For the 2014-2015 year, collections are \$2,430,444 over budget. Collections for the first three months of the year are \$2,663,604 over the same three months last year.
- 4. Three Calcasieu Parish School Board high school seniors have been named semifinalists in the 2015 National Merit Scholarship Program.

The CPSB semifinalists are Emma C. Looney of Alfred M. Barbe High School Phillip D. Comeaux of Sam Houston High School, and Freja H. Cole of Sulphur High School.

These talented seniors, along with their fellow 16,000 semifinalists, have the opportunity to move through the competition to vie for 7,600 scholarships valued around \$33 million.

To become a finalist, the semifinalists and their schools must submit a detailed scholarship application, including information about the semifinalist's academic record, participation in school and community activities, demonstrated leadership abilities, employment, and honors and awards received.

Approximately 15,000 semifinalists will be notified of their advancement to the finalist level in January.

5. Capital One Bank has awarded the Literacy Council of Southwest Louisiana a \$700,000 grant. When writing this grant, the Literacy Council partnered with JD Clifton Elementary to establish a Parent Literacy Center at the school. A total of \$175,000 of the awarded funds will be used to set-up a Learning Center at Clifton purchasing computers, furniture, books, and any start-up costs. Funds will also be used to have a full-time instructor and a part-time literacy specialist (not CPSB employees) to work with educating parents. This is a continuing partnership in helping our neighborhoods increase literate children and adults.

#### **COMMITTEE REPORT**

#### Mr. Schooler gave the following report:

The Calcasieu Parish School Board Budget/Fiscal Management Committee met at 4:45 p.m., Tuesday, September 23, 2014 in the Board Room, 3310 Broad Street, Lake Charles, Louisiana. A quorum was present. Mr. LaRocque said the prayer and Mr. Webb led the pledge of allegiance.

Present: - Jim Schooler, Chairman, Bill Jongbloed - Vice Chairman, committee members, Joe Andrepont, Billy Breaux, Mack Dellafosse, Clara Duhon, Chad Guidry, Fred Hardy, James Karr, Roman Thompson, and Secretary, Wilfred Bourne. Other Board members present were Annette Ballard, Dale Bernard, Randy Burleigh, Bryan LaRocque, and R. L. Webb.

Mr. Schooler called the meeting to order and then introduced the first item on the agenda, the 2014-2015 General Fund Budget Revision #1.

Mr. Bourne presented the General Fund Budget Revision #1 for 2014-2015 which included Revenues and Other Sources of Funds projected at \$287,002,792, an increase of \$74,469 and Expenditures and Other Uses of Funds estimated at \$292,733,921, an increase of \$2,561,584 over the original budget. General Fund Budget Revision #1 projects a current deficit of \$5,656,660 resulting in unreserved/undesignated fund balance of \$32,181,874 or 11.21% of projected revenues.

On motion by Mr. Andrepont and seconded by Mr. Burleigh and approved, it was recommended to approve General Fund Budget Revision #1 for 2014-2015 as presented.

## On behalf of the committee, Mr. Schooler made a motion to accept the recommendation; a second was not needed. The motion passed on a vote.

The next item presented was a report on Internal and External Booster Clubs by Wayne Foster, Director of Internal Auditing. Mr. Foster highlighted a few attributes of each type of club. An Internal Booster club would require all funds raised or expended at a school-sponsored event to run through the school's books (fundraisers, admissions, concessions, officials, security guards). An External Booster club would require all funds raised in the name of the school, on school property or by students to run through the school's books and all funds raised at a school sponsored event must run though the school's books.

Mr. Andrepont made a motion, seconded by Mr. Bernard that all internal and external booster club money raised for programs must be funneled through school accounts, be distributed by the school, and abide by school board procedure and policy.

After much discussion on the subject, Mr. Bruchhaus suggested that staff would develop a policy on this issue with this motion as the cornerstone.

A question was called by Mr. Webb and seconded by Mr. Burleigh and approved. The original motion was voted on and approved.

# On behalf of the committee, Mr. Schooler made a motion to accept the recommendation; a second was not needed. The motion passed on a vote.

