Resolution.

SECTION 23. Preliminary Official Statement. The dissemination and distribution of and the disclosure material in the Preliminary Official Statement and the Official Statement in connection with the sale of the Bonds are hereby ratified and confirmed in all respects by this Governing Authority, and the Issuer and the Governing Authority hereby certify that such disclosure material is deemed final by the Issuer and Governing Authority as of its date for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934. The Issuer further

March 13, 2018

authorizes, directs, and ratifies the execution by the Executive Officers and delivery of such final Official Statement to Stifel, Nicolaus & Company, Incorporated, as Underwriter.

SECTION 24. Execution of Documents. The Executive Officers of the Issuer are hereby authorized and directed to accept, receive, execute, seal, attest and deliver the Preliminary Official Statement, the Official Statement, the Tax Agreement, the Agreement, the Bond Purchase Agreement, the Continuing Disclosure Certificate, the Bond Purchase Agreement dated March 13, 2018 by and between the Issuer and the Underwriter, and any and all such documents, certificates, and other instruments as are required in connection with the authorization, issuance, and delivery of the Bonds, in such forms as are acceptable to Bond Counsel, or to take such further action as may be appropriate or required by law in connection with the authorization, issuance, and delivery of the Bonds. The acceptance, receipt, execution, seal, attestation, and deliverance of the Bond Purchase Agreement by the Executive Officers of the Issuer is hereby ratified in all respects.

SECTION 25. Publication. A copy of this Resolution shall be published immediately after its adoption in one (1) issue of the *American Press*, the official journal of the Issuer. For a period of thirty (30) days from the date of such publication, any person in interest shall have the right to contest the legality of this Resolution and of the Bonds to be issued pursuant hereto and the provisions hereof securing the Bonds. After the expiration of said thirty (30) days, no one shall have any right of action to contest the validity of the Bonds or the provisions of this Resolution, and the Bonds shall be conclusively presumed to be legal and no court shall thereafter have authority to inquire into such matters.

SECTION 26. Savings Clause. In case any one or more of the provisions of this Resolution or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Resolution or of the Bonds, but the Resolution and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date or dates of this Resolution and of the Bonds

which validates or makes legal any provision of this Resolution or the Bonds which would not otherwise be valid or legal, shall be decreed to apply to this Resolution and to the Bonds.

SECTION 27. Reserved.

SECTION 28. Additional Parity Bonds. The Issuer hereby expressly reserves the right to issue from time to time additional bonds payable from and secured by ad valorem taxation on a parity with the Bonds.

SECTION 29. Continuing Disclosure Certificate. The Issuer has authorized the execution and delivery of a Continuing Disclosure Certificate pursuant to Section (d)(2) of the Securities and Exchange Commission Rule 15c2-12 (the “Continuing Disclosure Certificate”). The Continuing Disclosure Certificate executed and delivered by the President and Secretary of the Governing Authority as heretofore authorized by resolution providing for the sale and delivery of the Bonds to the Purchaser is ratified, approved and confirmed. The Issuer, acting through the Governing Authority, hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the Issuer or the Governing Authority to comply with the Continuing Disclosure Certificate shall not be considered a default hereunder. However, any Participating Underwriter, as defined in the Continuing Disclosure Certificate, or any Bond Owner may take such actions under Louisiana law as may be necessary and appropriate, including seeking a mandatory injunction, writ of mandamus or other order or judgment for specific performance by court order to cause the Issuer and/or the Governing Authority to comply with its obligations under the Continuing Disclosure Certificate and this Section and the provisions of this Resolution heretofore adopted authorizing the Continuing Disclosure Certificate.

SECTION 30. Further Acts. All acts and doings of the Executive Officers of the Issuer which are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved and confirmed.

SECTION 31. Administration of Bond Proceeds. In accordance with and pursuant to the provisions of Subpart A of Part III of Chapter 4 of Sub-Title II of Title 39 of the Louisiana Revised Statutes of 1950, as amended, the Governing Authority of the Issuer is hereby confirmed as administrator of the

funds of the Issuer, and is further charged with the responsibilities of investing the proceeds of the Bonds in accordance with the terms of this Resolution and the Letter of Investment Instructions which is annexed hereto as **Exhibit B**. The Superintendent of Public Schools for the Parish of Calcasieu, Louisiana, and Ex-officio Secretary of the Governing Authority shall signify his acceptance of the responsibilities set forth herein and within the Letter of Investment Instructions by his execution of the Letter of Investment Instructions.

SECTION 32. Beneficiaries of the Resolution. The provisions of this Resolution are for the sole benefit of the Owners of the Bonds and beneficial owners of the Bonds, and nothing contained herein, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Resolution, and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Resolution or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell the Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO OWNERS OF THE BONDS OR BENEFICIAL OWNERS OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS RESOLUTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the Issuer in observing or performing its obligations under Section 29 hereof shall constitute a breach of or default under this Resolution.

