Any student eligible for the Parish Show and ruled ineligible prior to the sale will be allowed to sell but not compete at the District Level.
5. Any exhibitor may sell either: (a) 1 steer (b) 1 hog (c) 1 lamb (d) 1 meat pen of rabbits (e) 1 broiler pen (f) 1 goat
6. **The Grand Champion and Reserve Champion and La. Bred Champion and La. Bred Reserve Champion must sell and will count as a sale unit.** Champions will not be allowed to sell a second animal outside the ring.
7. Only animals receiving purple and blue ribbons will be eligible for sale in the auction. Meat pen rabbits and broilers must qualify in the top 65% to be eligible to sell.
8. Animals must meet the following minimum weight requirements in order to sell:
 - (a) Market Steers - 800 lbs. (all steers weighing over 1275 lbs. will be sold at 1275 lbs.)
 - (b) Market Hogs - 175 lbs. (all hogs weighing over 275 lbs. will be sold at 275 lbs.)
 - (c) Market Lambs - 80 lbs. (all lambs weighing over 140 lbs. will be sold at 140 lbs.)

9. Two percent (2%) commission of the sale price of market lambs, swine, rabbits, broilers and goats and 1 1/2 % commission of the sale price of steers and champions will be deducted to cover death losses and general sale and show expenses. This deduction is not used to purchase an insurance policy, it is used to cover death losses of animals up to the resale value of the animal(s) that die after the sale. If money is available to cover the animals that die at a higher level than the commercial resale price, then those animals will be covered for an amount up to and not exceeding the original sale price of the animal. Any money not used to cover death loss will be added back to the general operating expenses of the show and sale. To be covered under death loss coverage, an animal must have first been ribbon grouped by the Parish Show judge. If the animal dies before the show, the Jr. Livestock Show is not responsible or liable. **Exhibitors' animals that die after qualifying for, but prior to the sale will not be allowed to sell the tag of that animal. That animal will be supported up to the resale price only if the 4-H Office is notified prior to the sale. If the exhibitors have another animal of the same species qualifying for the sale, they have the option of substituting that animal for the dead one.** If the total commercial resale value of death losses is higher than the amount available to cover animals, then animals will be covered at a prorated amount. This percent will be deducted from the sale price. Junior Livestock Show is not responsible or liable for Death losses of breeding animals.
10. All animals sold in the ring must have a picture taken for the buyers and the exhibitor. The cost of these pictures will be deducted from the sale price. This includes Champions.
11. All animals sold must be kept and fed for one week after the last show they are shown in before being delivered. All animals must be in good health and condition when delivered or the sale will be void. It is the responsibility of the exhibitor to deliver his/her animal to the packing house designated by the Buyer.
12. Disposition sheets will be mailed by the sales manager to the exhibitors after District Show or given out at the District Show. This includes all sale animals.
13. Each exhibitor prior to receiving their check must present to the 4-H Agents or Ag Teachers a copy of the Thank-You Note to the buyer of their animal.

Participants in the **Junior Calf Scramble** must have reached their 9th, but not their 12th birthday on January 1 of the year they will participate. All participants must meet the following general guidelines:

- a) must have suitable facilities to care for and develop animals won in the scramble
- b) must have the emotional maturity and desire to care for an animal
- c) must be able to display some reasonable assurance that the participant will show any animal won at the next Southwest District Livestock Show
- d) must have the scholastic ability to devote the time necessary to care for and develop an animal and still maintain reasonable academic standards

3. Participants in the Senior Calf Scramble must weigh at least 100 pounds, and be in good physical condition. Any participant appearing with broken limbs, or evidence of a recent injury (cast, ace bandages, etc.) will be automatically disqualified and will be replaced by an alternate.

4. Winners of the calf scramble will not be eligible to participate in future scrambles sponsored by the Southwest District Livestock Show Inc.

5. Participants must be bonafide members of either a 4-H club, or an FFA Chapter. Students holding membership in both such organizations can only have their name entered once per year for eligibility for participation in the calf scramble. Names of potential participants **must** be submitted by either 4-H agents or Agri-science Teachers. Names **will not** be accepted from parents, family, etc.