Next, Mr. Bruchhaus presented a request by several Board Members for capital projects to be funded from Riverboat Funds. These projects include covered playcourts at Combre-Fondel and St. John Elementary, and track resurfacing at Washington-Marion, LaGrange, and Barbe High Schools. Financial projections for Riverboat Funds and approval for an interim interfund loan from the General Fund for cash flow purposes were discussed. Billy Breaux left the meeting.

A motion was made by Mr. Bernard, seconded by Mr. Hardy, to approve funding of the covered playcourts at Combre-Fondel and St. John Elementary, and track resurfacing at Washington-Marion, LaGrange, and Barbe High Schools using Riverboat Funds.

An amendment to remove the tracks from funding consideration was made by Mr. Jongbloed and seconded by Mr. Bernard, and passed with a 9-5 roll call vote. Andrepont offered a secondary amendment that all schools that have used bond money to resurface their tracks would be refunded that amount of money. Mr. Burleigh seconded that motion.

Blue cards to address the Board: Mike Oakley Steven Richard Lisa Rubino

Mr. Andrepont and Mr. Burleigh said they would withdraw their secondary amendment in order for Mr. Webb to offer his his next motion. Mr. Bruchhaus stated that it was not necessary for them to withdraw their amendment in order for Mr. Webb to make his motion. Mr. Webb offered a motion to send this item back to committee for a needs assessment for all schools, for prioritizing and allocating funds to meet the needs. Mr. Andrepont seconded that motion. Mr. Breaux asked for clarification that this is for all needs, not just tracks or pavilions. Mrs. Ballard handed the gavel to Mr. Schooler in order to speak on this issue; after her comments the gavel was returned to Mrs. Ballard. Mr. Webb re-worded his motion, with approval by Mr. Andrepont, to restrict the needs assessment to tracks and pavilions and the funding for those items.

On a roll call vote, the motion failed on a tie vote.

<u>For:</u> Mr. Andrepont, Mrs. Ballard, Mr. Burleigh, Mr. Dellafosse, Mr. LaRocque, Mr. Webb <u>Against:</u> Mr. Thompson, Mr. Breaux, Mr. Hardy, Mr. Jongbloed, Mr. Karr, Mr. Schooler Abstaining: Mrs. Duhon

### Exhibit A

Municipalities Continuing Disclosure Cooperation Initiative
Division of Enforcement
U.S. Securities and Exchange Commission

### I. Introduction

The Municipalities Continuing Disclosure Cooperation Initiative (the "MCDC Initiative") is intended to address potentially widespread violations of the federal securities laws by municipal issuers and underwriters of municipal securities in connection with certain representations about continuing disclosures in bond offering documents.

As described below, under the MCDC Initiative, the Division of Enforcement (the "Division") of the U.S. Securities and Exchange Commission (the "Commission") will recommend favorable settlement terms to issuers and obligated persons involved in the offer or sale of municipal securities (collectively, "issuers") as well as underwriters of such offerings if they self-report to the Division possible violations involving materially inaccurate statements relating to prior compliance with the continuing disclosure obligations specified in Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Exchange Act").

### II. Background

Rule 15c2-12 generally prohibits any underwriter from purchasing or selling municipal securities unless the issuer has committed to providing continuing disclosure regarding the security and issuer, including information about its financial condition and operating data.<sup>2</sup> Rule 15c2-12 also generally requires that any final official statement prepared in connection with a primary offering of municipal securities contain a description of any instances in the previous five years in which the issuer failed to comply, in all material respects, with any previous commitment to provide such continuing disclosure.

The Commission may file enforcement actions under either Section 17(a) of the Securities Act of 1933 (the "Securities Act"), and/or Section 10(b) of the Exchange Act against issuers for inaccurately stating in final official statements that they have substantially complied with their prior continuing disclosure obligations. In such instances, underwriters for these bond offerings may also have violated the anti-fraud provisions to the extent they failed to exercise adequate due diligence in determining whether issuers have complied with such obligations, and as a result, failed to form a reasonable basis for believing the truthfulness of a key representation in the issuer's official statement. For instance, on July 29, 2013, the Commission charged a school district in Indiana and its underwriter with falsely stating to bond investors that the school district had been properly providing annual financial information and notices required as part of its prior bond offerings.<sup>3</sup> Without admitting or denying the Commission's findings, the school district and underwriter each consented to, among other things, an order to cease and desist from committing or causing any violations of Section 10(b) of the Exchange Act and Rule 10b-5. The underwriter also agreed to pay disgorgement and prejudgment interest of \$279,446 as well as a penalty of \$300,000.