SECTION 33. Provisions Applicable to the Bond Insurer.

COMMITTEE REPORTS

A. A&P Committee, February 27, 2018/Eric Tarver, *Chair*

Mr. Tarver gave the following report:

The Calcasieu Parish School Board Administration and Personnel Committee met Tuesday, February 27, 2018 in the Board room at 3310 Broad Street, Lake Charles, Louisiana. A quorum was present.

Mr. Tarver called the meeting to order at 5p.m. The prayer and Pledge of Allegiance was led by Ron Hayes. Present: Eric Tarver, Chair, Committee members, Chad Guidry, John Duhon, Damon Hardesty, Dean Roberts, Alvin Smith, Wayne Williams and Shannon LaFargue, Secretary. Other Board Members present Russell Castille, Mack Dellafosse, Ron Hayes and Aaron Natali.

Absent : Annette Ballard, Fred Hardy

Dr. LaFargue discussed Lunching with Law Enforcement.

Recently, the District Attorney's Office, the Calcasieu Parish School Board, and local stakeholders announced new local initiatives regarding the targeting of youth violence. With this in mind, staff is recommending another layer of support to these initiatives. Our recommended initiative is called Lunching with Law Enforcement. This new initiative is a partnership between CPSB's School Nutrition Program and local law enforcement agencies.

Lunching with Law Enforcement will bring law enforcement officers into school cafeterias twice a month to eat lunch with our students. Each agency is invited to send up to two (officers/deputies) per campus on the first and third Thursdays of each month during the school year. Lunch will be provided to (officers/deputies) at no cost. All they will need to do is show up and spend time with our students.

People and agencies working together is what builds a better community. The School Board's goal through *Lunching with Law Enforcement* is to further strengthen the existing relationship between the community we serve and local law enforcement agencies. We are truly better together.

It's been said more than once that raising a child takes a village. We are part of that village for over 33,000 students in our community, and so are the members of the (law enforcement agency).

There was much discussion on the subject.

On a motion by Mack Dellafosse and seconded by Damon Hardesty, it was recommended to approve Lunching with Law Enforcement as presented.

On behalf of the committee, Mr. Tarver offered a motion to approve the recommendation. A second was not needed and the motion carried on a vote.

Next, Andrea Matte, Bus Driver Association, spoke on a blue card.

Then, Dr. LaFargue discussed Transportation - Leasing buses and maintenance services vs. purchasing buses and maintenance services.

At the November 14th, 2017, Board meeting, staff was given permission to look into outsourcing maintenance options for the transportation department. This request by staff and subsequent board approval followed an A to Z look at the Transportation Department which was presented at the October 27, 2017, A & P meeting. After examining current trends in the industry and other parishes utilizing leasing programs, staff would like to discuss leasing buses and maintenance services.

There was much discussion on the subject. On a motion by Mr. Dellafosse and a second by Mr. Hayes, it was approved by vote to discuss this item further.

On behalf of the committee, Mr. Tarver offered a motion to approve the recommendation to look into this for further discussion. A second was not needed and the motion carried on a vote.

Then, Dr. LaFargue discussed Coaching Supplements – Add one Assistant Coaching Supplement to each High School's allotment.

It is the recommendation of staff that one full-time assistant coaching supplement be added to each high

school in the parish.

On a motion by John Duhon and seconded by Damon Hardesty, it was recommended to approve adding one Assistant Coaching Supplement to each High School's allotment as presented.

John Duhon offered a motion to amend to add one Assistant Coaching Supplement at each middle school. Damon Hardesty seconded the motion.

Next, Teri Johnson, Calcasieu Federation of Teachers, spoke on a blue card.

After much discussion it was recommended to approve adding one Assistant Coaching Supplement to each High School and Middle School allotment. On a vote, the motion carried; there was one nay vote.

On behalf of the committee, Mr. Tarver offered a motion to approve the recommendation. A second was not needed and the motion carried on a vote, with one nay.

Then, Dr. LaFargue discussed Perfect Attendance Incentive Program Update. This item is for informational purposes only. For the first semester, 303 (up from 240) teachers qualified for the perfect attendance incentive of \$200. This is a 26% increase in teachers from last year's qualifiers.

Next, Dr. LaFargue discussed Bus Driver Employee Referral Program. This item is for informational purposes only. The Bus Driver Employee Program has produced 16 drivers and has paid referring employees in our district \$10,000 with an additional \$2,000 to be paid out once some of the drivers reach their 6 month mark on the job.

Then, Christa Foolkes, Deaf/Hard of Hearing Consultant, spoke on a blue card.

Next, Dr. LaFargue discussed the Consideration of Amendments to Interpreter Salary Schedules. The problem is the critical shortage of educational interpreters which leaves our students without service providers. The solution would be to provide a salary that will attract qualified interpreters.

On a motion by Mack Dellafosse and seconded by Ron Hayes, it was recommended to approve Consideration of Amendments to Interpreter Salary Schedules as presented.

