Quorum was not present. Recess was called, no action could be taken, however the following information was presented.

Ms. Skylar Fontenot introduced Ms. Kathy Sonnier with Insurance Resource Group, for the presentation of the group health insurance for the policy year May 1, 2019 – April 30, 2020.

- Net claims paid increased by $1,430,297

- The analysis of Stop Loss Reinsurance was presented
  - Historically CPSB has purchased Stop Loss Reinsurance to limit exposure to $250,000 per claimant
  - Experience shows that once a high dollar claimant has continued high dollar medical needs, the carrier can laser (i.e. carve them out) thus shifting the burden of cost back to CPSB
  - The premiums paid for the coverage have been analyzed against the payouts collected
  - Renewal premium for Stop Loss Coverage is $2.7 million
  - The savings from not purchasing the Stop Loss policy equates to 4% of plan costs
- Summary of Where We are Today
  - Premiums have remained unchanged over the past three years
  - One-month premium holiday during 18-19 plan year
  - There have been changes made to the Plan Administration Costs that have saved the plan money
- Eliminated the Aggregate Reinsurance Coverage
- Eliminated the required claims corridor of 10%
  o The savings from these changes pass directly to our members
  o CPSB Average claims trend over the past 10 years is 4.61%
  o National Health Insurance Claim trend over the past decade is 6.57% and projected to be 6% for the upcoming year
- Staff makes the following recommendations
  o Staff recommends to not purchase the Stop Loss Policy and to designate $2,700,000 of the reserve in the fund balance for health claims about $250,000/year/claim
  o Staff recommends to approve the renewal of the BCBS group health insurance plan for the 5/1/20-4/30/21 policy year with 2.0% premium increase.

Payment is contingent
upon the availability of sufficient collection of state sales tax revenues credited to the appropriate Fund and upon the approval of this Agreement by the Office of Contractual Review or other delegated authority. Notwithstanding any provision hereof to the contrary, the Attachment C-Progress Report and Attachment D-Cost Report for any reporting period ending June 30, 2020, MUST, under all circumstances, be received by the Agency no later than July 15, 2020, in order for the Contracting Party to receive payment for reimbursement of expenses incurred and set forth herein.

Payments by the State under this Agreement will not be released or provided to the Contracting Party if, when, and long as, the Contracting Party fails or refuses to comply with the provisions of R.S. 24:513. No Contracting Party shall be considered to fail or refuse to comply with the provisions of R.S. 24:513 during any extension of time to comply granted by the legislative auditor to the Contracting Party.

4.4 The Contract Monitor shall monitor disbursements on a monthly basis. Under circumstances such that the recipient entity has not demonstrated substantial progress towards goals and objectives, based on established measures of performance, further disbursements shall be discontinued until substantial progress is demonstrated or the entity has justified, to the satisfaction of the Agency, reasons for the lack of progress. If the Agency determines that the recipient failed to use the Line Item Appropriation within the estimated duration of the project or failed to reasonably achieve its specific goals and objectives, without sufficient justification, the Agency shall demand that any unexpended funds be returned to the state treasury within 45 days of the demand unless approval to retain the funds is obtained from the Division of Administration and the Joint Legislative Committee on the Budget. Likewise, if the Contracting Party defaults on the Agreement, breaches the terms of the Agreement, ceases to do business, or ceases to do business in Louisiana it shall be required to repay the State within 45 days of the demand, unless approval to retain the funds is obtained from the Division of Administration and the Joint Legislative Committee on the Budget. For public or quasi-public entities which are recipients under Act 10 of 2019 Regular Legislative Session, the transferring Agency shall forward to the Legislative Auditor, the Division of Administration and the Joint Legislative Committee on the Budget a report showing specific data regarding compliance with this Section and collection of any unexpended funds. This report shall be submitted not later than May 1, 2020.

If the Contracting Party defaults on the agreement, breaches the terms of the agreement, or ceases to do business in Louisiana and does not return unexpended funds upon demand, the agreement shall be turned over to the Attorney General’s Office, Collections Section for collection purposes.

4.5 Taxes: The Contracting Party hereby agrees that the responsibility for payment of taxes from the funds thus received under this Agreement and/or legislative appropriation shall be the Contracting Party’s obligation and identified under Federal tax identification number 72-6000235.

