SUPERINTENDENT'S REPORT

Mr. Bruchhaus gave the following report:

1. All board members have received their October 2014 Head Start report:

- Calcasieu Parish Police Jury Department of Human Resources has developed a program in collaboration with Brenda Hunter Head Start to engage fathers in promoting positive parenting in order to increase children's self esteem. Eighty fathers participated in the first orientation meeting.
- Policy Council members received training on Roles and Responsibilities by Dr. Joseph Guillory, Head Start Consultant. New officers were elected and Ms. Kristina Daigle, Jake Drost Head Start parent, is the new president for 2014-2015.
- J. D. Clifton Head Start hosted a "Dads in Action" activity which started with a workshop for Dads, led by Mr. Willie King, and then students were able to participate in a "Trunk or Treat" with the dads handing out candy and books to students. Moms decorated trunks while dads attended the workshop.
- Jake Drost in collaboration with the Junior League of Lake Charles hosted *Read for the Record*. Two members of the Junior League came with a therapy dog dressed as a bunny and read the book "Bunny Cakes" to the students. The students were able to interact with the dog. The activity also included making and decorating cupcakes with their parents.
- Head Start at J. I. Watson recently completed a study on community helpers. School safety officer, Chris Holmes discussed school safety with children in the Head Start classes.
- The following staff presented at Louisiana Early Childhood Association (LAECA) in Alexandria:
 - Dawn Kreider
 - Elizabeth Thibodeaux
 - Megan Manual
 - Shelley Roach
 - Jason McGee
 - Andrea Malbreaux – designed the cover for the LAECA conference
- Enrollment – 459 - Waiting List – 110 - Disabilities – 37 – 18 in progress
- 2. All board members have received their school population reports, as of October 31, 2014.
- 3. Continuing with our renewed efforts to keep the Board informed on financial matters, I would like to report our current sales tax numbers for our general fund show November, 2014 collections at \$1, 703,352 over budget for the month. For the 2014-2015 year, collections are \$4,133,794 over budget. Collections for the first four months of the year are \$4,362,070 over the same four months last year.
- 4. I would like to recognize Coach Bryan Whitley, Nurse Kay Sonnier, Nurse Marie Rougeau, regarding a situation that occurred at Western Heights Elementary School with a student. According to Ginger Pearson, our CPSB Nurse Coordinator: Saving the life of the student was a perfect example of teamwork with divine intervention. Not only the ones directly involved, but the staff not directly involved,

played a vital part by calmly taking the student's classmates back to class while others performed life saving measures. Thank you for your service under pressure.

5. In keeping with the Board's intent that the issue of closing schools be brought up in November, I would just like to say that staff has no plans to recommend school closings for the 2015-2016 school year. We will continue to emphasize improvements in school performance and operational efficiency without shuttering any buildings for 2015-2016.

- Encourage schools to continue to provide workshop opportunities for parents to become more familiar with new instructional strategies.
- Provide support to parents and students by continually updating and improving Homework Help

November 18, 2014

Lake Charles, Louisiana

- Continue to monitor the current curriculum implementation and make appropriate adjustments as concerns arise.

There was much discussion and the following submitted blue cards to address the Board:

Monica Baumgarten
Annette McClenahan
Tiffany Guidry
Shawna Dufrene
Barry Badon
Leslie Truax
Jimmie Richard
Marla Baldwin
Derek Smith

Mr. LaRocque offered a motion, seconded by Mr. Burleigh, to include a resolution submitted by Mr. Smith into the minutes. The motion carried, with one nay vote. The resolution pertains to St. Tammany Parish and Mr. Smith asked that the word Calcasieu replace the words St. Tammany for the Board's consideration.

November 18, 2014

Lake Charles, Louisiana

Whereas, the ~~St. Tammany~~ Parish School Board Members and our stakeholders believe that commitment to providing a challenging and relevant curriculum will lead to constant improvement and high performance of Louisiana school systems, and

Whereas, effective instruction must meet the needs of all students allowing every child to learn at expected high levels, and

Whereas, the ~~St. Tammany~~ Parish School Board has unanimously opposed the Common Core State Standards since the idea was first introduced to the state of Louisiana through the rejection of a Race To The Top agreement in January of 2010 and support for a ~~St. Tammany~~ Parish School Board resolution asking for removal of the ~~Saint-Tammany~~ Parish School Board and other School Districts in Louisiana from implementation of Common Core State Standards and participation in Partnership for Assessment of Readiness for College and Careers (PARCC) testing in October of 2013, and

Whereas, the ~~St. Tammany~~ Parish School Board members are duly elected by the citizens of the parish to represent them on the local level along with the elected members of the Northshore delegation to the Louisiana legislature who all agree and believe that education is not the mandate of the Federal government or any national board, and