On behalf of the committee, Mr. Tarver offered a motion to approve the recommendation. A second was not needed and the motion carried on a vote.

Then, the next items presented were revisions to Calcasieu Parish School Board policies. Dr. LaFargue presented **Policies DFN, Sale of Buildings and Land, ECA, Authorized Use of Equipment – New Policy, GBC, Recruitment, GBRIB, Sick Leave, IDCJ, Supplemental Educational Services – Recommended for Deletion, IDDH, English Learner Program, IFD, Parent and Family Engagement, IFDA, Parental Rights/Student Rights of Privacy, JR, Student Records, and DFAA, Industrial Tax Exemption – New Policy.** There were minor revisions to the language.

The cooperative endeavor agreement shall set forth in reasonable detail the obligations of the parties and shall:

1. Identify the equipment that will be shared.
2. Explain the use of the equipment and the approximate length of time for use of the equipment by the requesting public entity.
3. Address the responsibility for repairing or replacing the equipment when the equipment becomes inoperable for its intended use due to a mechanical or other breakdown while in the possession of the requesting public entity.
4. Include a hold harmless provision releasing the lending public entity from expenses, damages, or losses arising from the use of the equipment.

When an emergency situation is declared and public entities need to share equipment, the provisions above requiring a cooperative agreement shall not be required, provided the public entities share the equipment in good faith relative to the emergency situation.

RECRUITMENT

The Calcasieu Parish School Board shall make a concerted effort to recruit the best qualified applicants available. When vacancies occur in existing positions or when new positions are created, and such positions are not filled by transfer of qualified personnel, the Superintendent or his/her designee shall post notice of the vacancy and shall have the discretion to advertise for certain positions when circumstances warrant.

When filling vacancies in positions of authority or those with policymaking duties, the Superintendent or his/her designee shall not utilize only oral contacts and interviews of applicants considered, or use any other means to circumvent the provisions of state statute. Nothing, however, shall prohibit oral contact prior to a person becoming an applicant or shall prohibit oral contact which may result in a written application or other documents.

APPLICATIONS

Applications submitted for positions within the jurisdiction of the School Board shall be maintained on active status for a period of one (1) year from the date of receipt by the personnel department. Each

individual seeking employment shall complete and submit the appropriate application designed for the position sought, and an employee seeking reassignment or promotion shall file the appropriate documents in a timely manner for each position sought.

Disclosure of Information by Applicant

As part of the application process, the School Board shall require the applicant to sign a statement that authorizes the release and disclosure of the following information by the applicant's current or previous employer(s):

1. All actual cases of sexual misconduct with a minor or student by the applicant.
2. All instances of *sexual misconduct with students*, as defined by the Louisiana Board of Elementary and Secondary Education (BESE), and outlined in the *Louisiana Handbook for School Administrators*, Bulletin 741, committed by the applicant, if any, if such employer is/was a city, parish, or other local public School Board.
.
3. All investigations of sexual misconduct by the applicant with a minor or student that occurred within thirty-six (36) months prior to the applicant's resignation, dismissal, or retirement from employment.
4. All actual or investigated cases of *abuse* or *neglect* committed by the applicant, if any, if such employer is/was the Louisiana School for the Deaf, the Louisiana School for the Visually Impaired, or the Louisiana Special Education Center.

If an investigation determined that a formal allegation of an applicant was inconclusive, unjustified, or otherwise without cause for further formal pursuit, the applicant shall not be required to disclose such information.

The statement shall also request the current or previous employing School Board make available to the School Board, through its Superintendent or his/her designee, within twenty (20) business days of receipt of the request, copies of all documents as contained in the applicant's personnel file maintained by such employer relative to instances of sexual misconduct, if any. Such request for information shall include a copy of the required statement signed by the applicant.

The Superintendent, or principal, with the approval of the Superintendent, may employ any applicant on a conditional basis pending a review of any information obtained pursuant to this request. Permanent employment shall not occur until the information has been satisfactorily verified. However, in accordance with statutory provisions, the Superintendent shall not hire any applicant who does not sign the release of information statement as required by law.

Any information obtained by the School Board as a result of the signed release statement and request outlined above shall be used by the Superintendent *only* for the purpose of evaluating an applicant's

qualifications for employment in the position for which he/she has applied, is not subject to the state public records statutes, and shall not be disclosed to any person, other than the applicant, who is not directly involved in the process of evaluating the applicant's qualifications for employment.

In addition to the above, as part of the application process, the School Board shall request the applicant's performance evaluation results, if applicable. All persons, prior to employment as a bus operator with the Board, shall fill out an application form. Each applicant shall complete all prerequisites required by law and Bulletin 119, *Louisiana Student Transportation Specifications and Procedures*, before he/she shall be considered for employment as a bus operator or substitute bus operator.

Upon completion of the prerequisites, the applicant's valid application shall be filed in the personnel department for consideration of employment to fill vacancies as they occur. All applications shall be validated each year.

