Arrival and Dismissal information

Car riders:

Our gates open from 7:10-7:50 for arrival and 2:30-3:25 for dismissal. For the safety of the students that are walking, there will be no left turns from Lewis Street into the car rider line. Please do not block Lewis Street. Sulphur PD can issue tickets. Contact Sulphur Police Traffic Division with questions.

Walkers:

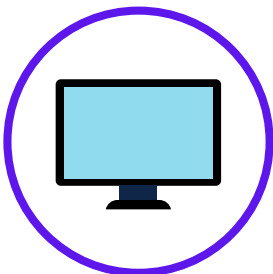

All gates will remain locked until we bring walkers out in an effort to keep our campus as secure as possible.

Uniforms:

We have had many students wearing light blue or red polos. These are not acceptable school uniform colors. Students may wear white, navy blue, hunter green, or royal blue collared shirts or the current year spirit shirts.

Jeans may be worn but may not have any holes, tears, or rips.