The Commission has in the past emphasized that the likelihood that an issuer will abide by its continuing disclosure obligations is critical to any evaluation of its covenants. An underwriter's obligation to have a reasonable basis to believe that the key representations in a final official statement are true and accurate extends to an issuer's representations concerning past compliance with disclosure obligations. Indeed, this provision of Rule 15c2-12 was specifically intended to serve as an incentive for issuers to comply with their undertakings to provide disclosures in the secondary market for municipal securities, and also assists underwriters and others in assessing the reliability of the issuer's disclosure representations. Moreover, the Commission has in the

past stated that it believes that it is doubtful that an underwriter could form a reasonable basis for relying on the accuracy or completeness of an issuer's ongoing disclosure representations without the underwriter affirmatively inquiring as to that filing history, and the underwriter may not rely solely on a written certification from an issuer that it has provided all filings or notices.<sup>4</sup>

Based on available information, and as highlighted in the Commission's August 2012 Municipal Market Report, there is significant concern that many issuers have not been complying with their obligation to file continuing disclosure documents and that federal securities law violations involving false statements concerning such compliance may be widespread.

### III. The MCDC Initiative

### A. Who Should Consider Self-Reporting to the Division?

To be eligible for the MCDC Initiative, an issuer or underwriter must self-report by accurately completing the attached questionnaire and submitting it within the following applicable time periods:

For underwriters, beginning March 10, 2014 and ending at 12:00 a.m. EST on September 10, 2014; and

For issuers, beginning March 10, 2014 and ending at 5:00 p.m. EST on December 1, 2014.

Information required by the questionnaire includes:

identification and contact information of the self-reporting entity;

information regarding the municipal securities offerings containing the potentially inaccurate statements;

identities of the lead underwriter, municipal advisor, bond counsel, underwriter's counsel and disclosure counsel, if any, and the primary contact person at each entity, for each such offering;

any facts that the self-reporting entity would like to provide to assist the staff in understanding the circumstances that may have led to the potentially inaccurate statement(s); and

a statement that the self-reporting entity intends to consent to the applicable settlement terms under the MCDC Initiative.

Submissions may be made by email to MCDCsubmissions@sec.gov, by fax to (301) 847-4713 or by mail to MCDC Initiative, U.S. Securities and Exchange Commission, Boston Regional Office, 33 Arch Street, Boston, MA 02110.

### C. Standardized Settlement Terms the Division Will Recommend

To the extent an entity meets the requirements of the MCDC Initiative and the Division decides to recommend enforcement action against the entity ("eligible issuer" or "eligible underwriter"), the Division will recommend that the Commission accept a settlement which includes the terms described below.<sup>5</sup>

### 1. Types of Proceedings and Nature of Charges

For eligible issuers, the Division will recommend that the Commission accept a settlement pursuant to which the issuer consents to the institution of a cease and desist proceeding under Section 8A of the Securities Act for violation(s) of Section 17(a)(2) of the Securities Act.<sup>6</sup> The Division will recommend a settlement in which the issuer neither admits nor denies the findings of the Commission.

For eligible underwriters, the Division will recommend that the Commission accept a settlement pursuant to which the underwriter consents to the institution of a cease and desist proceeding under Section 8A of the Securities Act and administrative proceedings under Section 15(b) of the Exchange Act for violation(s) of Section 17(a)(2) of the Securities Act. The Division will recommend a settlement in which the underwriter neither admits nor denies the findings of the Commission.