GBRIB – Sick Leave

Act 227 has made changes to statutory language regarding additional leave provided for disability as a result of physical assault and battery, or physical contact with a student, and provides for certification of such disability. This policy now has a terminology section for different types of employees that are impacted by the policy.

SICK LEAVE

FILE: GBRIB

Cf: EGAA, GBRIBB

The Calcasieu Parish School Board shall grant all employees hired for the school year or longer a minimum of ten (10) days absence per year because of personal illness or other emergencies without loss of pay in accordance with the following schedule:

<u>Months Employed</u>	<u>Sick Leave Days per Year</u>
9	10
10	11
11	11
12	12

Sick leave, when not used, shall be allowed to accumulate to the credit of the employee without limitation. However, upon initial employment, a *teacher* employed by the School Board shall not be allowed any sick leave until he/she reports for duty and actually performs work.

The minimum of ten days of sick leave for an employee shall be based on the employee beginning work at the beginning of the school year. In the case of an employee beginning work in the first month of the school year, *ten days* sick leave shall be allowed. If an employee begins work in the second month of the school year, *nine days* of sick leave shall be allowed, and the number of days of sick leave shall continue to be prorated for an employee who begins work until the eighth month of the school year, when only *three days* of sick leave shall be allowed. The Superintendent and/or his/her designee shall be responsible for developing and maintaining pertinent regulations and procedures governing sick leave.

All other employees (10, 11, and 12 month employees) will be given a minimum of 10, 11, or 12 days which will be based on the employee's hire date. If hired after the appropriate starting time, their sick leave will be prorated from a schedule established by the Personnel Department.

**TERMINOL
OGY**

Statutes governing sick leave for School Board personnel include differing provisions for different categories of

employees. For purposes of this policy, the following terminology shall apply:

(information in green moved from below)

Teacher:

A teacher shall mean any person employed by the School Board who holds a valid teaching certificate issued by the Louisiana Department of Education and or any social worker, guidance counselor, or school psychologist employed by the School Board who holds, as applicable, a valid professional ancillary certificate in social work, guidance counseling, or school psychology issued by the Louisiana Department of Education.

Bus Driver

A bus operator shall mean any person employed by the School Board who operates a school bus transporting children under the supervision of the School Board.

School Employee:

A school employee shall mean any person employed by the School Board who is not a teacher or whose employment does not require the holding of a teacher's certificate or who is not employed as a bus driver operator.

The use of the term *employee* shall include all three categories of personnel.

An employee who is absent for six (6) or more consecutive days shall be required to present a certificate from a physician certifying such absence upon return to work. In the case of repeated absences of less than six (6) days because of illness, the School Board reserves the right to require verification of illness. Should a pattern of behavior so warrant, upon the request of the Superintendent or School Board, the employee shall be required, at the expense of the School Board, to provide a certificate from a physician specified by the Superintendent or School Board, in order to verify the existence of ~~a medical disability~~ an illness, injury, or medical emergency.

Excuses for employee absences due to illness or injury must be provided on physician's letterhead containing the physician's name, address, and telephone number, typed, printed, or as part of the letterhead. The physician's typed or neatly printed name shall also appear beneath his/her signature. The letter must clearly state the reason for the ~~disability~~ illness or injury, date of the ~~disability~~ illness or injury, and the anticipated return-to-work date.

If an employee is absent from duty under circumstances in which he/she is not entitled to any kind of leave, such employee shall be considered to be in violation of his/her contract, and is not entitled to be paid for the days of unauthorized absence and non-performance of duties.

SICK LEAVE FOR EMERGENCIES

Emergencies for sick leave purposes shall be defined by the School Board as:

1. serious illness or disability of immediate family (spouse or children);
2. serious illness or disability of the employee's parents or those to the spouse, brothers and sisters or those of the spouse; or
3. wedding of the employee.

Emergencies not listed shall be considered by the

Superintendent. EXTENDED SICK LEAVE

The School Board shall permit employees to take up to ninety (90) days of extended sick leave in each six-year period of employment which may be used for a medical necessity at any time the employee has **no** remaining regular sick leave balance at the time the extended sick leave is set to begin. The initial six-year period of employment shall begin on August 15, 1999 for all *teachers* and bus ~~drivers~~ operators employed as of that date, on August 15, 2008 for *school employees* ~~(not a teacher or whose employment does not require a teacher's certificate, or who is not employed as a bus driver)~~ employed as of that date, or on the effective date of employment for those employees employed after the dates above. All decisions relative to the granting of extended sick leave shall be made by the Superintendent.

Unused days during any six-year period of employment shall not cumulate or carry forward into the next six-year period of employment. The balance of days of extended sick leave available shall transfer with the employee from one public school employer to another without loss or restoration of days.

Interruptions of service between periods of employment with a public school employer shall not be included in any calculation of a six-year period, such that any employment with any public school employer, regardless of when it occurs, shall be included in any determination of the balance of days of extended sick leave available to the employee.