Whereas, the ~~St. Tammany~~ Parish School Board believes that the Common Core State Standards are an inappropriate overreach based on standards that do not allow for local educational autonomy, does not allow deviation from a set of standards that are unproven while reflecting the interests and priorities of corporate education reformers and small interest groups, were piloted incorrectly, implemented too quickly and as a result has produced developmentally inappropriate expectations that do not meet the needs of every child, every day, and

Whereas, the members of the ~~St. Tammany~~ Parish School Board believe the PARCC testing no longer represents a consortium that will benchmark our students performance on a national level based on a dwindling membership, and

Whereas, our belief is that Louisiana educators along with parents, local business members, school superintendents, education stakeholder associations, and school board members should develop and implement a set of Louisiana Educational Standards that will reflect our state's commitment to providing a challenging and relevant curriculum, innovative instruction, and accountability that will lead to solid student achievement gains while allowing students to flourish as life long learners, and

Whereas, we further believe that high quality schools and exemplary school achievement are the responsibility of the local community with backing and support from members of the Louisiana legislature, elected and appointed Louisiana Board of Elementary and Secondary Education members, the appointed State Superintendent of Education and the elected Governor of the state of Louisiana

Now therefore be it resolved that the members of the ~~St. Tammany~~ Parish School Board do hereby respectfully request members of the Louisiana legislature to join school board members and citizens across the great state of Louisiana to support removing Louisiana from the Common Core State Standards and charging the Louisiana State Superintendent of Education and Louisiana Board of Elementary and Secondary Education with developing, along with stakeholders input, Louisiana Standards for Education Excellence

November 18, 2014

Lake Charles, Louisiana

Furthermore, the members of the ~~St-Tammany~~ Parish School Board do hereby request an immediate moratorium on participating in PARCC testing by Louisiana students and at this time suggest using the current Louisiana assessments until a new assessment instrument is developed.

Be it further resolved that this resolution be spread upon the official minutes of this Board, with copies being sent to Governor Bobby Jindal, State Superintendent of Education John White, members of the Louisiana Board of Elementary and Secondary Education, all members of the Louisiana Legislature, the President and Superintendent of every Louisiana School Board, the executive director of the Louisiana School Board Association, all public education stakeholder organizations/associations, all declared candidates for Governor in the 2016 Louisiana governor's race, presidents or chairmen of every Louisiana parish government, Chamber of Commerce offices in Louisiana and all schools in ~~St-Tammany~~ Parish.

On a motion to approve the Review Process by Mr. Webb and a second by Mr. Dellafosse, the motion carried.

HEARING PROCEDURES FOR EMPLOYEE DISCIPLINE

La. R.S. 17:443 and La. This procedure shall govern the conduct of such hearings before a DHO within the school district.

I. LIST OF HEARING OFFICERS

A list of persons meeting those qualifications imposed by law to serve as a DHO shall be approved and maintained by the school board. The minimum number of persons on such list shall be fixed in accordance with law depending upon the number of students enrolled in the school district.

Within five (5) days of notice of selection of the DHO each party shall provide the DHO and the other party with a list of potential witnesses. The DHO must promptly respond to the parties with a notification attesting to both the DHO's continued qualification to serve and the absence of a conflict of interest that would prohibit him/her from serving.

In the event that the DHO selected is an immediate family member of any of the parties or witnesses to testify at the hearing, prohibited from serving due to a conflict of interest proscribed by the Louisiana Rules of Professional Conduct, or is otherwise unavailable to conduct the hearing within the time delays provided by law, another name shall be randomly selected.

III. COMPENSATION OF DISCIPLINARY HEARING OFFICERS

Each person selected as a DHO shall be entitled to compensation at the maximum rate provided for attorneys with like experience by the Louisiana Attorney General. The DHO shall submit a detailed, itemized invoice to the Superintendent no later than 15 days after the conclusion of his duties. The invoice of the DHO shall be paid by this Board no later than 45 days after submission. Any expense for which reimbursement is sought must be supported by detailed receipts.

IV. DUTIES OF AND RESPONSIBILITIES DISCIPLINARY HEARING OFFICERS

- A. Confer with the parties and their counsel regarding scheduling;
- B. Advise the teacher or administrator that the hearing will be either public or private, at the option of the teacher or administrator;
- C. Review whether the interim decision of the Superintendent was arbitrary or capricious and shall either affirm or reverse the action of the Superintendent;

- E. Maintain and safeguard all exhibits accepted or proffered into evidence at the hearing; and

The DHO appointed as provided herein shall have the powers and authority to:

A. Schedule the date, time and location of the hearing, if the parties cannot agree;

B. Administer oaths and affirmations;

C. Regulate the course and conduct of the hearings;

D. Fix the time for filing pre or post-hearing briefs, if requested;

E. Direct the parties to appear and confer to consider simplification of the issues; and

F. Sign and issue subpoenas requiring attendance, giving of testimony by witnesses, and/or production of documents at the hearing.

