

- Knowledge plays a role in bettering the human condition.
- Humans have a desire to explain the world and how it got that way.
- Power not earned can only be maintained through fear and oppression.
- Trying to gain access to that which is forbidden leads to negative consequences.
- Those who defy the gods will be punished.
- People should always try to help others no matter the obstacles.
- Always be sure to do what is right by others.
- Humans will never have more power than the gods.
- Being greedy leads to negative consequences.

## **SENTENCE FRAME:**

A theme of "The Story of Prometheus" is \_\_\_\_\_. The actions of Prometheus develop this theme because \_\_\_\_\_. In the text it states, " \_\_\_\_\_ " (author, pg #). This builds the theme of \_\_\_\_\_ because \_\_\_\_\_. Jupiter's actions also develop this theme because \_\_\_\_\_. In the text it states, " \_\_\_\_\_ " (author, pg #), which builds the theme because \_\_\_\_\_. Overall, the theme of \_\_\_\_\_ is developed through both Prometheus' and Jupiter's actions in the text.