Any employee on extended sick leave shall be paid **sixty-five percent (65%)** of the salary paid the employee at the time the extended sick leave begins.

Gainful Employment Permitted

An employee may undertake additional gainful employment while on extended sick leave, provided **all** of the following conditions are met:

1. The employee can demonstrate that he/she will be working not more than twenty (20) hours a week in a part-time job that the employee has been working for not less than one hundred twenty (120) days prior to the beginning of any period of extended sick leave.

The required physician's statement may be presented along with the request for extended sick leave subsequent to the *teacher's* or *school employee's* return to service. In such a case, the extended sick leave shall be granted for all days for which extended sick leave is requested, provided the request and required documentation is presented within three (3) days after the *teacher* or *school employee* returns to service. However, the School Board or the Superintendent reserves the right to question the validity

of the medical certification after the three day period.

If the period an employee is on extended sick leave is anticipated to carry over from one school year to the start of the next school year, another application and physician's statement shall be submitted prior to the start of the next school year in order to be eligible for continued extended sick leave.

(Information in green moved below)

9	10
10	11
11	11
12	12

Sick leave, when not used, shall be allowed to accumulate to the credit of the employee without limitation. However, upon initial employment, a *teacher* employed by the School Board shall not be allowed any sick leave until he/she reports for duty and actually performs work.

The minimum of ten days of sick leave for an employee shall be based on the employee beginning work

at the beginning of the school year. In the case of an employee beginning work in the first month of the school year, *ten days* sick leave shall be allowed. If an employee begins work in the second month of the school year, *nine days* of sick leave shall be allowed, and the number of days of sick leave shall continue to be prorated for an employee who begins work until the eighth month of the school year, when only *three days* of sick leave shall be allowed. The Superintendent and/or his/her designee shall be responsible for developing and maintaining pertinent regulations and procedures governing sick leave.

All other employees (10, 11, and 12 month employees) will be given a minimum of 10, 11, or 12 days which will be based on the employee's hire date. If hired after the appropriate starting time, their sick leave will be prorated from a schedule established by the Personnel Department.

TERMINOL OGY

Statutes governing sick leave for School Board personnel include differing provisions for different categories of employees. For purposes of this policy, the following terminology shall apply:

A *teacher* shall mean any person employed by the School Board who holds a valid teaching certificate or any social worker, guidance counselor, or school psychologist employed by the School Board who holds, as applicable, a valid professional ancillary certificate.

A *bus operator* shall mean any person employed by the School Board who operates a school bus transporting children under the supervision of the School Board.

A *school employee* shall mean any person employed by the School Board who is not a teacher or whose employment does not require the holding of a teacher's certificate or who is not employed as a bus operator.

The use of the term *employee* shall include all three categories of personnel.

An employee who is absent for six (6) or more consecutive days shall be required to present a certificate from a physician certifying such absence upon return to work. In the case of repeated absences of less than six (6) days because of illness, the School Board reserves the right to require verification of illness. Should a pattern of behavior so warrant, upon the request of the Superintendent or School Board, the employee shall be required, at the expense of the School Board, to provide a certificate from a physician specified by the Superintendent or School Board, in order to verify the existence of an illness, injury, or medical emergency.

Excuses for employee absences due to illness or injury must be provided on physician's letterhead containing the physician's name, address, and telephone number, typed, printed, or as part of the letterhead. The physician's typed or neatly printed name shall also appear beneath his/her signature. The letter must clearly state the reason for the illness or injury, date of the illness or injury, and the anticipated return-to-work date.

If an employee is absent from duty under circumstances in which he/she is not entitled to any kind of leave, such employee shall be considered to be in violation of his/her contract, and is not entitled to be paid for the days of unauthorized absence and non-performance of duties.

SICK LEAVE FOR

EMERGENCIES

Emergencies for sick leave purposes shall be defined by the School Board as:

1. serious illness or disability of immediate family (spouse or children);
2. serious illness or disability of the employee's parents or those to the spouse, brothers and sisters or those of the spouse; or
3. wedding of the employee.

Emergencies not listed shall be considered by the

Superintendent. EXTENDED SICK LEAVE

The School Board shall permit employees to take up to ninety (90) days of extended sick leave in each six-year period of employment which may be used for a medical necessity at any time the employee has **no** remaining regular sick leave balance at the time the extended sick leave is set to begin. The initial six-year period of employment shall begin on August 15, 1999 for all *teachers* and *bus operators* employed as of that date, on August 15, 2008 for *school employees* employed as of that date, or on the effective date of employment for those employees employed after the dates above. All decisions relative to the granting of extended sick leave shall be made by the Superintendent.

Unused days during any six-year period of employment shall not cumulate or carry forward into the next six-year period of employment. The balance of days of extended sick leave available shall transfer with the employee from one public school employer to another without loss or restoration of days.

