CAREER EXPLORATION

In today's world, young people can choose from many different career paths, but what steps do they need to take to achieve their goals? The purpose of this program is to engage youth from area high schools in Career Exploration providing hands-on and experiential activities focused on career pathways, leading to more informed and confident career decision making. During Career Exploration sessions, young people will learn about many career options in the fields of human services, engineering, law enforcement and many more!