### 2. Undertakings

For eligible issuers, the settlement to be recommended by the Division must include undertakings by the issuers. Specifically, as part of the settlement, the issuer must undertake to:

establish appropriate policies and procedures and training regarding continuing disclosure obligations within 180 days of the institution of the proceedings;

comply with existing continuing disclosure undertakings, including updating past delinquent filings within 180 days of the institution of the proceedings;

cooperate with any subsequent investigation by the Division regarding the false statement(s), including the roles of individuals and/or other parties involved;

disclose in a clear and conspicuous fashion the settlement terms in any final official statement for an offering by the issuer within five years of the date of institution of the proceedings; and

provide the Commission staff with a compliance certification regarding the applicable undertakings by the issuer on the one year anniversary of the date of institution of the proceedings.

For eligible underwriters, the settlement to be recommended by the Division must include undertakings by the underwriters. Specifically, as part of the settlement, the underwriter must undertake to:

retain an independent consultant, not unacceptable to the Commission staff, to

conduct a compliance review and, within 180 days of the institution of proceedings, provide recommendations to the underwriter regarding the underwriter's municipal underwriting due diligence process and procedures;

within 90 days of the independent consultant's recommendations, take reasonable steps to enact such recommendations; provided that the underwriter make seek approval from the Commission staff to not adopt recommendations that the underwriter can demonstrate to be unduly burdensome;

cooperate with any subsequent investigation by the Division regarding the false statement(s), including the roles of individuals and/or other parties involved; and

provide the Commission staff with a compliance certifications regarding the applicable undertakings by the Underwriter on the one year anniversary of the date of institution of the proceedings.

### 3. Civil Penalties

For eligible issuers, the Division will recommend that the Commission accept a settlement in which there is no payment of any civil penalty by the issuer.

For eligible underwriters, the Division will recommend that the Commission accept a settlement in which the underwriter consents to an order requiring payment of a civil penalty as described below:

For offerings of \$30 million or less, the underwriter will be required to pay a civil penalty of \$20,000 per offering containing a materially false statement;

For offerings of more than \$30 million, the underwriter will be required to pay a civil penalty of \$60,000 per offering containing a materially false statement;

However, no underwriter will be required to pay a total amount of civil penalties under the MCDC Initiative greater than the following:

For an underwriter with total revenue over \$100 million as reported in the underwriter's Annual Audited Report – Form X-17A-5 Part III for the underwriter's fiscal year 2013: \$500,000;

For an underwriter with total revenue between \$20 million and \$100 million as reported in the underwriter's Annual Audited Report – Form X-17A-5 Part III for the underwriter's fiscal year 2013: \$250,000; and

For an underwriter with total revenue below \$20 million as reported in the underwriter's Annual Audited Report – Form X-17A-5 Part III for the underwriter's fiscal year 2013: \$100,000.

### D. No Assurances Offered with Respect to Individual Liability

The MCDC Initiative covers only eligible issuers and underwriters. The Division provides no assurance that individuals associated with those entities, such as municipal officials and employees of underwriting firms, will be offered similar terms if they have engaged in violations of the federal securities laws. The Division may recommend enforcement action against such individuals and may seek remedies beyond those available through the MCDC Initiative. Assessing whether to recommend enforcement action against an individual for violations of the federal securities laws necessarily involves a case-by-case assessment of specific facts and circumstances, including evidence regarding the level of intent and other factors such as cooperation by the individual.

### E. No Assurances for Entities That Do Not Take Advantage of MCDC Initiative

For issuers and underwriters that would be eligible for the terms of the MCDC initiative but that do not self-report pursuant to the terms of the MCDC Initiative, the Division offers no assurances that it will recommend the above terms in any subsequent enforcement recommendation. As noted above, assessing whether to recommend enforcement action necessarily involves a case-by-case assessment of specific facts and circumstances, but entities are cautioned that enforcement actions outside of the MCDC initiative could result in the Division or the Commission seeking remedies beyond those described in the initiative. For issuers, the Division will likely recommend and seek financial sanctions. For underwriters, the Division will likely recommend and seek financial sanctions in amounts greater than those available pursuant to the MCDC Initiative.

Questions regarding the MCDC Initiative may be directed to MCDCinquiries@sec.gov.

<sup>1.</sup> Recommendations by the Division to the Commission are subject to approval by the Commission.