Interruptions of service between periods of employment with a public school employer shall not be included in any calculation of a six-year period, such that any employment with any public school employer, regardless of when it occurs, shall be included in any determination of the balance of days of extended sick leave available to the employee.

Any employee on extended sick leave shall be paid **sixty-five percent (65%)** of the salary paid the employee at the time the extended sick leave begins.

Definitions

Child means a biological son or daughter, an adopted son or daughter, a foster son or daughter, a stepson or daughter, or a legal ward of an employee standing in *loco parentis* to that ward who is either under the age of eighteen (18) or who is eighteen (18) years of age but under twenty-four (24) years of age and is a full-time student, or who is nineteen (19) years of age or older and incapable of self-care because of a mental or physical disability.

Immediate family member shall mean a spouse, parent, or child of the employee.

Infant means a child under one year of age.

Medical necessity shall be the result of a catastrophic illness or injury, a life-threatening, chronic, or incapacitating condition, as certified by a physician, of the employee or a member of his/her immediate family.

Parent means the biological parent of an employee or an individual who stood in *loco parentis* to the employee.

Extended Sick Leave for Maternity Purposes

Each *teacher* granted maternity leave in accordance with state law and who has no remaining sick leave available may also be granted up to (30) days of additional extended sick leave in each six-year period of employment for personal illness relating to pregnancy, illness of an infant, or for required medical visits certified by a physician as relating to infant or maternal health.

Gainful Employment Permitted

An employee may undertake additional gainful employment while on extended sick leave, provided **all** of the following conditions are met:

1. The employee can demonstrate that he/she will be working not more than twenty (20) hours a week in a part-time job that the employee has been working for not less than one hundred twenty (120) days prior to the beginning of any period of extended sick leave.
2. The physician who certifies the medical necessity of the leave indicates that such part-time work does not impair the purpose for which the extended sick leave is required.

Any violation of the provisions regarding gainful employment may require the employee to return to the School Board all compensation paid during any week of extended sick leave in which the employee worked more than twenty (20) hours and to reimburse the School Board all related employment costs attributable to such period as calculated by the School Board, without any restoration of leave days.

Application Process

On every occasion that a *teacher* uses extended sick leave, a statement from a licensed physician certifying that it is for personal illness relating to pregnancy, illness of an infant, or for required medical visits related to infant or maternal health, or that it is a medical necessity, shall be presented prior to extended sick leave being taken.

On every occasion that a *bus operator* or *school employee* uses extended sick leave, a statement from a licensed physician certifying that it is a medical necessity for the *bus operator* or *school employee* to be absent for at least ten (10) consecutive work days shall be presented prior to extended sick leave being taken.

The required physician's statement may be presented along with the request for extended sick leave subsequent to the *teacher's* or *school employee's* return to service. In such a case, the extended sick leave shall be granted for all days for which extended sick leave is requested, provided the request and

required documentation is presented within three (3) days after the *teacher* or *school employee* returns to service. However, the School Board or the Superintendent reserves the right to question the validity of the medical certification after the three day period.

If the period an employee is on extended sick leave is anticipated to carry over from one school year to the start of the next school year, another application and physician's statement shall be submitted prior to the start of the next school year in order to be eligible for continued extended sick leave.

SICK LEAVE FOR ASSAULT OR BATTERY

Any employee of the public schools who is disabled while acting in his/her official capacity as a result of an assault or battery by any student or person shall receive sick leave without reduction in pay, and without reduction in accrued sick leave days while disabled as a result of such assault and battery. A *teacher* shall be required to provide a certificate from a physician certifying the disability. A *bus operator* or *school employee* shall be required to present certification of the disability from a physician if the bus operator or school employee is absent for six (6) or more consecutive days as a result of the disability.

Disability, for purposes of this policy, shall mean the inability to perform the essential functions of the job.

The sick leave authorized shall be in addition to all other sick leave authorized herein, shall not be accumulated from year to year, nor shall such additional sick leave be compensated for at death or retirement, or compensated for in any manner except as set forth above.

The School Board shall not reduce the pay or accrued sick leave of any employee who is absent from his/her duties to seek medical attention or treatment as a result of an injury from assault or battery.

If the employee's physician determines that the employee is able to return to regular duties with restrictions and the School Board does not allow the employee to return to duty with those restrictions, the employee's leave shall be granted or continued as provided by statute.

If any *teacher* or *school employee*, but **not** a *bus operator* is receiving sick leave as a result of assault or battery as provided in this section and begins receiving retirement benefits, the sick leave provided herein shall cease.

SICK LEAVE FOR PHYSICAL CONTACT WITH A STUDENT

Any *teacher* who is disabled while acting in his/her official capacity as a result of physical contact with a student while providing physical assistance to a student to prevent danger or risk of injury to the student, shall receive sick leave for a period of up to one (1) calendar year without reduction in pay and without reduction in accrued sick leave days while disabled as a result of rendering such assistance. Any *school employee*, but not a *bus operator*, disabled in a similar manner shall receive up to ninety (90) days of such sick leave. The *teacher* or *school employee* shall be required to present a certificate from a physician certifying the disability. The School Board may extend the period of sick leave beyond the allowable period at its discretion.

