Open House
February 18, 2020
5:30-6:30
LeBlanc Middle School

Students in the LeBlanc Academy
participate in
project based authentic learning
that enhances their
problem-solving & collaboration
skills through the use of the
engineering design process.

Registration Process
Open to students entering 6th grade
All applicants will be screened and
ranked according to test scores, grades,
and teacher recommendations.
Application packets may be picked up in
the LeBlanc office.