<sup>2.</sup> The issuers' agreement to make such disclosures is memorialized in a written undertaking frequently called a Continuing Disclosure Agreement. <sup>5.</sup> The standardized settlement terms of the MCDC Initiative are only applicable to inaccurate statements concerning compliance with continuing disclosure obligations. The MCDC Initiative and the standardized settlement terms are not applicable to other material misstatements in final official statements or related communications or other misconduct. Any other potential misconduct is subject to investigation and separate enforcement action, if appropriate. If enforcement action is taken, entities may be subject to additional remedies for that misconduct, including additional financial sanctions.

### HEARING PROCEDURES FOR EMPLOYED DISCIPLINE

La. R.S. 17:443 and La. R.S. 17:444 require school districts to utilize Disciplinary Hearing Officers (DHO) when certain disciplinary actions as defined by law are contemplated against tenured teachers and against administrators. This procedure shall govern the conduct of such hearings before a DHO within the school district.

### I. LIST OF HEARING OFFICERS

A list of persons meeting those qualifications imposed by law to serve as a DHO shall be approved and maintained by the school board. The minimum number of persons on such list shall be fixed in accordance with law depending upon the number of students enrolled in the school district.

### II. SELECTION OF DISCIPLINARY HEARING OFFICERS; CONFLICTS OF INTEREST

When the services of a DHO are required, the Superintendent shall randomly select the name of a DHO from the Board-approved list in the presence of at least one witness, shall immediately provide the DHO with notice of selection and shall provide the teacher or administrator with the name and contact information of the DHO. Such random appointment shall be made by the use of either a random name generator or by the blind drawing of a name from the entire list of board-approved DHOs.

Within five (5) days of notice of selection of the DHO each party shall provide the DHO and the other party with a list of potential witnesses. The DHO must promptly respond to the parties with a notification attesting to both the DHO's continued qualification to serve and the absence of a conflict of interest that would prohibit him/her from serving.

In the event that the DHO selected is an immediate family member of any of the parties or witnesses to testify at the hearing, prohibited from serving due to a conflict of interest proscribed by the Louisiana Rules of Professional Conduct, or is otherwise unavailable to conduct the hearing within the time delays provided by law, another name shall be randomly selected.

### III. COMPENSATION OF DISCIPLINARY HEARING OFFICERS

Each person selected as a DHO shall be entitled to compensation at the maximum rate provided for attorneys with like experience by the Louisiana Attorney General. The DHO shall submit a detailed, itemized invoice to the Superintendent no later than 15 days after the conclusion of his duties. The invoice of the DHO shall be paid by this Board no later than 45 days after submission. Any expense for which reimbursement is sought must be supported by detailed receipts.

### IV. <u>DUTIES OF AND RESPONSIBILITIES DISCIPLINARY HEARING</u> OFFICERS

The DHO appointed as provided herein shall have the duty and responsibility to:

- A. Confer with the parties and their counsel regarding scheduling;
- B. Advise the teacher or administrator that the hearing will be either public or private, at the option of the teacher or administrator;
- C. Review whether the interim decision of the Superintendent was arbitrary or capricious and shall either affirm or reverse the action of the Superintendent;
- D. Notify the Superintendent and the teacher or administrator of his final determination, with written reasons, within ten (10) days of the conclusion of the hearing;
- E. Maintain and safeguard all exhibits accepted or proffered into evidence at the hearing; and
- F. Such other duties and responsibilities as may be imposed upon him by law and/or this policy.

### V. POWERS AND AUTHORITY OF DISCIPLINARY HEARING OFFICERS

The DHO appointed as provided herein shall have the powers and authority to:

- A. Schedule the date, time and location of the hearing, if the parties cannot agree;
- B. Administer oaths and affirmations;
- C. Regulate the course and conduct of the hearings;
- D. Fix the time for filing pre or post-hearing briefs, if requested;

- E. Direct the parties to appear and confer to consider simplification of the issues; and
- F. Sign and issue subpoenas requiring attendance, giving of testimony by witnesses, and/or production of documents at the hearing.