The School Board shall not reduce the pay or accrued sick leave of any *teacher* or *school employee* who is absent from his/her duties to seek medical attention or treatment as a result of an injury from physical

contact with a student.

If the *teacher's* or *school employee's* physician determines that the employee is able to return to regular duties with restrictions and the School Board does not allow the employee to return to duty with those restrictions, the *teacher's* or *school employee's* leave shall be granted or continued as provided by statute.

VALIDITY OF PHYSICIAN'S CERTIFICATION

If at any time during the period of certified disability the School Board questions the validity or accuracy of the physician's certification for any type of sick leave request made by a *teacher*, or for extended leave or leave requested as a result of physical assault or battery made by a *bus operator* or *school employee*, the School Board may require the employee to be examined by a licensed physician selected by the School Board.

Any further review of medical certification shall proceed as follows:

1. Upon review of the physician's certification submitted, if the School Board or Superintendent questions the validity or accuracy of the certification, the School Board or Superintendent may require the employee, or the immediate family member, as applicable, as a condition for taking the applicable sick leave, to be examined by a licensed physician selected by the School Board or Superintendent. If the physician finds medical necessity or certifies a disability, the leave shall be granted.
2. If the selected physician disagrees with the original medical certification from the physician selected by the employee, then the School Board or Superintendent may require the employee, or immediate family member, as applicable, as a condition for taking the applicable sick leave, to be examined by a *third* licensed physician, whose name appears next in the rotation of physicians on a list established by the local medical society and maintained by the School Board or Superintendent. The final determination of medical necessity or certification of a disability shall be based on the opinion of the third physician.
3. In the determination of the validity of a physician's certification, the opinion of *all* physicians consulted shall be submitted to the School Board or Superintendent in the form of a **sworn statement**. All information contained in any statement from a physician shall be confidential and shall not be subject to the public records law.

The School Board shall pay all costs of any examinations and tests determined to be necessary. SICK LEAVE/WORKERS' COMPENSATION

Should any *teacher* become injured or disabled while acting in his/her official capacity, other than by assault, the *teacher* shall be entitled to appropriate worker's compensation benefits and/or sick leave benefits, at the *teacher's* option, for the period of time while injured or disabled. Any benefits received, however, shall not exceed the total amount of the regular salary the *teacher* was receiving at the time of injury or disability. The *teacher* shall be required to present a certificate from a physician certifying such injury or incapacitation.

VESTING OF SICK
LEAVE

All sick leave accumulated by a *teacher or school employee*, but *not a bus operator*, shall be vested in the *teacher or school employee* by whom such leave has been accumulated. In the event of the transfer of a *teacher or school employee* from one school system to another in Louisiana, or upon the return of such *teacher or school employee* to the same school system within five (5) years or such longer period that may be approved by the School Board to which the *teacher or school employee* returned, regardless of the dates on which the leave was accumulated or the date of transfer or return of the *teacher or school employee*, such vested leave which remains unused or for which the *teacher or school employee* has not been compensated directly or transferred such days for retirement credit, shall be transferred, returned to, or continued by the School Board and shall be retained to the credit of *teacher or school employee*.

PAYMENT UPON RETIREMENT
OR DEATH

Upon the retirement of any employee, or upon the employee entering or upon the employee's death prior to retirement, the School Board shall pay the employee or his/her heirs or assigns, for any unused sick leave, not to exceed twenty-five (25) days. Such pay shall be at the daily rate of pay paid to the employee at the time of his/her retirement or death.

DEFERRED RETIREMENT OPTION
PROGRAM (DROP)

Any employee of the Calcasieu Parish School Board who participates in the *Deferred Retirement Option Program* (DROP) shall be eligible for and may elect to receive on a one-time basis severance pay (accrued sick leave up to a maximum of twenty-five (25) days) upon entering DROP on the same basis as any other employee who retires or otherwise leaves employment; otherwise, any accrued sick leave shall be paid only upon final retirement of the employee.

SUPPLEMENTAL EDUCATIONAL SERVICES

The Calcasieu Parish School Board may offer parents of eligible children in schools identified in school improvement, opportunities for higher academic achievement through supplemental educational services (SES).

Supplemental educational services (SES) are additional academic instruction in reading, language arts/English, and/or mathematics that are designed to increase the academic achievement of students in schools in need of improvement. These services may include academic assistance such as tutoring, remediation and other educational interventions that are consistent with the content and instruction used by the Calcasieu Parish School Board, and which are aligned with the State of Louisiana's academic content standards. In keeping with provisions of the *No Child Left Behind Act of 2001 (NCLB)*, all supplemental educational services shall be provided outside of the regular school day, before or after school, on weekends, or in the summer, and shall be of high quality, research-based, and specifically designed to increase student academic achievement.