6. After all Minor Releases have been checked by the Southwest District Livestock Show Inc. Calf Scramble Committee, each applicant will be notified of their acceptance as a participant, or alternate, when and where to meet on the date and time they are to participate in the Calf Scramble. Official notification will come from the Calf Scramble Committee only. Students selected for participation who know in advance that they will not be able to participate in the calf scramble should notify a member of the Calf Scramble Committee in order that alternates can be selected for participation. Once selected, failure to notify the Calf Scramble Committee of non-participation may result in ineligibility for future calf scrambles.

ARENA RULES

1. Participants and animals will be placed in the arena as directed by the arena director.
2. Participants will take into the arena a rope halter which will be supplied by the Calf Scramble Committee. The halter cannot be used as a lariat. Halters must be placed on the head of the animal in the usual way. (It is suggested that supervisors of all participants instruct the participants in the proper use of a rope halter, and how to place it on the head of a calf before participating in the scramble).
3. At no time will a participant be permitted to tie the rope to his body or belt.
4. Each participant will attempt to catch and halter one of the animals released. The participant catching an animal is required to halter it and lead it across the finish line without any aid.
5. If a participant has a hold of an animal, no other participant will be allowed to touch the animal until it breaks away.
6. If a participant catches the animal by the tail, they will be given a reasonable amount of time to work around to the head; otherwise, the referee will order the animal released.
7. If two or more participants catch the same animal, the animal will be released.
8. The first participant who secures and properly halters an animal and leads it across the finish line will be declared a winner when so indicated by the referee. Second and third place winners will be awarded cash prizes, the value of which will be determined by the sponsor of the calf scramble.
9. Undue roughness will not be tolerated. Poor sportsmanship automatically disqualifies any participant. Participants will not be allowed to drag an animal.
10. The Calf Scramble will be refereed by a select group of not less than four (4) referees.
11. Shoes with any type of knob or cleat, rubber or metal, **WILL NOT BE ALLOWED.**

ASSIGNMENT OF ANIMALS TO SCRAMBLE WINNERS

1. The winner of the calf scramble at each rodeo performance will be awarded a certificate to purchase a beef heifer which **MUST** be shown at the next Southwest District Livestock Show. Scrambles winners must purchase their heifers from a breeder located within Louisiana. Scramble winners will make their own arrangements to purchase heifers. However, they are highly encouraged to solicit the advice and guidance of their 4-H Club Advisors or Agri-Science Teachers. Although the negotiated price of the heifer may exceed \$1000, the Scramble Committee **WILL NOT** reimburse the scramble winner for more than \$1000. Scramble winners who purchase animals for less than \$1000 may be reimbursed for feed and veterinary supplies for an amount that combined with the purchase price does not exceed \$1000. Receipts for such expenses will be required.
2. Animals purchased with calf scramble certificates **CANNOT** be sold, traded, or disposed prior to fulfilling exhibition requirements, except by consent of the Chairman of the Calf Scramble Committee and the participant's Supervisor.
3. Title to an animal won in a scramble will not pass to the participant until the participant has demonstrated the interest, ability and competency to follow instructions in feeding, grooming, and showing said animal.
4. **AFTER THE YEAR'S PROJECT HAS BEEN COMPLETED AND THE HEIFER SHOWN AT THE SOUTHWEST DISTRICT LIVESTOCK SHOW**, money gained from the sale of the heifer will belong to the participant as a reward for their labor, feed, veterinary, insurance and other costs.
5. Scramble winners must notify the Scramble Committee of a negotiated purchase of a heifer by September 15th. of the year the scramble is held. Failure to negotiate a purchase by such date shall render the scramble winners certificate of purchase null and void and the second place winner of the appropriate scramble will be declared the winner.
6. It will be the responsibility of scramble winners to keep the participant's supervisor, and the Calf Scramble Committee abreast of the development and progress of the animal through monthly reports.