All parties shall have the right to (1) present evidence on issues of fact, (2) present argument on issues of law and policy, and (3) conduct such examination of witnesses as may be required for the development of a complete record, subject to the authority of the DHO to regulate the course and conduct of the proceedings.

### VI. GENERAL RULES CONCERNING HEARINGS

- A. Hearings shall be scheduled in accordance with the timelines established by law and shall be held in private or open session, at the option of the teacher or administrator. Hearings shall be held at the school board's central office, unless a different location is fixed by the DHO.
- B. Hearings shall be conducted on weekdays during normal business hours, unless the DHO determines that the just and efficient completion of the hearing, compliance with the mandated delays, or the DHO's, counsel's or party's schedule requires a deviation from such times.
- C. The DHO may suspend a hearing, upon both parties' agreement and request, when it appears that a resolution of the disciplinary action at issue has been reached between the parties. Before the proceedings are dismissed, the fact of such resolution, but not the terms thereof, shall be entered upon the record of such proceedings. Any verbal agreements placed into the record shall be memorialized in writing and signed by all parties within 7 calendar days.
- D. The DHO shall require that the proceedings be conducted with dignity and in an orderly and expeditious manner and shall control the proceedings so that justice is done.
- E. The normal order of the hearing shall be as follows:
  - 1. The opening statements by the Superintendent and the teacher or administrator, in that order;

- 2. The presentation of the evidence of the Superintendent and of the teacher or administrator, in that order;
- 3. The presentation of the evidence of the Superintendent in rebuttal; and
- 4. The argument of the Superintendent, of the teacher or administrator, and of the Superintendent in rebuttal, in that order.

This order may be varied by the DHO when circumstances so justify.

- F. Before testifying, every witness shall be required to declare that he will testify truthfully, by oath or affirmation.
- G. A witness who is subpoenaed but who fails to appear or a witness who appears but refuses to testify without proper cause shall be considered in contempt, and the DHO may apply to a district judge in the Parish where the hearing is being held for an Order holding the recalcitrant witness in contempt.
- H. The DHO may order, upon a showing of appropriate safeguards, live testimony of a witness to be presented during the hearing by teleconference, video link, or other visual remote technology, if the witness is beyond the subpoena power of the DHO or when compelling circumstances are shown.
- I. Formal exceptions to rulings or orders of the DHO are unnecessary. Contemporaneous objections with the reasons stated therefore to such rulings are sufficient.
- J. In all cases, the DHO shall state the reason for his ruling as to the inadmissibility of the evidence.
- K. When the DHO rules against the admissibility of any evidence, he shall either permit the party offering such evidence to make a complete record thereof, or permit the party to make a statement setting forth the nature of the evidence.
- L. At the request of any party, the DHO may allow any excluded evidence to be proffered, subject to cross-examination on the record during a recess or such other time as the DHO shall designate. When the record is completed during a recess or other designated time, there will be no necessity for the requesting party to make a statement setting forth the nature of the evidence.

- M. If the DHO permits a party to make a complete record of the evidence held inadmissible, it shall allow any other party the opportunity to make a record in the same manner of any evidence bearing upon the evidence held to be inadmissible or, in case of the unavailability of such evidence or inability of the other party to do so, to make a statement setting forth the nature of the evidence.
- N. The Louisiana Administrative Code is not applicable to hearings conducted before the DHO. In addition, a strict interpretation of the Louisiana Code of Evidence shall not be used to exclude evidence when, in the opinion of the DHO, the principles underlying the Code of Evidence and attendant circumstances suggest that such evidence is competent and reliable.
- O. Each hearing shall be recorded by a certified court reporter.
- P. Such court reporter's appearance fee shall be paid by the Board within 45 days of the presentation of an invoice.
- Q. Upon the request of any party to the DHO, he/she shall request the court reporter to transcribe the record of the entire hearing and transmit the original transcript of the hearing to the DHO. The requesting party shall be obligated to pay all costs and fees associated with the transcription of the hearing by the certified court reporter and for obtaining a copy thereof. Notice of such request for transcription shall be contemporaneously transmitted to all parties who may obtain a copy of such transcript from the court reporter upon paying for same.
- R. Upon request of any party directed to the DHO, he/she shall cause the original transcript of the hearing and all exhibits accepted or proffered into evidence to be filed with the appropriate district court. The requesting party shall be obligated to pay all costs and fees associated with the filing of the transcript and exhibits directly to the clerk of court at the time of filing.
- S. All exhibits accepted or proffered into evidence shall be maintained and safeguarded by the DHO for a period of not less than 120 days after transmission of his/her final determination to the Superintendent. After the expiration of such 120 day period, all evidence shall be sealed and returned to the superintendent.
- T. The DHO shall not be called as a witness upon review by the District Court, unless there is a dispute as to the formalities required by law for such hearings and only when ordered by the District Court.