ARTICLE V
TERMINATION FOR CAUSE

5.1 The State may terminate this agreement for cause based upon the failure of the Contracting Party to comply with the terms and/or conditions of the Agreement; provided that the State shall give the Contracting Party written notice specifying the Contracting Party’s failure. If within thirty (30) days after receipt of such notice, the Contracting Party shall not have either corrected such failure or, in the case which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contracting Party in default and the Agreement shall terminate on the date specified in such notice. The Contracting Party may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of this agreement; provided that the Contracting Party
shall give the State written notice specifying the State’s failure and a reasonable opportunity for the State to cure the defect.

ARTICLE VI
TERMINATION FOR CONVENIENCE

6.1 The State may terminate the agreement at any time by giving thirty (30) days written notice to the Contracting Party. Upon receipt of notice, the Contracting Party shall, unless the notice directs otherwise, immediately discontinue the work and placing of orders for materials, facilities, services and supplies in connection with the performance of this agreement. The Contracting Party shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

ARTICLE VII
OWNERSHIP

7.1 All records, reports, documents and other material delivered or transmitted to the Contracting Party by the State shall remain the property of the State, and shall be returned by Contracting Party to the State, at the Contracting Party’s expense, at termination or expiration of this Agreement. All records, reports, documents, or other material related to this agreement and/or obtained or prepared by the Contracting Party in connection with performance of the services contracted for herein shall become the property of the State, and shall, upon request, be returned by Contracting Party to the State at Contracting Party’s expense at termination or expiration of this agreement.

ARTICLE VIII
ASSIGNMENT

8.1 The Contracting Party shall not assign any interest in this agreement and shall not transfer any interest in same (whether by assignment or novation), without prior written consent of the State, provided however, that claims for money due or to become due to the Contracting Party from the State may be assigned to a bank, trust company, or other financial institution without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.

ARTICLE IX
FINANCIAL DISCLOSURE

9.1 Each recipient shall be audited in accordance with R.S. 24:513. If the amount of public funds received by the Contracting Party is below the amount for which an audit is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of the funds to ensure effective achievement of the goals and objectives. This evaluation shall be based upon the progress reports and cost reports as provided and certified by the Contracting Party under the requirements of this agreement, as well as any site visits that may be made under the provisions this agreement, to ensure effective achievement of the goals and objectives.

10.2 The Contracting Party and any subcontractors paid under this Agreement shall maintain all books and records pertaining to this agreement for a period of three years after the date of Treasury's acceptance of the final Cost and Progress Reports and documentation as required to be filed under Section 2.2 of the Agreement.

ARTICLE XI
AMENDMENTS IN WRITING

11.1 Any alteration, variation, modification, or waiver of provisions of this agreement shall be valid only when it has been reduced to writing, executed by all parties and approved by the Director of the Office of Contractual Review, Division of Administration, or other delegated authority prior to the alteration, variation, modification or waiver of any provision of this Agreement. This agreement may not be amended after the expiration date.

ARTICLE XII
FISCAL FUNDING CLAUSE

12.1 The continuation of this agreement is contingent upon the appropriation of funds to fulfill the requirements of the agreement by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the agreement, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the agreement, the agreement shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

ARTICLE XIII
TERM OF CONTRACT

13.1 This Agreement shall begin on July 1, 2019 and shall terminate on June 30, 2020, unless a written extension is agreed upon between the parties or by Act of the Louisiana Legislature providing an extension.

ARTICLE XIV
DISCRIMINATION CLAUSE

14.1 The Contracting Party agrees to abide by the requirements of the following as applicable: Title VI and VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, and Contracting Party agrees to abide by the requirements of the Americans with Disabilities Act of 1990. Any act of discrimination committed by the Contracting Party, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this agreement.

Criteria:  
The Uniform Guidance federal regulations were fully effective as of December 26, 2017 and therefore, the school board, as a recipient of federal awards was required to implement and comply with the Uniform Guidance for the year ended June 30, 2019. The regulations (200.320) require, among other things, that procurement for non-competitive purchases apply only when the item is available only from a single source. The regulations also require procurement purchases of goods and services in an amount between $10,000 and $250,000 follow the small purchase procedures by obtaining an adequate number of prices/quotes. Additionally, the Uniform Guidance outlines other specific requirements for purchases based on purchase amount thresholds.

Condition(s):  
While testing compliance with the federal procurement regulations, we selected for testing all of the eight vendors with expenditures greater than $10,000 and inquired or reviewed the documentation to support the procurement process. Four of the vendors tested were for noncompetitive purchases, one was for professional services and the remaining three for materials, supplies, and/or equipment. The documentation to support the four noncompetitive purchases totaling $150,535 did not adequately demonstrate the vendor selected was the only available source for the items or services purchased. The purchase of professional services in the amount of $43,475 did not adhere to the small purchase procedures requirements, since an adequate number of quotes was not obtained.

