

Railroad

Crossing

Approaching All Railroad Crossings

- Check traffic/train
- 4-way flashers on
- Slow down
- Correct lane (Right Lane Only)

STUDENTS MUST BE QUIET BEFORE AND DURING CROSSING.!

Stopping

- Stop -- Look -- Listen
- Check Left and Right
- Stop 15 to 50 feet
- Open door/open window/turn volume down on all radios
- Check for traffic/train again
- Check Left and Right

Crossing Tracks

- Close the door
- Check again for traffic/train
- Proceed across railroad tracks; do not stop on tracks or between tracks.

Finishing

- After crossing tracks cancel 4-way flashers
- Check traffic
- Turn two-way radio volume up
