The End of the 2nd 9 Weeks & Report Cards

The 2nd 9 weeks ends on today, Tuesday January 26th. Report Cards will be going home on Friday, January 29th. All 1st-5th grade students will have grades for the 1st and 2nd 9 weeks on their report cards. Kindergarten students do not receive grades the 1st 9 weeks of school but will receive grades for the 2nd 9 weeks.

If you have any concerns about your child's progress now is the time to schedule a conference with your child's teacher. We want the best educational experience possible for every OPE student! We can't do it alone we need and want the support of all parents and guardians! Working together we will continue to achieve all our goals!

If your child does not come home with a report card on Friday, January 29th please contact the school ASAP!

Parents,

As part of our safety guidelines and procedures all students must wear a mask to enter and exit the building and during all transitions. Several of the students are arriving to school without a mask and every day we are having to give the same students a mask. Please help us keep everyone safe by making sure your child has their mask before leaving home. As always, we will provide one if they forget it, but we shouldn't have to give one daily to the same students.