WHEREAS, on September 9, 2014, the Calcasieu Parish School Board (the "Issuer") adopted a General Bond Resolution (the "General Bond Resolution") which provided for future indebtedness of the Issuer secured by and payable from income, revenues and receipts derived or to be derived from any sources whatsoever, including the Issuer's excess of annual revenues above statutory, necessary and usual charges; and

WHEREAS, on October 7, 2014, the Issuer adopted a Supplemental Bond Resolution (the "Supplemental Bond Resolution" and, together with the General Bond Resolution, the "Bond Resolution"), to amend, supplement and modify certain of the terms of General Bond Resolution; and

WHEREAS, the Issuer desires to further supplement the Bond Resolution to modify certain of the terms thereof; and

WHEREAS, except to the extent amended, supplemented or modified herein, the provisions of the General Bond Resolution and the Supplemental Bond Resolution shall remain unchanged;

NOW THEREFORE, BE IT RESOLVED by the Calcasieu Parish School Board, as follows:

**Section 1.** SECTION 11 of the General Bond Resolution is hereby amended to have the same read as follows:

**SECTION 11.** Additional Series of Bonds. All bonds of a series shall enjoy complete parity of lien on the revenues of the Issuer despite the fact that any of the Bonds may be delivered at an earlier or later date than any other of the Bonds.

The Issuer may issue other series of bonds or obligations payable from or enjoying a lien on its revenues on a parity with the Bonds, so long as the excess revenues during the prior two fiscal years is as least 1.20x the highest combined debt service requirements on all outstanding revenue debt. ### Memorandum

To:

**Board Members** 

From:

Karl Bruchhaus, Superintendent

Date:

November 12, 2014

Re:

Possible One-Time Supplement

Staff is recommending the following one-time supplement for employees with active status at the end-of-day on Friday, November 14, 2014, to be paid in the November paychecks:

- \$900 Employees based on the Teachers' Salary Schedule
- \$550 All other employees
- 1/2 All part-time regular employees (4 hours or less)
- Combined with regular paycheck on November 21, 2014

The total cost of the supplement is \$4,888,257 including associated benefit costs for 4,885 employees. Grant funds will be used as possible to pay supplements for grant employees, while the balance will be paid from General Fund Reserves using restricted accumulated amounts from the 1995 sales tax of \$2,100,000 and the balance from the 2013-2014 (last year) General Fund surplus. The use of the estimated General Fund portion applied to a budget revision will lower the unassigned fund balance to \$36,109,275 or 12.58% of projected revenues.

RE:

Change Order 4

### Dear Mr. Heath:

I have reviewed the proposed change to the contract. This item has been included in the attached Change Order #4 and as per below:

Item 1: The new electrical panel and service were designed to connect to an existing panel on the North End of the existing welding shop. The work is ready for connection and the contractor pulled the panel cover. Inside the panel is not as expected and is not built for expansion. This was unknown until the recent connection was attempted. The new panel will need to connect to the existing 480V main service. A new step down transformer and disconnect switch will be required. Add electrical transformer and disconnect switch at welding shop new power connection. Total additional cost is \$11,492.00 and 0 days.

Item 2: Additional time for weather delays for September 2014. Total additional cost \$0.00 and 45 days.

I have evaluated and thoroughly reviewed the proposed item and I recommend this change be accepted as part of Change Order No.4 for a total addition of \$11,492.00 and an increase of 45 days.

Respectfully submitted,
