

WHS

CHEER / RAMBLERS

Name: _____

Financial and Insurance Form

Financial Obligations

My daughter has permission to try-out for Westlake High School Cheer / Danceline. I understand that I am responsible for **ALL** expenses throughout the year.

*These should run APPROXIMATELY \$1800 for a new Cheerleader and \$750 for new Danceline member. (First deposit due 3/22/22) *

Fundraising

We will have fundraisers. A percentage of some of the fundraisers will be credited to each girl's account to help with these expenses.

I further understand that my cheerleader / dancer will be obligated to participate in/and held financially responsible for fundraisers. A portion of "individual sales" fundraisers will be credited to my daughter's account to help with the above expenses. This credit will not be rolled over from year to year. You will not receive a refund check for any credit due to fundraisers. You will not be allowed to personally "shop" with your credit. This credit is strictly to help reduce the amount you pay out of pocket for expenses. Anything required outside of the Cheer / Danceline account is your responsibility regardless.

Insurance Obligations

Each candidate must provide proof of insurance attached to the CPSB Insurance Statement Form for Try-outs. This is required to be allowed to tryout, so if you don't have insurance, you must quickly purchase the school coverage with proof turned in prior to tryout day.

Medical Treatment Permission

I, _____, give Kayla Gray or Megan Vincent permission to bring my daughter, _____, to a medical facility for treatment of physical injury or illness from March 2022 to March 2023.