Additionally, we obtained the School Board’s adopted Procurement Policy to determine the policies included the requirements of the Uniform Guidance. We found the thresholds for purchase requirements in the School Board’s Procurement Policy had not been updated to reflect the revised thresholds for various purchase levels according to the Uniform Guidance (as amended by Memorandum M-18-18). These thresholds were less than the revised levels.

Cause:
Personnel administering the grants and those in the School Board purchasing department did not execute and enforce the revised purchasing policy containing the amended Uniform Guidance requirements.

Effect:
The School Board’s special education program may be noncompliant with the procurement requirements within the Uniform Guidance with respect to these transactions.

Recommendation:
We recommend for the School Board to better document and research noncompetitive purchases, communicate and enforce the need to obtain price quotes for small purchases, including professional services, and update their internal procurement policies to reflect current federal regulations.

Repeat Finding:
No.

Finding 2019-001, Procurement, SPED Cluster IDEA

Management will update its internal procurement policies to reflect current federal regulations. Management will review with personnel responsible for purchasing all the necessary documentation requirements for purchasing with federal funds to be in complete compliance with the Uniform Guidance Procurement Regulations. Special emphasis will be placed on procedures necessary for documenting research and support when making single source purchases.

If either party fails to appropriate sufficient monies to provide for any future payment requirements under this agreement, this agreement shall terminate on the last day of the last fiscal year for which funds were appropriated.

4. **Amendments and Assignments**

If there is a need to review and/or revise this agreement, the requesting party shall submit a written amendment to the other party, with the understanding that no amendment to this agreement shall be valid unless it is agreed and signed by both parties. (10) **Procurement of Recovered Materials** as required by 2 CFR Part 200.322 which requires procurements in excess of $10,000 to contain the highest percentage of recovered materials practicable while consistent with maintaining a satisfactory level of competition.

(b) **National Policy Requirements:**

1. **Civil Rights Act of 1964**, including Title VI, which generally speaking, states that no person shall on the grounds of race, color or national origin shall be excluded from participation in, be refused the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance,

5. For all construction or repair contracts, **Copeland “Anti-Kickback” Act** which requires all contracts and sub-grants for construction or repair to contain a provision that prohibits a contractor or sub-contractor from inducing, by any means, any person employed in the construction, completion or repairs of public work to give up any part of the compensation to which he is otherwise entitled,

6. **National Environmental Policy Act** which prohibits any activities that will have an adverse impact on the environment,

7. **Energy Policy and Conservation Act** which require the contractors to comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan,

8. **Reporting Provision** requires that all contracts should include a requirement that the contractor assist the Parish, when applicable, with any awarding agency requirements and regulations pertaining to reporting,

9. **Records Access Provision** which reserves the rights of the PARISH, state or federal grantors, the Comptroller General of the United States, or any duly authorized representative of the aforementioned to have access to any books, documents, papers or records of the CONTRACTOR that are directly pertinent to
this agreement for the purpose of making audit examination excerpts and transcriptions and is further discussed in the first part Section 5 of this agreement,

1 Davis Bacon Act is not applicable to this agreement.
(10)**Record Retention Provision** requires that any contract executed must include a provision that all required records will be maintained by the contractor/firm for a minimum period of three years after the Parish formally closes out each federal program (Parish grant managers should verify the three year record retention period with each respective grant agency to ensure that a longer period is not required),

(11)**2013 National Defense Authorization Act (U.S.C. 4712, Pilot Program for Enhancement of Recipient and Subrecipient Employee Whistleblower Protection)** subjects any subawards and contracts over the federal simplified acquisition threshold to the provisions of the above act regarding rights and remedies for employee whistleblower protections,

(12)**Resource Conservation and Recovery Act** which requires proper handling and disposal of solid waste, and

(13)**Toxic Substance Control Act** which places restrictions on chemicals that pose unreasonable risks, such as surfaces that could be covered with lead-based paint.

In compliance with Section 5(a)(8) above, the CONTRACTOR also confirms that it is not a party listed on the “System for Award Management” (SAM) formerly identified as the “Excluded Parties List System” (EPLS.gov) for parties debarred, suspended or otherwise excluded from contracting on any projects involving federal funds. The CONTRACTOR also agrees to provide immediate notice, but in no case later than three (3) business days, after being notified that the CONTRACTOR, or any subcontractor, has been added to the “System for Award Management” or otherwise been disbarred from contracting on any projects involving federal funds. In no event shall CONTRACTOR utilize a subcontractor at any time during the duration of this agreement who has been disbarred from contracting on any projects involving federal funds. If the CONTRACTOR is prohibited in any way from contracting on any projects involving federal funds at any time during the duration of this agreement then the PARISH may, at its sole discretion, immediately implement the termination provisions discussed in Section 8 below.

