

# DUAL-SPORT ATHLETE CONTRACT

I, \_\_\_\_\_, as a dual-sport student-athlete, understand that I am signing up for more than one sport during the same season. In doing so, I accept the following terms and conditions.

**Please circle ALL sports that you plan to be a part of**

Basketball

Cheer

Danceline

Golf

Softball

Swim

Tennis

Track

Volleyball

1. I understand that I am committing to each sport above.
2. Practices leading up to a game/performance for both sports will be discussed and determined by both coaches. If missing practice for either sport results in the student-athlete not being proficient enough to perform, up to team and coaches' standards, then participation in game/performance may be reduced or removed. This will be up to the discretion of both coaches.
3. I understand that as a dual-sport athlete there will come a time where my sports may conflict. In the event of a conflict, I am aware that I may have to choose which sport I will participate in.
4. In the case of an unforeseen conflict, the coaches involved will be the determining factor in regards to deciding whether the athlete will play/perform.
5. If at any time I have a game/performance on the same day, I will finish the game/performance of the earlier sport then immediately report to the game/performance of the second sport. I, the student-athlete, will be responsible for obtaining transportation from one event to the other. Per CPSB policy, transportation must be in the form of a parent/guardian. Student-athletes are not permitted to transport themselves.