All parties shall have the right to (1) present evidence on issues of fact, (2) present argument on issues of law and policy, and (3) conduct such examination of witnesses as may be required for the development of a complete record, subject to the authority of the DHO to regulate the course and conduct of the proceedings.

VI. GENERAL RULES CONCERNING HEARINGS

A. Hearings shall be scheduled in accordance with the timelines established by law and shall be held in private or open session, at the option of the teacher or administrator. Hearings shall be held at the school board's central office, unless a different location is fixed by the DHO.

B. Hearings shall be conducted on weekdays during normal business hours, unless the DHO determines that the just and efficient completion of the hearing, compliance with the mandated delays, or the DHO's, counsel's or party's schedule requires a deviation from such times.

C. The DHO may suspend a hearing, upon both parties' agreement and request, when it appears that a resolution of the disciplinary action at issue has been reached between the parties. Before the proceedings are dismissed, the fact of such resolution, but not the terms thereof, shall be entered upon the record of such proceedings. Any verbal agreements placed into the record shall be memorialized in

writing and signed by all parties within 7 calendar days.

D.The DHO shall require that the proceedings be conducted with dignity and in an orderly and expeditious manner and shall control the proceedings so that justice is done.

E.The normal order of the hearing shall be as follows:

1.The opening statements by the Superintendent and the teacher or administrator, in that order;

2.The presentation of the evidence of the Superintendent and of the teacher or administrator, in that order;

3.The presentation of the evidence of the Superintendent in rebuttal; and

4.The argument of the Superintendent, of the teacher or administrator, and of the Superintendent in rebuttal, in that order.

This order may be varied by the DHO when circumstances so justify.

F.Before testifying, every witness shall be required to declare that he will testify truthfully, by oath or affirmation.

G.A witness who is subpoenaed but who fails to appear or a witness who appears but refuses to testify without proper cause shall be considered in contempt, and the DHO may apply to a district judge in the Parish where the hearing is being held for an Order holding the recalcitrant witness in contempt.

H.The DHO may order, upon a showing of appropriate safeguards, live testimony of a witness to be presented during the hearing by teleconference, video link, or other visual remote technology, if the witness is beyond the subpoena power of the DHO or when compelling circumstances are shown.

I.Formal exceptions to rulings or orders of the DHO are unnecessary. Contemporaneous objections with the reasons stated therefore to such rulings are sufficient.

J.In all cases, the DHO shall state the reason for his ruling as to the inadmissibility of the evidence.

K. When the DHO rules against the admissibility of any evidence, he shall either permit the party offering such evidence to make a complete record thereof, or permit the party to make a statement setting forth the nature of the evidence.

L. At the request of any party, the DHO may allow any excluded evidence to be proffered, subject to cross-examination on the record during a recess or such other time as the DHO shall designate. When the record is completed during a recess or other designated time, there will be no necessity for the requesting party to make a statement setting forth the nature of the evidence.

M. If the DHO permits a party to make a complete record of the evidence held inadmissible, it shall allow any other party the opportunity to make a record in the same manner of any evidence bearing upon the evidence held to be inadmissible or, in case of the unavailability of such evidence or inability of the other party to do so, to make a statement setting forth the nature of the evidence.

N. The Louisiana Administrative Code is not applicable to hearings conducted before the DHO. In addition, a strict interpretation of the Louisiana Code of Evidence shall not be used to exclude evidence when, in the opinion of the DHO, the principles underlying the Code of Evidence and attendant circumstances suggest that such evidence is competent and reliable.

O. Each hearing shall be recorded by a certified court reporter.

P. Such court reporter's appearance fee shall be paid by the Board within 45 days of the presentation of an invoice.

Q. Upon the request of any party to the DHO, he/she shall request the court reporter to transcribe the record of the entire hearing and transmit the original transcript of the hearing to the DHO. The requesting party shall be obligated to pay all costs and fees associated with the transcription of the hearing by the certified court reporter and for obtaining a copy thereof. Notice of such request for transcription shall be contemporaneously transmitted to all parties who may obtain a copy of such transcript from the court reporter upon paying for same.

R. Upon request of any party directed to the DHO, he/she shall cause the original transcript of the hearing and all exhibits accepted or proffered into evidence to be filed with the appropriate district court. The requesting party shall be obligated to pay all costs and fees associated with the filing of the transcript and exhibits directly to the clerk of court at the time of filing.