School Boards with schools rated as *Academically Unacceptable* may offer supplemental educational services as part of their school improvement efforts. If utilized, the School Board shall notify parents about SES and explain the process and the scope of services. If SES is to be utilized in a school rated F, the SES provider shall be selected by the School Board from a state-approved list of providers published by the Louisiana Department of Education.

Supplemental educational services shall be offered until the school in question is no longer identified for school improvement according to the requirements of NCLB.

The term *parent* shall refer to any caregiver who assumes responsibility for nurturing and caring for children, and includes parents, grandparents, aunts, uncles, foster parents, stepparents, and others. The concept of ~~parental involvement~~ parent and family engagement shall include programs, services, and/or activities on the school site, as well as contributions of parents outside the normal school setting.

5. Distribute to parents and families, in a language the parents can understand, information about the Calcasieu Parish School Board's ~~parental involvement~~ parent and family engagement program, as well as provide proper notification to parents about specific services or special programs, as required by state or federal law. ~~Notification shall also include, at the start of school each year, the right of parents to request and receive timely information on the professional qualifications of their children's classroom teachers.~~

PARENT AND FAMILY ENGAGEMENT

The Calcasieu Parish School Board recognizes that parent and family engagement must be a priority of the School Board for children to learn and achieve academic success. Parents and families provide the primary educational environment for children; consequently, parents are vital and necessary partners with the School Board throughout their children's elementary and secondary school careers. The term

parent shall refer to any caregiver who assumes responsibility for nurturing and caring for children, and includes parents, grandparents, aunts, uncles, foster parents, stepparents, and others. The concept of parent and family engagement shall include programs, services, and/or activities on the school site, as well as contributions of parents outside the normal school setting.

It shall be the policy of the School Board and each public school in Calcasieu Parish, in meaningful collaboration with parents, teachers, students, administrators, and other educational resources, to establish, develop, and maintain strategies and programs that are intended to enhance the involvement of parents and other caregivers that reflect the needs of students, parents, and families served by the School Board, in accordance with applicable state and federal laws and regulations. As part of the parent and family engagement program, it shall be the responsibility of every school to create a welcoming environment, conducive to learning and supportive for comprehensive family involvement programs that have been developed jointly with parents/families.

DISTRICT LEVEL RESPONSIBILITIES

5. If the school-wide parent and family engagement program plan is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to school district level personnel.

each public school under the jurisdiction of the School Board:

C. Approval of Redesign 2 Grant for Eligible Persistently Struggling Schools

Grant Title: Redesign 2 for Eligible Persistently Struggling Schools

Funding Authority: Louisiana Department of Education

Person Applying for Grant: Margaret Goode, Grants Supervisor

Grant Amount: \$693,690 for SY 1 (2018-2019); \$1,976,717 for 3 years

Grant Period: July 1, 2018 – June 30, 2019 to be renewed each year through 2021

Three Schools to Be Added to the Renewing, Reforming, Rebuilding: Calcasieu Parish R³ Zone

The Redesign 1 award approved by BESE in January 2018 provided funds for the establishment of the Zone Leader, the TAP Executive Master Teacher, and NIET/TAP for the Washington Marion High School group (Brentwood Elementary, Clifton Elementary, Combre Fondel Elementary, Johnson Elementary, Pearl Watson Elementary, Ralph Wilson Elementary, Molo Middle, and Washington Marion High Schools). Funds for LaGrange and Oak Park Middle have been committed through the Redesign 1 award; however, funding was not sufficient for TAP implementation at these schools.

Redesign 2 provides for the addition of three LDOE identified persistently struggling elementary schools in the LaGrange High School feeder group: College Oaks, Fairview, and Watkins. These schools will be added to the Transformation Zone, the **Calcasieu Parish R³ Zone**, which will target Calcasieu's thirteen most persistently struggling schools in building a collective school turnaround plan. The CPSB will utilize proven solutions for school improvement, including LDOE approved contracted professional development focused on Tier 1 curriculum to support the teachers in developing effective practices based on content knowledge, assessment, and current school data, as well as provision for additional resources to the struggling schools. The Redesign grants will provide funding for onsite lead teachers and mentor teachers for each school and an Executive Lead Teacher who will work with the Zone Leader to be responsible for the development of the onsite lead and mentor teachers at the LaGrange feeder schools (College Oaks Elementary, Fairview Elementary, Watkins Elementary, Oak Park Middle, and LaGrange High).

As these schools have been struggling for several years, improving student achievement is the highest priority of the CPSB Redesign Plan for transformation in the eligible schools. All aspects of the transformation school improvement plan and all related decisions must contribute to the goal of making substantial, *measurable* academic gains for students and elevating school performance to higher achievement scores on an accelerated timeline to show *significant* progress by the end of school year 2021. We believe that improving our workforce talent *significantly* through *focused, intensive, and aligned* support *specifically designed* for the Zone schools will increase teacher effectiveness which, in turn, will increase student performance and the graduation rate.