### 6. Liability, Indemnity and Insurance

The PARISH agrees to reimburse the SCHOOL BOARD for damages caused to equipment and facilities of the SCHOOL BOARD, and, further, to protect, defend, indemnify, and hold the SCHOOL BOARD, its agents, officers, employees, and assigns harmless from and against all claims, causes, demands, or causes of action whatsoever, and any liability, cost, or expense (including, but not limited to, reasonable attorney’s fees) arising out of or in any way connected with the use by PARISH, its agents, officers, employees, of the premises designated in Paragraph 1 hereof or the conduct of the Food Service Operations by PARISH hereunder.

Except as otherwise provided herein, the PARISH will indemnify, defend, and hold harmless the SCHOOL BOARD, including the SCHOOL BOARD’S employees and agents, from and against any and all claims or liabilities arising from the fault of the PARISH, its employees or agents in carrying out the PARISH’S duties and obligations under the terms of this agreement. This section will survive the termination of this agreement. In the event, that either party takes any action to enforce this mutual indemnity provision, the prevailing party shall be entitled to recover reasonable attorney’s fees and costs arising as a result thereof.

7. Termination of Agreement and Dispute Resolution

While both parties agree to negotiate all contractual disputes in good faith, the PARISH and the SCHOOL BOARD both reserve the right to terminate this agreement at any time upon written notice of termination. If the parties are unable to independently and satisfactorily resolve any disagreement then both parties agree that any contractual disagreement will be resolved under the jurisdiction of the 14th Judicial District Court for Calcasieu Parish, Louisiana. In the event, that court action is necessary then the parties agree that whoever prevails in the litigation is entitled to reasonable attorney’s fees and costs as fixed by the Court.

8. Severability, Entire Agreement and Captions

This agreement shall be governed by and construed in accordance with the laws of the State of Louisiana. If any provision of this agreement is held invalid, void or unenforceable under any law or regulation or by a court of competent jurisdiction, such provision will be deemed amended in a manner which renders it valid, or if it cannot be so amended, it will be deemed to be deleted. Such amendment or deletion will not affect the validity of any other provision of this agreement. This agreement, any attached documents, and any referenced documents represent the entire agreement between the PARISH and the SCHOOL BOARD and supersede all prior negotiations, representations or agreements, either written or oral. In the event of a conflict between this agreement and other documents, the terms of this agreement shall control.

Each paragraph of this agreement has been supplied with a caption to serve only as a guide to the contents. The caption does not control the meaning of any paragraph or in any way determine its interpretation.
9. No Authorship Presumptions

The PARISH and the SCHOOL BOARD have had an opportunity to negotiate the language of this agreement in consultation with legal counsel prior to its execution. No presumption shall arise or adverse inference be drawn by virtue of authorship. The PARISH and the SCHOOL BOARD hereby waive the benefit of any rule of law that might otherwise be applicable in connection with the interpretation of this agreement, including but not limited to, any rule of law to the effect that any provision of this agreement shall be interpreted or construed against the party who (or whose counsel) drafted that provision. The rule of no authorship presumption set forth in this paragraph is equally applicable to any person that becomes a party by reason of assignment and/or assumption of this agreement and any successor to a signatory party.

**For Your Information**

1) **Is there another ITEP Contract for Indorama or does this one entail the project cost of both what has occurred and will occur?**

   This is in addition to the original ITEP and covers the costs associated with additional equipment required to get the plant fully functional. They attempted to start up the plant and had to shut it down and replace old equipment with new equipment.

   Indorama filed an Advanced Notification with LED for this work on September 11, 2019.

   The original ITEP Advanced Notification was filed with LED on December 20, 2017 and was approved.

   This second ITEP is under the 80%-20% rule.

   Taxing entities should receive ad valorem tax on 20% of the assessed value of the final cost of the project.

2) **Normally they get the exemption before the project is started. Indorama became operational January 31, 2020.**

   The Indorama Advanced Notification was filed with LED prior to the work starting, which the rules allow to qualify for this incentive.

   The construction period was only about 120 days.

   The Louisiana Board of Commerce and Industry approved the ITEP Application on Friday, February 21, 2020.