November 18, 2014

Lake Charles, Louisiana

S. All exhibits accepted or proffered into evidence shall be maintained and safeguarded by the DHO for a period of not less than 120 days after transmission of his/her final determination to the Superintendent. After the expiration of such 120 day period, all evidence shall be sealed and returned to the superintendent.

T. The DHO shall not be called as a witness upon review by the District Court, unless there is a dispute as to the formalities required by law for such hearings and only when ordered by the District Court.

SECOND SUPPLEMENTAL BOND RESOLUTION

A SECOND SUPPLEMENTAL BOND RESOLUTION AMENDING AND SUPPLEMENTING THE GENERAL BOND RESOLUTION ADOPTED SEPTEMBER 9, 2014 AND THE SUPPLEMENTAL BOND RESOLUTION ADOPTED OCTOBER 7, 2014 IN CONNECTION WITH ISSUANCE,

November 18, 2014

Lake Charles, Louisiana

SALE AND DELIVERY OF \$690,900.00 OF CALCASIEU PARISH SCHOOL BOARD REVENUE BONDS (SCHOOL TRANSPORTATION FACILITIES PROJECT), 2014 SERIES A, AND \$954,100.00 OF CALCASIEU PARISH SCHOOL BOARD TAXABLE REVENUE BONDS (SCHOOL TRANSPORTATION FACILITIES PROJECT), 2014 SERIES B.

WHEREAS, on September 9, 2014, the Calcasieu Parish School Board (the "Issuer") adopted a General Bond Resolution (the "General Bond Resolution") which provided for future indebtedness of the Issuer secured by and payable from income, revenues and receipts derived or to be derived from any sources whatsoever, including the Issuer's excess of annual revenues above statutory, necessary and usual charges; and

WHEREAS, on October 7, 2014, the Issuer adopted a Supplemental Bond Resolution (the "Supplemental Bond Resolution" and, together with the General Bond Resolution, the "Bond Resolution"), to amend, supplement and modify certain of the terms of General Bond Resolution; and

WHEREAS, the Issuer desires to further supplement the Bond Resolution to modify certain of the terms thereof; and

WHEREAS, except to the extent amended, supplemented or modified herein, the provisions of the General Bond Resolution and the Supplemental Bond Resolution shall remain unchanged;

NOW THEREFORE, BE IT RESOLVED by the Calcasieu Parish School Board, as follows:

Section 1. SECTION 11 of the General Bond Resolution is hereby amended to have the same read as follows:

SECTION 11. Additional Series of Bonds. All bonds of a series shall enjoy complete parity of lien on the revenues of the Issuer despite the fact that any of the Bonds may be delivered at an earlier or later date than any other of the Bonds.

The Issuer may issue other series of bonds or obligations payable from or enjoying a lien on its revenues on a parity with the Bonds, so long as the excess revenues during the prior two fiscal years is at least 1.20x the highest combined debt service requirements on all outstanding revenue debt. For purposes of the additional bonds test, the coverage calculation shall exclude non-recurring expenses, including but not limited to supplement payments to employees and capital outlay expenditures.

It is specifically understood that after funds have been set aside out of the revenues of any year sufficient to pay the principal of and the interest on all outstanding revenue Bonds for the then current year and such funds have been deposited in the respective **Revenue Bond Sinking Fund**, then any excess of annual revenues remaining in that year will be free for expenditure by the Issuer for any other lawful purpose.

Section 2. Publication. A copy of this Second Supplemental Bond Resolution shall be published immediately after its adoption in one (1) issue of the official journal of the Issuer.

This Resolution adopted and passed on this 18th day of November, 2014.

On a motion to approve by Mr. Dellafosse and a second by Mr. Guidry, the motion carried.

J. Approval of Resolution to Provide a Salary Supplement to all Eligible Employees

Staff is recommending the following one-time supplement for employees with active status at the end-of-day on Friday, November 14, 2014, to be paid in the November paychecks:

- \$900 – Employees based on the Teachers' Salary Schedule
- \$550 – All other employees

- 1/2 – All part-time regular employees (4 hours or less)
- Combined with regular paycheck on November 21, 2014

The total cost of the supplement is \$4,888,257 including associated benefit costs for 4,885 employees. Grant funds will be used as possible to pay supplements for grant employees, while the balance will be paid from General Fund Reserves using restricted accumulated amounts from the 1995 sales tax of \$2,100,000 and the balance from the 2013-2014 (last year) General Fund surplus. The use of the estimated General Fund portion applied to a budget revision will lower the unassigned fund balance to \$36,109,275 or 12.58% of projected revenues.

On a motion to approve by Mr. Guidry and a second by Mr. Webb, the motion carried. Teri Johnson, representing CFT, thanked the Board.
