

Individual as Independent Contractor

The Calcasieu Parish School Board has historically paid independent contractors through the Accounts Payable Department. Some of these independent contractors are retired employees and are subject to retirement deductions from any earnings paid by the school system. It has become critical that the Payroll and Accounts Payable Departments be aware of whether an independent contractor has ever been a member of the Teachers' Retirement System of Louisiana or Louisiana School Employees' Retirement System.

To insure that proper retirement contributions are withheld, if required, all requests for payments by independent contractors must have this form attached with the questions below completed and signed by the independent contractor.
